Also, despite the fact

Scottish Folds utilize those ears to impart adequately, including remarks in a tranquil, cheerful voice when important. This is a shrewd, tolerably dynamic feline. The Scottish Fold appreciates secret toys that test their dexterity and astound toys that challenge their knowledge. She has worked with kids and teens since the 1970's and has seen first hand how negative health trends have affected them into adulthood. "The media bombards us with over 40,000 negative health messages annually and it is having a profound effect on our youth. There's so much confusing information out there. It's enough to drive kids and their parents crazy." Corie's mission is to educate kids and adults alike so that they can make more informed decisions regarding their health, despite the media hype. "I want kids to be more secure in their knowledge so that when misinformation comes their way, they can ask better questions." Education has the power to change the future and small consistent changes in lifestyle can add up to big results over time. Change isn't always easy, but it is worth it if it tips the scale in the right direction and can offer a brighter future.
