Prowler-Boy And Other Stories Oct 23 2022 In her first book of short stories, Patricia Bevan finds both humor and tragedy revealed in the lives of her unique characters. Here you will discover secrets and truth in a bewildering supply of subjects you will not soon forget.

Edge of Darkness Sep 22 2022 Six years after a shocking tragedy left her emotionally and physically scarred, Ember Jones lives a life of quiet isolation in Barcelona. Determined to keep her troubled past a secret, she keeps her head down and her heart locked up tight. Until the day a beautiful, mysterious stranger walks into her life, and her carefully controlled world is shattered forever. Christian McLoughlin is unlike anyone Ember has ever met. Wealthy, cultured, and utterly charismatic, he also has dark secrets of his own. They succumb to the undeniable pull between them and embark on a passionate affair, but things turn explosive when the truth about Christian and the reason he came to Barcelona is exposed. As their dark pasts collide, the two unlikely lovers find themselves caught in a web of danger and deceit that neither of them might survive.

Night of the Prowler Jul 08 2021 Assist the customers. Stock the shelves. Sweep the floors. Take out the trash. Survive the night. Zoe Doyle, an eighteen-year-old girl saving up for college and her first car, is working the night shift by herself at a secluded gas station for the first time. Her hopes for a normal night quickly diminish as she meets the local creeps, but she perseveres. Then she hears a news bulletin on a radio: A suspected serial killer undergoing a psychiatric evaluation has escaped from a nearby mental institution. Alone and afraid, her imagination runs wild. Is he coming here? Did I already see him? Is he watching me now?-she thinks.

Unbeknownst to her, she's correct. The hyperviolent serial killer known as the Prowler is heading her way... and he's killing everyone in his path. Jon Athan, the author of 2020's *Do Not Disturb*, brings you a shockingly suspenseful and violent slasher inspired by the classics. Can you survive the night of the prowler? **WARNING:** This novel contains graphic content. Reader discretion is advised.

Sweet as Sin May 18 2022 Inside a drop-dead sexy, hard-partying rock star lies a good heart...and a dark secret.

Twentysomething Kat Reid is loving life as an in-demand Hollywood makeup artist. She has absolutely no interest in rock 'n' roll, but in order to pay the mortgage, she agrees to work on the set of a rock video for the world-famous rockers

known as Bad Habit...which brings her face-to-face with Nico Nyx, lead singer of Bad Habit and Adonis in the flesh. However, the fiercely independent Kat isn't impressed by the hard-living, womanizing rock star. But when Nico's model girlfriend shows up to the set drunk and Kat is tapped to replace her as the video's sexy bride, her combustible chemistry with Nico suddenly threatens to consume the set. Nico feels it, too--and becomes determined to win Kat over, body and soul. Yet behind his rock god swagger, Nico hides a dark secret. Can he rock Kat's world forever, or will he just break her heart?

Metal Matrix Composites in Industry Dec 21 2019 Metal matrix composites are making tangible inroads into the "real" world of engineering. They are used in engineering components such as brake rotors, aircraft parts, combustion engines, and heat sinks for electronic systems. Yet, outside a relatively limited circle of specialists, these materials are mostly unknown. Designers do not as a rule think of using these materials, in part because access to information is difficult as these materials have not really entered engineering handbooks. Metal Matrix Composites in Industry is thus useful to engineers who wish to gain introductory knowledge of these materials and who want to know where "to find" them. Additionally, it provides researchers and academics with a survey of current industrial activity in this area of technology.

Make Me Sin Sep 29 2020 "A.J. is everything Chloe doesn't

want: tattooed, selfish, and all-around bad news. So why can't she stop thinking about him? Goody two-shoes Chloe isn't exactly A.J.'s type, either, but the chemistry between them is undeniable. ... When a wedding-day confrontation reveals secrets they're both hiding, will Chloe and A.J. ever find their rhythm again?"--Back cover.

Beautifully Cruel Sep 10 2021 Alpha (noun): 1) Having the highest rank in a dominance hierarchy 2) The most powerful man in a group 3) Liam Black He was a stranger to me, a dark and dangerous presence who materialized from the shadows one rainy night to save me from a vicious attack. I didn't know his name or where he was from. All I knew was that the only place I'd ever felt safe was in his arms. But safety is an illusion. And not every savior is a hero. And-as I'd soon find out-having an alpha save your life comes with a price. Liam Black wanted something from me in return.

Children's Prose Comprehension Jul 28 2020 Designed to provide an exchange of ideas about children's reading comprehension, this book has gathered insights and perspectives from both educators and psychologists concerning the comprehension process. The first section of the book consists of three chapters devoted to literature reviews, each dealing with an aspect of comprehension. Specific areas covered in the reviews are: basic research on the development of prose comprehension, experimental manipulations designed to promote comprehension, and successful instructional materials and practices used for teaching children to comprehend. The second section of the book contains three discussant chapters that provide critical commentary on the literature reviews. The book concludes with a summary chapter and a comprehensive listing of references. (FL)

Cruel Paradise Mar 16 2022 Anti-hero (noun): 1) A powerful and charismatic man lacking moral character 2) A magnificent bastard 3) Killian Black You don't know me. You think you do, but you don't. The only thing you know is my name, and even that's a lie. I'm king of Boston, lord of criminals, ruler of an underworld empire. Or am I? Only one thing's for sure: I operate alone. Until I cross paths with a brazen little thief who sets my whole kingdom on fire. Just as two wrongs don't make a right, two villains don't belong together. Especially since she's the daughter of my most deadly enemy. Taking her would start a war. Keeping her

would be suicide. Making her mine would break every code of honor and defy all common sense. Then again, where's the fun in following the rules?

Rapture's Edge Feb 27 2023 Eliana is a woman on the run. As a Shadow Walker, she is driven from her home in Rome when she believes the man she loved murdered her father. Now she makes her living as an art thief and a competitor in the underground fighting circuit of Paris. But her past is about to catch up with her in the form of The Hunt, a group of elite assassins with one objective: eliminate her before she can expose the secrets of her shape-shifting clan to the world.... Demetrius is a man with nothing left to lose. Haunted by the memory of Eliana and the passion they once shared, he will risk everything to save her from the killers on her tail. He must convince her, before the ancient walls between two worlds crumble, that only together can they defeat their real enemy, a brilliant, cunning traitor far more deadly than either of them can guess.

Dangerous Desires Aug 29 2020 He's everything she has ever desired. But there's only one way to keep her man alive: let him go. With Nasir's life on the line, Eva makes a deal with the devil. She slips away to return to Dimitri, the mob boss who held her captive for years, only to step into a new world of trouble. Abducted by one of Dimitri's most cunning adversaries, Eva finds herself an unwitting pawn in a dangerous game of cat and mouse. When Eva disappears, Naz is prepared to do anything to find her. Tracking her to the remote regions of Portugal is just the beginning of the hunt. Bewitched by Eva's beauty, the darkly seductive spy who abducted her now has more than business on his mind,

but the only way for the trio to defeat Dimitri is to work together...despite the explosive desires threatening to consume them. With a game so deadly and the stakes so high, Naz and Eva's love will be tested in ways neither of them could foresee...or perhaps survive.

Geothermal Energy Jan 02 2021 The internal heat of the planet Earth represents an inexhaustible reservoir of thermal energy. This form of energy, known as geothermal energy has been utilized throughout human history in the form of hot water from hot springs. Modern utilization of geothermal energy includes direct use of the heat and its conversion to other forms of energy, mainly electricity. Geothermal energy is a form of renewable energy and its use is associated with very little or no CO₂-emissions and its importance as an energy source has greatly increased as the effects of climate change become more prominent. Because of its inexhaustibility it is obvious that utilization of geothermal energy will become a cornerstone of future energy supplies. The exploration of geothermal resources has become an important topic of study as geology and earth science students prepare to meet the demands of a rapidly growing industry, which involves an increasing number professionals and public institutions participating in geothermal energy related projects. This book meets the demands of both groups of readers, students and professionals. Geothermal Energy and its utilization is systematically presented and contains the necessary technical information needed for developing and understanding geothermal energy projects. It presents basic knowledge on the Earth's thermal regime and its geothermal energy resources, the types of geothermal energy used as

well as its future potential and the perspectives of the industry. Specific chapters of the book deal with borehole heat exchangers and with the direct use of groundwater and thermal water in hydrogeothermal systems. A central topic are Enhanced Geothermal Systems (hot-dry-rock systems), a key technology for energy supply in the near future. Pre-drilling site investigations, drilling technology, well logging and hydraulic test programs are important subjects related to the exploration phase of developing Geothermal Energy sites. The chemical composition of the natural waters used as a heat transport medium in geothermal systems can be used as an exploration tool, but chemistry is also important during operation of a geothermal power plant because of potential scale formation and corrosion of pipes and installations, which needs to be prevented. Graduate students and professionals will find in depth information on Geothermal Energy, its exploration and utilization.

The Anarchist Cookbook Apr 24 2020 The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There i detailed advice concerning

electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

In Cold Blood Aug 09 2021 NATIONAL BESTSELLER •

The most famous true crime novel of all time "chills the blood and exercises the intelligence" (The New York Review of Books)—and haunted its author long after he finished writing it. On November 15, 1959, in the small town of

Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. In one of the first non-fiction novels ever written, Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, generating both mesmerizing suspense and astonishing empathy. In *Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence.
