Nissan/Infiniti Repair Manual, 1988-1992 Nissan A32 Service Manual Service Manual Model L23 Engine

These manuals provide comprehensive repair and maintenance information on all makes and model years, as indicated for each manufacturer. For consumers who stick to one make of car, this series will provide multi-vehicle information. For retailers with limited shelf space, this series provides model specific coverage in only five volumes. The aim of this manual is to help readers get the best from their vehicle. It provides information on routine maintenance & servicing and the tasks are described and photographed in step-by-step sequence so that even a novice can do the work. Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: a troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index. Hatchback (K11 Series), including automatic transmission (N-CVT) models and special/limited editions. Does NOT cover new Micra range introduced for 2003 model year.
