EVERY HERO HAS A JOURNEY... EVERY JOURNEY HAS AN END... Eight years have passed since Batman was last seen in Gotham City. Bruce Wayne's alter ego is hunted by the law, and nothing — it seems — can bring him back. Not even a brazen theft committed by the enigmatic and seductive cat burglar Selina Kyle — inside the walls of Wayne Manor itself. But then a deadly new threat appears, as if out of nowhere. Bane. Huge, powerful, and terrifyingly methodical, Bane is bent on spreading chaos and death. Commissioner Gordon and the GCPD are unable to stop him and have nowhere to turn. But after so many years, can the Dark Knight once again save Gotham from its gravest threat yet? THE OFFICIAL NOVELIZATION OF THE FINAL CHAPTER IN CHRISTOPHER NOLAN'S EPIC, THE DARK KNIGHT TRILOGY A pirate fantasy for readers who love adventure on the high seas. Fairy Tale Fantasy Neverland is a wondrous isle of adventure. Neverland is a cruel lie. Children follow Peter Pan believing their dreams will come true—to never grow up. Surprise, surprise... they never will. The children Peter Pan abducts are murdered or meet a grimmer fate. I ' m the child who escaped Peter ' s treachery. I ' ve made it my life ' s calling to rescue the Lost Boys, even those who don ' t wish to be saved. Now Pan has a schooner he ' s using to steal even more children. I ' m the only one who can stop him. Call me Hook. I am the master and commander of a pirate ship, and I ' ll have my revenge on Peter Pan if it ' s the last thing I do. PRAISE FOR THE CAPTAIN HOOK SERIES: "What a great surprise this gem turned out to be..." Goodreads review "A pirate ' s view of Neverland - it is unique, shedding light on Peter Pan ' s escapades. Rescues filled with feats of derring-do show the audacity of Captain Hook. She ' s bold, determined, and has a softer heart than you might imagine for a pirate. Her crew is a fascinating mix of odd characters that you ' ll love getting to know. The author has a lyrical way of weaving words together that brings each scene to living color. I love it!" Goodreads review "...a great action-packed start to the series!" Japanese anime plays a major role in modern popular visual culture and aesthetics, yet this is the first study which sets out to put today ' s anime in historical context by tracking the visual links between Edo- and Meiji- period painters and the post-war period animation and manga series ' Gegegeno Kitaro ' by Mizuki Shigeru. My name—my True Name—is Ashallayn ' darkmyr Tallyn. I am the last remaining son of Mab, Queen of the Unseelie Court. And I am dead to her. My fall began, as many stories do, with a girl... To cold faery prince Ash, love was a weakness for mortals and fools. His own love had died a horrible death, killing any gentler feelings the Winter prince might have had. Or so he thought. Then Meghan Chase—a half human, half fey slip of a girl—smashed through his barricades, binding him to her irrevocably with his oath to be her knight. And when all of Faery nearly fell to the Iron fey, she severed their bond to save his life. Meghan is now the Iron Queen, ruler of a realm where no Winter or Summer fey can survive. With the unwelcome company of his archrival, Summer Court prankster Puck, and the infuriating cait sith Grimalkin, Ash begins a journey he is bound to see through

to its end—a quest to find a way to honor his vow to stand by Meghan's side. To survive in the Iron Realm, Ash must have a soul and a mortal body. But the tests he must face to earn these things are impossible. And along the way Ash learns something that changes everything. A truth that challenges his darkest beliefs and shows him that, sometimes, it takes more than courage to make the ultimate sacrifice. One girl and a griffin against an empire: A dying land. The Shima Imperium verges on collapse. Land and sky have been poisoned by clockwork industrialization, the Lotus Guild oppresses the populace and the nation's Shogun is lost to his thirst for power. An impossible quest. Yukiko and her warrior father are forced to hunt down a griffin at the Shogun's command. But any fool knows griffins are extinct – and death will be the price of failure. A hidden gift. Disaster strikes and Yukiko is stranded in the wilderness with a fabled griffin, now furious and crippled. Although she hears his thoughts and saved his life, Yukiko knows he'd rather see her dead than help her. And discovery of the talent allowing them to communicate would mean her execution. Yet together, the pair will form an indomitable bond, and rise to challenge an empire. Set in steampunk Japan, Jay Kristoff's Stormdancer is full of mythic creatures, demons and Gods, and a strong female protagonist. Continue the Lotus War Trilogy with Kinslayer and Endsinger. A Trilogy Reborn, is a title conjured by noted author James Blackthorne. If we have eyes to see the reader will notice a combination of Sagas that are bristling with adventure. The reader will experience real thrills; It's as if the magician uttered his magic words. The trilogy is broken down in a manner that the reader can take in several compelling themes set in exotic settings. The author succeeds in detaching a shadow of the moody black walls and provides us with an array of lively flesh and blood characters. Blackthorn's heart started beating again." I can't pick up what's going on these days," the sources said, swaying his head sadly," but I found a feeling something strange is behind it. In most cases the hero of the story has to fall out is usually the difficult path, the more upright style. He never experiences a quick death'. For example, in Leon's case, his beliefs are genuine. He's not just a wizard, but humanitarian. He believes if necessary, he must sacrifice himself on the cold slab of the heathen altar. In more than one instance, he was willing to perish by a blade he had honed, wielded by the very arm that had given strength skill and consciousness." "An intuitive feeling has risen in the world's heart today that somehow our lives are one." The prolific author spoke of an idea that he had envisioned remotely in his psyche. He envisioned the omniscient potent foe unsheathing his terrible anger and disappointment. . Blackthorne illustrated how there are no unrelated, warring factions, somewhere a splendid unity exists behind the apparent diversity. " We can reveal that hidden thread of being and purpose that seems to marry up the whole. Even the stars and galaxies of other worlds are destined to become part of one harmonious mass." For the moment, the author felt a sudden twinge of fear as his innards shifted violently. Along the spur of the moment, the fear was gone, replaced by a strong pulse of excitement.. "Why should he be afraid," he asked himself?" He could be likened to the characters in his books. James explained how long ago, he had readied himself for such exigencies. Blackthorne explained. "From an author's point of view, you generally do better if you're close to your character. Yet you don't desire to be quite as close as you would like to be from the viewpoint of building up your creativity." Come meet the cast of exciting characters as they are involved in this Fine Fantasy firmly rooted, in reality, there's a strong focus on one of the leading characters called the Grand Wizard Leon Davith. It's common for Leon to join powers with his Golem son called Barson Wolfe. Blackstone translated his comments into velocity at times he requires the reader to stiffen in order to meet the shock. Still, no story is complete without including the feminine factions. Bards gal pal referred to as Quill, who is an alluring young sorceress. Meanwhile, she stood in the company of two beautiful ferries called Erin and Leda. Erin commented to Quill. " Our alibi's sound so good in theory, but in reality, what we experience is a different means of narrating the story." Leon nodded. However, Quill explained. I can't help the rumination of my thoughts." For a minute there was no response. Leda remarked, "my gut feeling informs me that this trip delivers a few glitches, is about more than just some ancient relic." " Stop that" Erin said. " I suffer a strange impression, whatever or wherever it is we're being summoned there." Leda's eyes opened full. " My curiosities got me., why are we summoned and for what person purpose?" Leon commented. " Simmer down ladies, it's best to catch some rest before the big day" " The scariest hush is the kind that screams " —Sloan Phoenix A friendship will be tested. . . A trust will be broken. . . A lifelong secret will be revealed! Having barely survived the car explosion that nearly killed him and his best friend, Garry Lennox, Sloan Phoenix must immediately contend with the complications of the sudden murder of an old enemy, Sydney Prescott. After her culpability in the murder of her first

husband, Charlie, was exposed, Judy's marriage to Chris Faulkner is on the verge of divorce. Becoming increasingly short on allies, Judy hires divorce attorney, Jericho Fox, a childhood rival of Sloan's, to handle her case. Her life is further complicated when she and Sloan are invited to Sydney Prescott's will reading, which puts many of their dirty deeds over the years in danger of being revealed. As the killer goes after many of the people present at the will reading, Sloan and Judy are pitted against each other in a dangerous game of cat and mouse in an effort to expose the other as the killer. But the true killer has another game. A game that has three rules: Don't scream. Don't cry. Just hush. And you die. With Stormdancer, Jay Kristoff came roaring onto the fantasy scene-he has been praised as "the master of unique and intense plots and huge twists" (USA Today.com), while critics raved about the novel, calling it "[A] fast-paced, fantastical adventure [that] is sharp as a Shogun's sword." (The LA Times). And with healthy sales in hardcover and electronic-fueled by Jay's inventive, enthusiastic, and relentless promotion on his website, Facebook, Twitter, and the blogosphere-we know readers are hungry for the finale to his wildly inventive Lotus War saga. As civil war sweeps across the Shima Imperium, the Lotus Guild unleashes their deadliest creation-a mechanical goliath, intended to unite the shattered Empire under a yoke of fear. Yukiko and Buruu are forced to take leadership of the rebellion, gathering new allies and old friends. But the ghosts of Buruu's past stand between them and the army they need, and Kin's betrayal has destroyed all trust among their allies. When a new foe joins the war, it will be all the pair can do to muster the strength to fight, let alone win. And as the earth splits asunder, as armies destroy each other for rule over an empire of lifeless ash and the final secret about blood lotus is revealed, the people of Shima will learn one last, horrifying truth. An exciting, vivid conclusion to a critically acclaimed series, Endsinger is sure to have fans racing through the pages to savor every last revelation. THE DRAGONS OF TALON: Once hunted nearly to extinction, they are now poised to take over the world. THE ORDER OF ST. GEORGE: The legendary dragonslayers will stop at nothing to wipe dragons from the face of the earth. These mortal enemies are locked in secret and deadly combat, with humanity none the wiser. To take her rightful place in the Talon organization, young dragon Ember Hill must prove she can hide her true nature and blend in with humans. Her delight at the prospect of a summer of "normal" teen experiences is short-lived, however, once she discovers that she's also expected to train for her destined career in Talon. But a chance meeting with a rogue dragon will soon challenge everything Ember has been taught. As Ember struggles to accept her future, St. George soldier Garret Xavier Sebastian is tasked with hunting her down. But when faced with Ember's bravery, confidence and all-too-human desires, Garret begins to question everything the Order has ingrained in him--and what he might be willing to give up to uncover the truth about dragons. In the epic finale to New York Times bestselling author Julie Kagawa 's Shadow of the Fox trilogy, the scroll has been taken, and no one is safe. To save everyone she loves from imminent death, kitsune shapeshifter Yumeko gave up the final piece of the Scroll of a Thousand Prayers. Now she and her ragtag band of companions must make one desperate final effort to stop the Master of Demons from using the scroll to call the Great Kami Dragon and make the wish that will plunge the empire into chaos. Shadow clan assassin Kage Tatsumi has regained control of his body and agreed to a true deal with the devil—the demon inside him, Hakaimono. They will share his body and work with Yumeko to stop a madman, and to separate Hakaimono from Tatsumi and the cursed sword that trapped the demon for nearly a millennium. But even with their combined skills and powers, this unlikely team of heroes knows the forces of evil may be impossible to overcome. And there is another player in the battle for the scroll, a player who has been watching, waiting for the right moment to pull strings that no one even realized existed...until now.

The fates of Ragnvald and his sister Svanhild unfold to their stunning conclusion in this riveting final volume in The Golden Wolf Saga, a trilogy that conjures the ancient world with the gripping detail, thrilling action, and vivid historical elements of Game of Thrones and Outlander. Ragnvald has long held to his vision of King Harald as a golden wolf who will bring peace to Norway as its conqueror - even though he knows that Harald's success will eventually mean his own doom. He is grateful to have his beloved sister, the fierce and independent Svanhild, once more at his side to help keep their kingdom secure. Free from the evil husband who used her, she is now one of Harald's many wives. While Svanhold is happy to be reunited with her beloved brother, and enjoys more freedom than ever before, she is restless and lonely. When an old enemy of Ragnvald's kidnaps his niece, Freydis, his sister follows the daughter she has neglected to Iceland, where an old love awaits. This strange new land offers a life far different from what each has left behind, as well as unexpected challenges and choices. Ragnvald, too, must contend with change. His sons - the gifted Einar, the princely Ivar, and the adventurous Rolli - are no longer children. Harald's heirs have also grown up. Stepping back from his duties as king, he watches as his sons pursue their own ambitions. But Norway may no longer be large enough for so many would-be kings. Now in their twilight years, these venerable men whose lives have been shaped by war must face another battle. A growing rebellion pits Ragnvald and his sons against enemies old and new, and a looming tragedy threatens to divide them all. Across the sea, Svanhild, too, wrestles with a painful decision, risking the dissolution of her fragile new family as she desperately tries to save it. Yet as old heroes fall, new heroes arise. For years, Ragnvald and Svanhild pursued the destinies bestowed by their ancient gods. Though the journey has cost them much, their sacrifices and dreams will be honoured by the generations that follow, beginning with Freydis and Einar. Emerging from their parents' long shadows, they have begun to pursue their own glorious fates. This compelling conclusion to the Golden Wolf trilogy recreates Viking-age Scandinavia in all its danger, passion, power, and glory - a world of brutality and myth, loyalty and betrayal, where shifting alliances and vengeance can build kingdoms . . . and can tear them down. "Vivid and highly addictive" - the BBC The young Emperor

Taliesin has been wearing a silver mask ever since he was a child. No one has ever seen his face. Is he really the Son of Heaven? Or a fox spirit in human form? Annoyed by rumors, the Emperor sets off on a quest to prove that he is really human. Only his personal bodyguard, the divine swordswoman Sei Shonagon, knows the truth. The Adventures of Snow Fox & Sword Girl is a sophisticated fairy tale in Kurosawa costumes. A wonderfully funny, sexy, swashbuckling romp through the familiar landscape of Chinese and Japanese swordfighting epics, stylishly delivered, as its opening credits promise, "in modern English and in full Technicolor". Rated R (Restricted) for Adult Themes. The first book of the Hoshimaruhon trilogy.

Rector "Wreck 'em" Sherman was orphaned as a toddler in the Blight of 1863, but that was years ago. Wreck has grown up, and on his eighteenth birthday, he'll be cast out of the orphanage. And Wreck's problems aren't merely about finding a home. He's been quietly breaking the cardinal rule of any good drug dealer and dipping into his own supply of the sap he sells. He's also pretty sure he's being haunted by the ghost of a kid he used to know—Zeke Wilkes, who almost certainly died six months ago. Zeke would have every reason to pester Wreck, since Wreck got him inside the walled city of Seattle in the first place, and that was probably what killed him. Maybe it's only a guilty conscience, but Wreck can't take it anymore, so he sneaks over the wall. The walled-off wasteland of Seattle is every bit as bad as he'd heard, chock-full of the hungry undead and utterly choked by the poisonous, inescapable yellow gas. And then there's the monster. Rector's pretty certain that whatever attacked him was not at all human—and not a rotter, either. Arms far too long. Posture all strange. Eyes all wild and faintly glowing gold and known to the locals as simply "The Inexplicables." In the process of tracking down these creatures, Rector comes across another incursion through the wall—just as bizarre but entirely attributable to human greed. It seems some outsiders have decided there's gold to be found in the city and they're willing to do whatever it takes to get a piece of the pie unless Rector and his posse have anything to do with it. A pirate fantasy & fairy tale retelling for readers who love adventure on the high seas. Pish. Pillagin', drinkin', and wenchin' are a pirate's callings, but don't steal from dwarves—they hate the competition. Pirate life aside, all I have ever wanted was a safe place for the Lost Boys I rescued. Ambition may have led me to overstep my bounds. When my theft was discovered, the dwarves launch a devastating sneak attack against my island nation home. This time, I've started a war. What can I say? I regret getting caught. I stand ready to fight for my people, but the odds are grim. Hunting submarines with a sailing ship is a new one even for me. Guess I 'll be making this up as I go. Should I fail, those bastards will murder everyone, including the children. Captain Hook PRAISE FOR THE CAPTAIN HOOK SERIES: "What a great surprise this gem turned out to be..." In the village of Lauscha in Germany, things have been done the same way for centuries. The men blow the glass, and the women decorate and pack it. But when Joost Steinmann passes away unexpectedly one September night, his three daughters must learn to fend for themselves. While feisty Johanna takes a practical approach to looking for work, Ruth follows her heart, aiming to catch the eye of a handsome young villager. But it is dreamy, quiet Marie who has always been the most captivated by the magic--and sparkling possibilities--of the craft of glassblowing. As the spirited sisters work together to forge a brighter future for themselves on their own terms, they learn not only how to thrive in a man's world, but how to remain true to themselves--and their hearts--in the process. This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences. A pirate

fantasy & fairy tale retelling for readers who love adventure on the high seas. People who complicate my life earn the business end of my hook. Funny how that never seems to stop them. Think I ' m exaggerating? I stand accused of colluding with Fomorian raiders who are abducting young mermaids... And one of the Lost Boys I rescued from Neverland is being terrorized by a Faerie nightmare... A dark menace connects the two things. With the help of my pixie companion, I must solve the mystery while evading the interference of my meddling ex-lover. He ' s sinfully distracting, but the fun must wait. All those delectable sirens need rescuing. PRAISE FOR THE CAPTAIN HOOK SERIES: "What a great surprise this gem turned out to be..." Goodreads review "A pirate ' s view of Neverland - it is unique, shedding light on Peter Pan ' s escapades. Rescues filled with feats of derring-do show the audacity of Captain Hook. She ' s bold, determined, and has a softer heart than you might imagine for a pirate. Her crew is a fascinating mix of odd characters that you ' ll love getting to know. The author has a lyrical way of weaving words together that brings each scene to living color. I love it!" Goodreads review "...a great action-packed start to the series!" The Wars of the Roses are imagined here with energy, with ferocity, with hunger to engage the reader.' Hilary Mantel FEBRUARY 1460 In the bitter dawn of a winter 's morning, a young man and a woman escape from a priory. Fearing for their lives, they are forced to flee across a land ravaged by conflict. For this England, torn apart by the infamous Wars of the Roses, one of the most savage and bloody civil wars in history. Brother confronts brother. King faces king, And Thomas and Katherine, two seemingly unimportant figures in the midst of chaos and bloodshed, must fight just to stay alive ... Starring Christopher Bale, Michael Caine, Gary Oldman, Cillian Murphy and Morgan Freeman, the trilogy commenced with Batman Begins, which traced the origins of how Bruce Wayne took on the role of the masked crusader to fight the forces of evil. But the Batman's adversaries in the first film paled in comparison to the forces of anarchy unleashed by The Joker in the second film, The Dark Knight. Physically and psychologically depleted by his encounter with The Joker, in The Dark Knight Rises, Batman must marshal all his forces to meet the threat to Gotham City posed by the masked villain Bane. These three films form a trilogy unique in the history of cinema - and express a dark imaginative vision that reflects the uncertainties of the 21st century. Nominated for thirteen BAFTA awards and nine Oscars, the Dark Knight Trilogy starred Christian Bale, Michael Caine, Tom Hardy, Gary Oldman and Morgan Freeman. Christopher Nolan's other films include Insomnia, Momento, Inception and most recently Interstellar starring Matthew McConaughey and Anne Hathaway. Ninja Attack! introduces dozens of unforgettable real-life ninja straight out of the annals of Japanese history--many of whom are all but unknown outside their home country. Ninja masters. Solo assassins and operatives. Femme fatales as deadly as they were beautiful. Swordfighters out of legend. And the Shogun and warlords who commanded them. Each individual in this graphic novel is profiled with a full-page manga-style drawing and a dossier brimming with top-secret information, including photos, anecdotes, and dramatic stories of the individuals in action. The book covers ninja clothing styles, the types of weapons that were used, ninja tools, ninja tricks of the trade, and the basics of the ninja diet. It also includes a do-it-yourself tour of ninja related spots in modern Tokyo. Ninja Attack! is everything you always wanted to know about ninja but were too afraid you'd get a shuriken in the eye to ask. Legendary ninja covered in this book include: Prince Shotoku Mochizuki Chiyojo Hattori Hanzo Matsuo Basho Mamiya Rinzo Jiraiya Book 2 of 3 in the Yokai Attack! series. Others include Yokai Attack! and Yurei Attack!. In this first book of her Japanese mythology-inspired Shadow of the Fox trilogy, bestselling author Julie Kagawa weaves a stunning, high-stakes tale of alliances and deceptions, characters who aren't what they seem, and secrets that could change the fate of the world. Every millennium, whoever holds the Scroll of a Thousand Prayers has the power to call the great Kami Dragon from the sea and ask for one wish. The time is near...and the missing pieces of the scroll will be sought throughout the land of Iwagoto. When demons kill half-kitsune Yumeko's adoptive family, she's forced to flee her home with one part of the ancient scroll. Fate thrusts her into the path of mysterious samurai Kage Tatsumi, who is Yumeko's best hope for survival. But he's under orders to retrieve the scroll. An uneasy alliance forms, and Yumeko begins the deception of a lifetime, knowing her secrets are more than a matter of life or death—they're the

key to the fate of the world. Books in the Shadow of the Fox trilogy: Shadow of the Fox Soul of the Sword Night of the Dragon From New York Times and USA Today bestselling authors Heather Graham, K. Bromberg, Kendall Ryan, and Gena Showalter. Four Dark Tales. Four Sensual Stories. Four Page Turners. HAUNTED BE THE HOLIDAYS: A Krewe of Hunters Novella by Heather Graham It ' s Halloween at the Global Tower Theatre, a fantastic and historic theater owned by Adam Harrison and run by spouses of Krewe members. During a special performance, a strange actor makes an appearance in the middle of the show, warning of dire events if his murder is not solved before another holiday rolls around. Dakota McCoy and Brodie McFadden dive into the mystery. Both have a special talent for dealing with ghosts, but this one is proving elusive. With the help of Brodie ' s diva mother and his ever-patient father—who were killed together when a stage chandelier fell upon them—Dakota and Brodie set out to solve the case. If they can't solve the murder quickly, there will be no Thanksgiving for the Krewe... CONTROL: An Everyday Heroes Novella by K. Bromberg Control is something Desi Whitman abhors. Why live life in black and white perfection when you can messily color outside the lines? But when she comes face to face with SWAT officer Reznor Mayne, he ' s about to show her just how good control can feel. HUNKY HEARTBREAKERS: A Whiskey Kisses Novella by Kendall Ryan Everything ' s bigger in Texas. And that includes Duke Wilder ' s sexual appetite. Together with his twin brother, he runs a whiskey distillery, and when their business takes off—suddenly he ' s got it all. Success. Money. Family. But he doesn ' t have a woman to share it with. When Valentina storms into his life, her presence is only supposed to be temporary. She ' s a feisty attorney hired to help clean up his company ' s recent legal mess. He never counted on her being the one to turn his whole world upside down. THE DARKEST CAPTIVE: A Lords of the Underworld Novella by Gena Showalter For centuries, Galen the Treacherous has been the most hated immortal in the Underworld. Possessed by the demons of Jealousy and False Hope, he has always lived for a single purpose: destroy everything. Then he met her. Former demon turned human femme fatale — Legion Honey -- sought to kill Galen, but ended up parting with her virginity instead. Afraid of their sizzling connection, she ran away...and ended up trapped in hell, tortured and abused in the worst of ways. Now she ' s free, and a shell of herself, afraid of her own shadow. Galen's hunger for Legion has only grown. Now the warrior with nothing to lose must help her rekindle the fire that once burned inside her. Every Dark Nights tale is breathtakingly sexy and magically romantic. In the tempestuous closing decades of the sixteenth century, the Empire of Japan writhes in chaos as the shogunate crumbles and rival warlords battle for supremacy. Warrior monks in their armed citadels block the road to the capital; castles are destroyed, villages plundered, fields put to the torch. Amid this devastation, three men dream of uniting the nation. At one extreme is the charismatic but brutal Nobunaga, whose ruthless ambition crushes all before him. At the opposite pole is the cold, deliberate Ieyasu, wise in counsel, brave in battle, mature beyond his years. But the keystone of this triumvirate is the most memorable of all, Hideyoshi, who rises from the menial post of sandal bearer to become Taiko--absolute ruler of Japan in the Emperor's name. When Nobunaga emerges from obscurity by destroying an army ten times the size of his own, he allies himself with Ieyasu, whose province is weak, but whose canniness and loyalty make him invaluable. Yet it is the scrawny, monkey-faced Hideyoshi--brash, impulsive, and utterly fearless--who becomes the unlikely savior of this ravaged land. Born the son of a farmer, he takes on the world with nothing but his bare hands and his wits, turning doubters into loyal servants, rivals into faithful friends, and enemies into allies. In all this he uses a piercing insight into human nature that unlocks castle gates, opens men's minds, and captures women's hearts. For Hideyoshi's passions are not limited to war and intrigue-his faithful wife, Nene, holds his love dear, even when she must share it; the chaste Oyu, sister of Hideyoshi's chief strategist, falls prey to his desires; and the seductive Chacha, whom he rescues from the fiery destruction of her father's castle, tempts his weakness. As recounted by Eiji Yoshikawa, author of the international best-seller Musashi, Taiko tells many stories: of the fury of Nobunaga and the fatal arrogance of the black-toothed Yoshimoto; of the pathetic downfall of the House of Takeda; how the scorned Mitsuhide betrayed his master; how once impregnable ramparts fell as their defenders died gloriously. Most of all, though, Taiko is the story of how one man transformed a nation through the force of his will and the depth of his humanity. Filled with scenes of pageantry and violence, acts of treachery and self-sacrifice, tenderness and savagery, Taiko combines the panoramic spectacle of a Kurosawa epic with a vivid evocation of feudal Japan. Secrets are my specialty. I'm Mai Fairchild --- fox shifter, sister's keeper, and bane of the local werewolf pack. In a world where different is

dangerous, my sister and I must pretend to be human at all costs. Too bad I just lost the job that lets me live under the radar while putting food on my sister's plate. Enter an enticing werewolf who offers enough cash to upgrade our diets from ramen noodles to salami if I join him on a magical hunt. But can I afford to accept the opportunity when the risk of working closely with every fox shifter's sworn enemy is so great? This first book in USA Today bestselling author Aimee Easterling's newest series dives into a world of magic, danger, and romance. A vivid, dramatic, and eye-opening historical narrative, *The Man in the Iron Mask* reveals the story behind the most enduring mystery of Louis XIV ' s reign. *The Man in the Iron Mask* has all the hallmarks of a thrilling adventure story: a glamorous and all-powerful king, ambitious ministers, a cruel and despotic jailor, dark and sinister dungeons— and a secret prisoner. It is easy to forget that this story, made famous by Alexandre Dumas, is that of a real person, Eustache Danger, who spent more than thirty years in the prison system of Louis XIV ' s France—never to be freed. This narrative brings to life the true story of this mysterious man and follows his journey through four prisons and across decades of time. It introduces the reader to those with whom he shared his imprisonment, those who had charge of him, and those who decided his tragic fate. *The Man in the Iron Mask* reveals one of the most enduring mysteries of Louis XIV ' s reign; but it is, above all, a human story. Using contemporary documents, this book shows what life was really like for state prisoners in seventeenth-century France—and offers tantalising insight into why this mysterious man was arrested and why, several years later, his story would become one of France ' s most intriguing legends that still sparks debate and controversy today. From postwar Japan's darkest corners to present-day New York City's most exotic private places, one man runs from his own past and from the cult of remorseless assassins, *The Ninja*, which embodies the more sinister side of the Samurai tradition Trei died. He got roasted by a mage, for trying to be a hero. Things aren't so bad. At least he didn't stay dead. Summer's life was always difficult. Her world was on the verge of war, a politician threatening to take her crown. Resurrecting Trei was an accident, but it might be the last she'll be allowed to make. In this YA fantasy adventure by a New York Times –bestselling author, a shapeshifter must stop a demon from using a dragon to destroy the world. One thousand years ago, a wish was made, and a sword of rage and lightning was forged. *Kamigoroshi. The Godslayer*. A weapon powerful enough to seal away the formidable demon Hakaimono. Now he has broken free . . . Kitsune shapeshifter Yumeko has one task: take her piece of the ancient and powerful Scroll of a Thousand Prayers to the Steel Feather temple in order to prevent the summoning of the great Kami Dragon, who will grant one wish to whomever holds the scroll. But she has a new enemy now, more dangerous than any she has yet faced. The demon Hakaimono is free at last, and he has possessed the very person Yumeko trusted to protect her—Kage Tatsumi of the Shadow Clan. Hakaimono has one goal: break the curse of the sword and set himself free to rain chaos and destruction over the land forevermore. To do so, he will need the scroll. And Yumeko is the only one standing in his way. Books in the Shadow of the Fox trilogy: *Shadow of the Fox Soul of the Sword Night of the Dragon Praise for Shadow of the Fox* “ One of my all-time favorite fantasy novels! I ' m in love with this book, its characters, its worldbuilding! ” —Ellen Oh, author of the Prophecy and Spirit Hunters series “ Kagawa uses elements of Japanese mythology and folklore to spin an epic yarn . . . readers will be drawn into the world of Kagawa ' s first Japan-based fantasy; with its engaging action scenes and the cliffhanger ending, they will look forward to the next volume. Action-packed adventure. ” —Kirkus Reviews “ Kagawa ' s series starter never disappoints; she ' s a vet at putting realistic characters within believable worlds, here doused in Japanese folklore. ” —Booklist
