Where were Venetian blinds invented? What color is the black box on a commercial airplane? Where did India ink originate? \* Most of us know more than we think we know. We also think we know more than we actually do because some of what we think we know simply "ain't so." We all harbor misconceptions that are accepted not only because they are popular but also because they make sense. It makes sense to believe, for example, that German chocolate originated in Germany rather than the truth: that German chocolate is so named because it was created by Sam German. It seems logical to believe that Mercury is the hottest planet because of its proximity to the sun, or that buttermilk contains butter, that Danish pastry is from Denmark, and that the boat race America's Cup was named after the United States of America. You'll learn everything you could have wondered about World War II and then some. You might think you already know a lot about World War II, but I guarantee that the World War II Quiz Book will introduce you to new facts, people, and events. It will be like you were there fighting the battles on the Eastern Front, North Africa, and the Pacific. So, what will it take to become a buff? Using our layman's manual, the answer is: very little. With wieldy chapters specifically designed for facts on the go, this guide is guaranteed to get results, and all you need are a few spare minutes per day. Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.
