In India, a large number of people are drawn to Swamiji because of his great love for his country. He is called a 'patriot saint'. To them he is more an awakener of India than an awakener of souls. But many converts and followers of Swamiji the world over are drawn to him because of his spiritual message of strength, hope, and courage which opens up new vistas to them. This book satisfies the needs of both the patriots and devotees. These great orations of the Swami should form a subject for serious study for all Indians to recapture the spiritual values that have been fast forgetting on account of the rising tide of materialism. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India. Swami Vivekananda's views on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami's elevating and so stirring commentary. Note: This book has embedded fonts to display verses in Devanagari. You may have to use the 'Original' Font option in the Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the

According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai.

As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold. This is the fourth volume of the collection of the books, lectures, letters, and poetry of Swami Vivekananda. This Special Master Edition has been crafted with great care in a 7.5" x 9.5" two-columns format.

With historical-critical analysis and dialogical even-handedness, the essays of this book re-assess the legacy of Swami Vivekananda, forged at a time of colonial suppress from the vantage point of socially-engaged religion at a time of gl dislocations and international inequities. Due to the complexity of Vivekananda as a historical figure on the cusp of late modernity w vast transformations, few works offer a contemporary, multi-voca nuanced, academic examination of his liberative vision and legacy i way that this volume does. It brings together North American, Eur British, and Indian scholars associated with a broad array of huma disciplines towards critical-constructive, contextually-sensitive reflections on one of the most important thinkers and theologians modern era. Swami Vivekananda was one of the great religious mi the 19th century. His appearance in the Congress of World Religio America was a momentous event in the history of religion, where changed the western view of Vedanta Hindu philosophy. What is t substance of Vivekananda s interpretation of Vedanta? And how re is it to 20th century man? In this revised volume, Gautam Sen pie together the representative portions of the Swami s philosophy a them up with a running commentary of his own. A collection of hi letters, and poetry in 8 volumes. Regular edition sells for \$79.60.

not include Volume 9. ??????????????Swami Vivekananda was a Hindu monk and chief disciple of saint Ramakrishna. He was the one who introduced the Indian philosophies of Vedanta and Yoga to the Western world. Swami Vivekananda devoted his life building a bridge between Indian and Western culture. He presented Hindu scriptures, philosophy and way of life to the Western people in a language which they could understand. This beautifully illustrated biography traces his journey from a young man to a teacher and philosopher, who established religion as the highest and noblest pursuit to attain freedom, knowledge and happiness. This book comprises of a choice collection of Swami Vivekananda's utterances culled from his numerous speeches and writings, arranged under 44 suitable sections. It is a treasure house of thoughts of power to inspire and guide mankind in its march towards Supreme Reality. Covering the entire cyclorama of his life and its evolutionary movement, the electrifying gospel of this great Swami includes within its fold everything that would go to inspire and a drooping soul by reminding him of his infinite potentialities and infinite greatness, and making him move ahead on the difficult terrain of life's circumstances. This book is a must for all those who earnestly wish to move ahead in the grand march of life, infested with tremendous obstacles and difficulties, towards the state of Supreme Felicity. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India. Swami Vivekananda philosophy was a blend of the traditional values and modern thoughts; as well as human and superhuman thoughts. Although he lived only for thirty-nine years, he influenced the thinking of multitudes around the world. His charismatic personality and intellectual speeches made an impact that altered people's concept of Hinduism and India globally. Even today; his teachings are capable of transforming all who are keen to imbibe them. Vivekananda was born when Calcutta was India's capital under British Raj. It was a time when the British Raj sought to change the governing system of India after the Mutiny of 1857. Swami Vivekananda

preferred a modern approach to deal with the existing social problems and favoured Western ideas. This book tries to cover the life and philosophy of Swami Vivekananda comprehensively and give an insight about his personality. Arguably, the greatest achievement of Swami Vivekananda, one of the most celebrated icons of modern India, was the reconstruction of Hinduism. This he accomplished by reforming the religion in India and changing its image in the West. Indeed, the Hinduism that Vivekananda expounded at the Parliament of World Religions in Chicago was a new, progressive version of an ancient tradition, devoid of the superstitions and distortions with which it has come to be associated. He revolutionized Hindu faith traditions by turning them into a repository of rational, universal philosophy. This book tries to get to the heart of Swami Vivekananda's legacy and its relevance in the contemporary world. It examines hitherto lesser-known aspects of Swamiji's life and work including his contributions to Vedanta, universal religion, science-spirituality and inter-religious dialogue, dharmic secularism, educational philosophy, poetry, and, above all, to the problem of Indian modernity. Despite the abundant literature available on him, Swami Vivekananda is still not understood adequately, remaining somewhat of an enigma. A fresh reading of the life and times of the Swami by someone who has studied him closely, Makarand R. Paranjape's detailed, thought-provoking account shows that in Vivekananda's visionary thoughts lay the seeds of the creation of modern India. This book reclaims Swami Vivekananda's stature as a pioneer of contemporary Hindu thought and nationalism. Text from nine volumes of Complete Works of Swami Vivekananda as well some unpublished material is available here. All proceeds are donated to Advaita Ashrama, India Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, this is Volume 1 of the new volume series constituting 'The Complete Works of Swami Vivekananda'. in history, Hinduism itself forms here the subject of generalization of a Hindu mind of the highest order. What Hinduism had needed was the organizing and consolidating of its own idea, a rock where she could lie at anchor, and an authoritative utterance in which she might recognise herself. What the world had needed was a faith that had no fear of truth. Both are found in the words and writings of Swami Vivekananda. It is the latest gospel of a modern Prophet of religion and spirituality to the mankind. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, this is Volume 2 of the nine volume series constituting 'The Complete Works of Swami Vivekananda'. It is the latest gospel of a modern Prophet of religion and spirituality to the mankind. The life message of Swami Vivekananda are a source of great inspiration to all in their individual as well as collective life. The present short biography published by Advaita Ashrama, a Publication House of Ramakrishna Math, Belur Math, is intended to meet the needs of those who have neither the time nor the opportunity to read bigger works about the life of Swami. A versatile genius as the great Swami was, and many-sided were his activities, it is idle to hope that a complete picture of his wonderful life could be given in such a small compass. Here an attempt is made to give only a glimpse of this great personality so that people may become interested to know more about him. Sister Nivedita Editor's Note: This Special Master Edition has been meticulously crafted with great care. In order to be more enjoyable during reading and research, it has been set in a 7.5" x 9.5" two-columns format. All our publications are carefully crafted, both in terms of typography as well as design. This book, authored by Swami Tathagatananda, a senior monk of the Ramakrishna Order and the resident minister and spiritual leader of The Vedanta Society of New York, USA, highlights the problems, criticisms and hardships faced by Swami Vivekananda during his life and how he eventually trumped over these adversities with strength, courage and fulfilled his mission. These glimpses of Swami Vivekananda's heroic struggle will help readers find strength and courage when dealing with adverse situations in life. Swami Vivekananda, 1863-1902, Indian philosopher and religious leader. Religion is not in books, not in forms, not in sects, not in nation; religion is in the human heart...It is love alone that can conquer hatred...'- Vivekananda A genius, a visionary, a writer, a dreamer, a teacher and an inspiration for generations of Indians--this was Swami Vivekananda. Born into a family of lawyers, Narendranath Dutta was an exceptionally intelligent child, a natural leader among his playmates, who impressed his teachers with his scholarship. The spirituality of his mentor Sri Ramakrishna and his own study of philosophy and logic influenced Narendranath to join the monastic order. Vivekananda was the spokesperson for India at the Parliament of Religions in Chicago where the magic of his words held his audience in thrall. He also instilled self-confidence among the Indian youth and the hope of regeneration. Devika Rangachari's account of the life and times of Swami Vivekananda

is both inspiring and absorbing. It is the remarkable story of a spiritual leader who worked against overwhelming odds to realize his vision of a free India. The Vedanta was an inseparable part of Swami Vivekananda's personality. He lived and breathed this philosophy while preaching it to India and the west. While Vivekananda's landmark address at the Parliament of Religions in Chicago in 1893 established him as modern India's great spiritual leader, his popularity and appeal is attributed to his ability to integrate his human side with his profound spiritual side. In this beautifully written biography, Chaturvedi Badoni liberates Vivekananda from the confines of the worship room and offers an unforgettable insight into the life of a man who was the very embodiment of the Vedanta that he preached. An intimate portrait of the little-known aspects of Swami Vivekananda's life. Wandering mystic, India's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India's masses to the country's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji's life have been well chronicled by Swami himself, through his letters, speeches and writings; his own brothers and disciples between them have written more than a hundred books; his co-disciples and others whose lives were enriched by their interaction with him; and, more than a century after his death, followers who had read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar Das's biography focuses on the personal life of the saint: What was Vivekananda like as a man? What role did his mother play in his life both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battle over family property affect his health and cut short his life? Did he ever commit suicide? Why did his brother not write a single letter for him when he was wandering around the world? What was Swamiji's favourite dish and what fruit did he like the least? What was his h

Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

From where does life come? Does an external God quicken creation into existence or is there a life potential abiding within creation itself? Traditionally, theologians tell us that an external God is the source of this vitality. In some mysterious way, God creates the universe out of nothing. The scientific response to these unscientific ideas is "evolution." Nature has a potential existing within itself that's causing higher and higher life forms to manifest. The Vedic position interjects a spiritual dimension into it, adding that a primary "involution" always has to precede an evolution. As Swami Vivekananda puts it: The seed is the father of the tree, but another tree was itself the father of the seed. The larger model says that the seed in the material world is spiritual potential. The whole evolutionary process isn't driven by the material world of external stimuli and everyday experiences, but by the presence of an infinite, undivided and unchanging Reality that resides within and behind the surface of everything. This is what is gradually expressed and ultimately manifesting as our Christs, Buddhas, sages and saints.

Sri Sri Sri Swami Vivekananda's Own Speeches And Writings As Well As Accounts Left Behind By His Disciples Are Many, But A Comprehensive, Objective And Critical Study By A Non-Devotee Is Not Extant. This Book Is An Endeavour To Supply The Need. Not Only Does It Bring Out His Superb Powers And Achievements But It Also Discusses A Few Oddities Like His Defence Of Animal Sacrifice And Indifference To Widow Remarriage. In More Than Forty Chapters The Book Covers The Life, Personality, Ideas, Social Service And The Hitherto Unexplored Aspects Of The Poetry And Philosophy Of This Intellectual Giant. Swami Vivekananda was born on 12th January 1863 and died on 4th July 1902. He was also known as Narendranath Datta. He was a firm advocate of Vedanta Philosophy and Yoga. He was a disciple of Guru Ramakrishna and founded

"True success and goals and career, both are best chapters, quotes of Vivekananda are really deep."

READER'S REVIEW The author was researching on Swami Vivekananda for 2 years, before writing this book, the Author gone through hundreds of quotes and lectures. After two years of complete research, he brought with this final product. Vivekananda enlightens the whole world with his thoughts in every aspect of the life of a person. This book will cover every basic aspect of the life of a person. We will see every aspect with different perspectives like goals and career, finance, health, relation, true success and God, with the help of his deep quotes and lectures. Swami Vivekananda has revealed himself with even greater appeal in his intimate and informal conversations with his disciples than in his preaching in public. In these talks published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, he gives directions about spiritual practice and meditation, discusses the highest philosophy and in the next breath discusses the problems of national regeneration, social reform, educational ideals, and other such topics.
