A collection of interviews with: Karl Marx - Theodore Roosevelt - Rudyard Kipling - Christabel Pankhurst - Sigmund Freud - Adolf Hitler - Benito Mussolini - Joseph Stalin - Mahatma Gandhi - Marilyn Monroe - Mao Tse-tung - Margaret Thatcher - Arthur Miller - John F. Kennedy - John Lennon - Pablo Picasso - Sigmund Freud - Tolstoy - Ibsen - Oscar Wilde. Lenin was a revolution. He lived and breathed and died for it. Born in 1870 in the sleepy Volga town of Simbirsk, he died in 1924 at the age of 53 having changed the course of history throughout the world. What was the genius that enabled Lenin to create and sustain a revolution that constantly hovered on the brink of utter chaos? It was his incredible strength of will and personality, his fantastic organisational ability and complete dedication to the goal of revolution which enabled him to surmount domestic dissension and disorder, political rivalries, and economic ruin. It was his supreme ability to adapt, to change, to pursue any means to achieve his ends that enabled the revolution to survive. Louis Fischer's book is based on meticulous sifting of the Soviet sources. The author first met Lenin in 1922 when the country was in the throes of revolution and remained a devoted scholar of Soviet affairs throughout the rest of his life. This book is a compilation of some of the famous quotes coined by the legendary Mahatma Gandhi and brought out on his 150th Birth Anniversary. Mahatma Gandhi was an institution in himself. He has been an inspiration to many world leaders who have followed his principles towards humanity, self-reliance and sacrifice. We believe that these quotes will enrich the knowledge of generations and those people who wish to take message and learn from his quotes. Wanda Petronski, a little Polish girl in an American school, is laughed at because she always wears a faded blue dress, until her classmates learn a lesson. *International Review of Cytology* A stunning facsimile of the 1919 first edition of William Butler Yeats's *The Wild Swans at Coole*: an elegant volume showcasing these poems as they would have first been read and a complement to facsimile editions *The Winding Stair* and *The Tower*. Published in 1919 during W.B. Yeats's "middle stage" and composed of poems written during World War I, *The Wild Swans at Coole* is contemplative and elegiac. This collection captures Yeats at a time when he was looking back on his life, coming to terms with the realities of modern war, reflecting on lost love, and defining his place in the world as a poet. It features forty poems, among them "The Fisherman," "In Memory of Major Robert Gregory," "The Wild Swans at Coole," and "On Being Asked for a War Poem." This facsimile of the original 1919 edition presents the reader with the work in its original form, with handsome old fashioned type, how readers and Yeats himself would have seen it in the early twentieth century. A great gift book and collector's item, *The Wild Swans at Coole* also includes an Introduction and notes by esteemed Yeats scholar George Bornstein. *Silas Marner* is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from Religion to industrialisation to community. The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: Each chapter starts with a To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. 'Exercise' is tuned to the pattern of examination. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d)

matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject. Case studies of economically disadvantaged children and their labor in different Indian industries. Our NEET Foundation series is sharply focused for the NEET aspirants. Most of the students make a career choice in the middle school and, therefore, choose their stream informally in secondary and formally in senior secondary schooling, accordingly. If you have decided to make a career in the medical profession, you need not look any further! Adopt this series for Class 9 and 10 today. In this novel the author draws back the curtains on a deeply felt and ongoing tradition. Through the eyes of the main character, Geeta, she goes behind the scenes into a way of life that has long been shrouded in mystery. When Geeta, an educated, outgoing young woman from Bombay, marries into a staunchly traditional family, she suddenly finds herself forced to live in purdah in her husband's ancient home, the haveli. Unable to escape from the conservative customs that now define her life, she struggles to hold on to the modern values she has grown to cherish. Can she discover new meaning and dignity in what at first seems to her a strange and stultifying existence? he Mark on the Wall is the first published story by Virginia Woolf. It was published in 1917 as part of the first collection of short stories written by Virginia Woolf and her husband, Leonard Woolf, called Two Stories. It was later published in New York in 1921 as part of another collection entitled Monday or Tuesday. These memoirs from one of the great leaders of our time are 'essential reading for anyone who wants to understand history - and then go out and change it' Barack Obama The riveting memoirs of the outstanding moral and political leader of our time, Long Walk to Freedom brilliantly re-creates the drama of the experiences that helped shape Nelson Mandela's destiny. Emotive, compelling and uplifting, Long Walk to Freedom is the exhilarating story of an epic life; a story of hardship, resilience and ultimate triumph told with the clarity and eloquence of a born leader. 'Enthralling . . . Mandela emulates the few great political leaders such as Lincoln and Gandhi, who go beyond mere consensus and move out ahead of their followers to break new ground' Sunday Times 'The authentic voice of Mandela shines through this book . . . humane, dignified and magnificently unembittered' The Times 'Burns with the luminosity of faith in the invincible nature of human hope and dignity . . . Unforgettable' Andre Brink In this urgent outpouring of American voices, our poets speak to us as they shelter in place, addressing our collective fear, grief, and hope from eloquent and diverse individual perspectives. "One of the best books of poetry of the year . . . Quinn has accomplished something dizzying here: arranged a stellar cast of poets . . . It is what all anthologies must be: comprehensive, contradictory, stirring." —The Millions **Featuring 107 poets, from A to Z—Julia Alvarez to Matthew Zapruder—with work in between by Jericho Brown, Billy Collins, Fanny Howe, Ada Limón, Sharon Olds, Tommy Orange, Claudia Rankine, Vijay Seshadri, and Jeffrey Yang** As the novel coronavirus and its devastating effects began to spread in the United States and around the world, Alice Quinn reached out to poets across the country to see if, and what, they were writing under quarantine. Moved and galvanized by the response, the onetime New Yorker poetry editor and recent former director of the Poetry Society of America began collecting the poems arriving in her inbox, assembling this various, intimate, and intricate portrait of our suddenly altered reality. In these pages, we find poets grieving for relatives they are separated from or recovering from illness themselves, attending to suddenly complicated household tasks or turning to literature for strength, considering the bravery of medical workers or working their own shifts at the hospital, and, as the Black Lives Matter movement has swept the globe, reflecting on the inequities in our society that amplify sorrow and demand our engagement. From fierce and resilient to wistful, darkly humorous, and emblematically reverent about the earth and the vulnerability of human beings in frightening times, the poems in this collection find the words to describe what can feel unspeakably difficult and strange, providing wisdom, companionship, and depths of feeling that enliven our spirits. A portion of the advance for this book was generously donated by Alice Quinn and the poets to Chefs for America, an organization helping feed communities in need across the country during the pandemic. "Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET. Using Agile methods, you can bring far greater innovation, value, and quality to any data warehousing (DW), business intelligence (BI), or analytics project. However, conventional Agile methods must be carefully adapted to address the unique characteristics of DW/BI projects. In Agile Analytics, Agile pioneer Ken Collier shows how to do just that. Collier introduces platform-agnostic Agile solutions for integrating infrastructures consisting of diverse operational, legacy, and specialty systems that mix commercial and custom code. Using working examples, he shows how to manage analytics development teams with widely diverse skill sets and how to support enormous and fast-growing data volumes. Collier's techniques offer optimal value whether your projects involve "back-end" data management, "front-end" business analysis, or both. Part I focuses on Agile project management techniques and delivery team coordination, introducing core practices that shape the way your Agile DW/BI project community can collaborate toward success Part II presents technical methods for enabling continuous delivery of business value at production-quality levels, including evolving superior designs; test-driven DW development; version control; and project automation Collier brings together proven solutions you can apply right now--whether you're an IT decision-maker, data warehouse professional, database administrator, business intelligence specialist, or database developer. With his help, you can mitigate project risk, improve business alignment, achieve better results--and have fun along the way. The women in this book are not extraordinary or famous, and yet their stories and testimonies, narrated here by one of India's best-known women journalists, provide a passionate, often deeply touching, revelation of what it means to be a woman in India today. The women tell of marriage and widowhood, unfair work practices, sexual servitude, the problems of bearing and rearing children in poverty, religion, discrimination, other forms of exploitation ... Yet they also talk of fulfilling relationships, the joys of marriage and children, the exhilaration of breaking free from the bonds of tradition, ritual, caste, religion ... Interwoven with all this is the story of one woman's

journey--of how Anees Jung, the author, brought up in purdah, succeeded in shaking off the restricting influences of her traditional upbringing to become a highly successful, independent career woman, still a comparatively rare phenomenon in India. As such, the book is essential reading for anyone wishing to understand the women of India-the silent majority that is now beginning to make itself heard. For nearly thirty years from 1940, the Gemini Studios of Madras was the most influential film-producing organization of India and its founder, the brilliant multi-faceted entrepreneur S. S. Vasan lent substance and quality to the rather fragile and unpredictable movie business. Sahitya Akademi award-winning Tamil writer Ashokamitran worked for the Gemini Studios from 1952 to 1966. A full twenty years after Ashokamitran renounced films, poet-editor Prithvi Nandy persuaded him to record his reminiscences and the result was a series of articles making up My Years with Boss.
