Beyond Esoteric Jun 23 2020 Nothing in this world works the way you think it does; there is always more to the story. Be aware that there is a war for your mind and your soul. Corporations have taken over governments in a new form of Fascism that now incorporates high technology and artificial intelligence. The survival of the human race may depend on breaking the Embargo of truth, and collectively developing an ÜberMind. But truth always resonates! Beyond Esoteric takes off the kids gloves, and exposes the control grid extending its tentacles across the planet. The word occult means nothing more than to study the realm of the hidden. So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know. Everything we think we know about the world and the universe in which we live, whatever we have been led to believe concerning the course of human history, could very well be completely wrong, distorted and misinformed. The 19th century teachers of the occult could never have imagined escaping prison planet in the 21st century we now face, one that extends far Beyond Esoteric.

The gospel of peace. what you are the world is. your transformation changes the world Jan 19 2020 Love will always triumph over Evil The world is ruled by a handful of Super Rich. These, in their short-sighted management of the planet, are leading Humanity to its own self-destruction. The problem is that the same destructive dynamics, typical of the egoic mind that dominate the Universal Masters, also dwell in us common mortals, so on a smaller scale we are all co-responsible for the current situation. Do we want to continue on this path, remaining in our 'old ego', and thus become passive accomplices of Humanity's self-destruction? Or do we want to be protagonists of the global Awakening of Consciousness, to head towards a New Promised Land, save ourselves from the nuclear holocaust, and build the Earthly Paradise? But how to "Be the change we want to see realised in the world?" Meditation and daily good deeds, are direct routes to Happiness and World Peace. When we are in meditation and we reach the state of enlightenment, then we feel a force within us that is not of this world, an unlimited trust thanks to which we fear nothing, not even a possible atomic holocaust, and we perceive something that cannot be described in words, a sense of well-being, Peace and unconditional Love, and all this turns into a universal force capable of uniting all the consciousnesses that populate the Infinite Universe. If we perceive this Love within us, we already become immortal, as we are destined to fly away to the stars, should self-destructive collective

unconsciousness prevail on this planet. In the final analysis we can affirm: Love always triumphs, even in the case of self-destruction, if it does not win here it will win elsewhere, in fact as Giordano Bruno said, there are Infinite peopled worlds, in which Peace reigns forever and ever. Leading mysteries researcher Andy Thomas pulls the many threads together in an accessible, stimulating and credible overview which suggests that our world may be very different from the picture presented by the establishment. The Truth Agenda shows how we can avoid control manipulations and help to create a more positive future. Why do so many people believe in conspiracy theories, and what is the evidence to support them? What is the basis for the wide belief that we are now in a 'New Era' of massive change and consciousness shift? Why is there such huge but officially undeclared interest in paranormal phenomena from authorities and religions? How does all this tie together and explain the agendas of control and surveillance in the West, and what can we do?

UFOs, Conspiracy Theories and the New Age Jan 23 2023 How-and why- were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post-Cold War period? In this ground-breaking book, David G. Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge, and thus became part of a shared vocabulary. Through historical and ethnographic case studies of three prominent figures-novelist and abductee Whitley Strieber; environmentalist and reptilian proponent David Icke; and David Wilcock, alleged reincarnation of Edgar Cayce-the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age failed to arrive-it was prevented from arriving by malevolent, hidden others. Yet millennial conspiracism constructs a counter-elite, a gnostic third party defined by their special knowledge. An overview of the development of UFO subcultures from the perspective of religious studies, UFOs, Conspiracy Theories and the New Age is an innovative application of discourse analysis to the study of present day alternative religion.

Ozmosis Book One May 03 2021 Book Synopsis: What we are seeking to do on our world today with genetic engineering, nanotechnology, mega-cities galore alongside of poverty, modern day slaves, all the oceanic plastic pollution, the burning and deforestation of our rainforests, etc., and the never ending jungle of mobile phone masts that is trying to go up in its place – is absolutely insane!! But the issue is, how can we possibly stop all this insanity from all the mental health issues that are evident around the world, when it is our dysfunctional minds that is the root cause and the very thing in the way that is hindering a change for the better? It is to shoot ourselves in the foot before we can even get started! So, what can possibly be the answer to this mental conundrum that we are all faced with? Else, if we don't find this answer, then we are all doomed to continue on a one-way trip toward an ever increasing decline of insanity, with a nuclear global holocaust disaster being the most likely end result. I would say that the answer that we are all looking for can be found in us getting back in touch with our feelings, rather than us being on auto-pilot of the subconscious mind, with the never-ending snap chat activity of a restless stream of dysfunctional thoughts. We have to get back in touch with our feelings to know the truth about ourselves being souls, as opposed to us being minds! We have to get out of the mind, and back to the core reality of us being souls. That is the only authentic way for us to engage the path of repairing our minds, rather than trying to use our dysfunctional minds – to heal our minds! Because, the latter is what will lead to the greatest disaster to befall us for all time! It is the path that will lead us down to a cul-de-sac of an utter state of chaos, with nothing but suffering in store for the whole of humanity. Ozmosis is about avoiding this disaster to restore sanity and sovereignty back to the human race, that the world and its people have been calling out for and seeking, for far too long without a legitimate response. And the curriculum of Ozmosis ... is that response! Green Synopsis: Civilization is at a turning point. It is about to shed off its old dying skin of being an unsustainable toxic thorn in the side of Earth, to being a warm embrace of a co-partnership of habitation within the folds of Nature's arms. We are at a pivotal point to make this transition. And the proof will be in the pudding for those who are willing enough to rise to the challenge to play a part to make this possible. But...it's not just a simple case of recycling your waste, and using energy efficient light bulbs, or buying products with commercial icons that supposedly suggest that it's green and eco-friendly. It requires a paradigm shift and a major awakening of an enormous magnitude to bring this about. It is not something for the faint of heart, but it will certainly ensure that you have a heart, rather than letting the planet burn and drown in untold pollution and squalor as things currently stand. Because there is no future in that! That is the future of a wasteland, as opposed to a paradise. It is an unfortunate outcome for those who are wasters, rather than for those who picture themselves basking in the rewards of the fruits of the Grail. Because a Grail Quest is what must ultimately be undertaken to restore paradise to Earth! And, Ozmosis is a tailor-made guide for a modern day Quest for the Grail – for the modern times in which we live – to help us from start to finish to make this transition to become an authentic reality for us all on Earth.

The Ruling Elite May 23 2020 Lincoln's war, the North's attack on the South, took the life of 622,000 citizens and altered the government's structure. Marx and Engels watched the war from afar and applauded his efforts. The media and our government-controlled schools have presented a deceptive view of every historical event and have whitewashed the most scandalous political leaders and vilified leaders who have worked in the best interests of the people. Following Lincoln's precedent-setting war, we have been repeatedly lied into wars. Currently, our young men and women shed their blood in foreign lands while well-connected corporations make massive profits rebuilding the infrastructure that other corporations have demolished. Meanwhile, our politicians, possessing inside knowledge, grow richer through their investments and the bribes they accept from deep-pocketed lobbyists. They have not listened to their constituents for decades. CIA thugs, in behalf of the corporations, commit terrorist acts in other countries which the U.S. government and media blame on the so-called insurgents. In 2010, the Pentagon paid the following to the top five out of 100 (1) Lockheed Martin Corp. \$16,700,588,328; (2) Northrop Grumman Corp. \$11,145,533,497; (3) Boeing Co. \$10,462,626,196; (4) Raytheon Co. \$6,727,232,555; (5) Science Applications International Corp. \$5,474,482,583. Yet, throughout the country, vital infrastructure is crumbling and politicians are selling taxpayer-funded public properties to private interests as a profitable venture. The new owners exploit the public by raising service rates while diminishing the services.

Nothing in our universe escapes impermanence. Keep the truth "it won't last" in your mind. Strength comes from realizing that other people are going through what you're going through. Pain and suffering can't be avoided and sometimes come acutely. Fierce experiences are a part of life. Negative self-talk increases their effect, while positive self-talk keeps you calm. Use your words to turn negative thoughts into positive ones. Deal with stress through your self-talk. We all talk to ourselves, either out loud or in our heads. Your positive self-talk will reduce stress and help you deal with situations that cause you stress. Control your thoughts and words. Stress and anxiety can help us make the necessary changes in our lives and help us to act in our best interest. Everyone has feelings of nervousness, tension, and stress at times. Practice relaxation techniques to control your mind. Deep breathing helps the entire body let go and loosen up. Within days, a dozen of the President's co-conspirators follow his lead. A nervous nation waits with other governments and power brokers around the globe for the twelfth person in the U.S. Presidential line of succession to take the oath of office. This is not only that person's story, Dr. Mason Edwards embodies a resolute spirit that resides within freedom-loving people everywhere. The prophecies in the Bible have a great deal to say about this, but one prophecy has been overlooked... until now. "I will explain to you the mystery of the beast who once was, now is not, and yet will come. This calls for a mind with wisdom (Revelation 17: 7- 9)." Here we are told that the Beast, the son of Satan, once lived, but at one time he was not alive, and that he would live again. The Beast will seem to recover from a fatal wound (Revelation 13: 3). Not a nearly fatal wound. He will seem to recover from death! In the end times he will be seen to rise from the grave in imitation of Jesus Christ. Who was the Beast? But more importantly, why is that mysterious fraternity of Freemasons preparing to come to his aid? We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was.

Government Secrets and Cover-ups Aug 26 2020 GOVERNMENT COVER-UPS Why on earth would I dare write a shocking book as this one? The simplest explanations, people ALL over the world are naïve and ignorant to what conspires within their own government or of religion, for that matter. These two words dominate people's thoughts everywhere. What it boils down to is, the nature of the human race believes that "what they do not know will not hurt them". I have to disagree with this philosophy because it can hurt you and even kill you. This is what MOST governments rely on, for people to disbelieve, what is the real truth? Lies are more profitable and who will believe the truth anyway? The truth seems to come out of a science fiction novel. Propaganda rules because the public refuses to believe that this is not the ninetieth or twentieth century anymore. There are new inventions of warfare that most have never heard of. A large amount of ground troops and bombings are becoming obsolete because of laser cannons, robots and the "High Frequency Active Auroral Research Program" (HAARP) project. What better ways to exterminate the over-population then blame it on the weather so the government gets away with "legalized MURDER"? WHY is it so hard to understand or believe, when in reality, people believe in sasquatches (Big Foot), Yeti, abdominal snowman, UFO's, ghost or even living zombies because of panic but they deny government conspiracies? More advanced countries in technology consider "Oriental Countries" as being expendable, to be used as human guinea pigs. Everybody just witnessed this from the typhoon 'Yolanda in the Philippines, November 8, 2013, before that an Indonesia earthquake followed by a large tidal wave and then a Japan catastrophe. WAKE UP before you become the casualty or of your own family. It is getting worse every day. It is getting worse every year; most do not care or are oblivious to the facts so get educated to reality.

THE LUCIFERIAN AGENDA Oct 16 2019

Black Blood = 21st Century Oil Rush Nov 28 2020 Noel Robertson was born during WWII. He worked hard to gain qualifications in school, banking and then general construction. All the time Noel had a nagging question - "Why are we so poor and who are these people controlling everything?" A Jewish friend told him that 'only fools work!' This made him think, so he embarked on various self-employed activities. Becoming ill at age 51, he has not worked since. He started his research into the history of mankind which took place way before all those Biblical stories - he needed to know the origins of our species and set out to find the 'missing' link according to Charles Darwin. Time allowed Noel to read numerous books allied to this subject, including those written by Zecharia Sitchin setting out his translations of the Sumerian Tablets. Noel basically found out where we, as a human race, came from. It was these findings that led to Black Blood = 21st Century Oil Rush. This brings right up to date the reasons for wars, both historical and current, which mankind has had to endure. Man has simply given his mind away! If you think you are free, then think again. It is a journey from pre-history, through Biblical times, the renaissance period to the present. Imperialist administrations are still fighting wars over the 'control' of modern energy -

oil and gas - and indeed human minds. Man is being drawn in with most of the world not realising and understanding the covert powers at work here. Black Blood = 21st Century Oil Rush provides some very interesting answers - true understanding is highly controversial. Just substitute the word 'God' for 'space-ship' and 'global' for New World Order and enter Noel's world.

Conspiracy Theories Nov 16 2019 Narratives based on conspiratorial and paranoid thinking have become increasingly prominent throughout the 20th and 21st centuries. From the prosaic to the outlandish, conspiracy theories involve aliens and Nazis, underground bases and mind control technology. They range from sinister tales of malevolent reptilian beings infiltrating our government to fears of the New World Order rounding up patriotic Americans and putting them into internment camps. These stories and their underlying concerns have a long history in the U.S. and have often been bolstered by revelations of real conspiracies and cover-ups by private and public entities. This book examines conspiracy theories and the narratives constructed by those who believe and propagate them, providing a unique view of U.S. history and highlighting fears both founded and unfounded.
