"Po, an oversized panda with even bigger dreams, works in his father's noodle shop. But when a twist of fate sets him on course to become the mighty Dragon Warrior, Po isn't sure he can succeed--and neither is anyone else"--Amazon.com. New York Times and USA TODAY bestselling author Brenda Novak brings you a trilogy that Publishers Weekly called "a great read." Every town has its secrets—and Stillwater, Mississippi, has more than most! Starting with a murder almost twenty years ago... The people of Stillwater, Mississippi, are asking questions about murder. Again. Twenty years ago Madeline Barker's father disappeared. Despite what everyone else thinks, Madeline's convinced her stepfamily had nothing to do with it. But the recent discovery of his car finally proves he didn't just drive away. Worse, the police find something in the trunk that says there's more to this case than murder. With no other recourse, Madeline decides to hire a private investigator—even if the cops don't like it. Even if her family doesn't like it. But when P.I. Hunter Solozano begins to uncover some shocking evidence, someone in Stillwater is determined to put a stop to Madeline's search for the truth. And that means putting a stop to her. Permanently. In New York Times bestseller Allison Brennan's *Cold as Ice*, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy's life hell. The plot begins with Lucy's husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean's innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean's brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn't have the resources or patience to execute such a devious plan. Did Elise's father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn't find the answers fast, Sean will die. The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the *Keepers of the Veil* series is STANDALONE: * *Protecting His Witch* * *His Witch to Keep* * *Playing the Witch's Game* Una volta eri l'uomo che odiavo, ma ti ho perdonato per quello che hai fatto. Ora tocca a te perdonarmi. No, non ti ho tradito, nemmeno lontanamente. Ma ho commesso un errore enorme, di quelli che fanno sopravvivere poche relazioni. E adesso? Dove andremo? È stata la cosa più stupida che abbia mai fatto, e ha cambiato tutto. Troverai nel tuo cuore la forza per perdonarmi? O è la nostra fine? ** ANCORA NON MI FIDO DI TE è il secondo libro della COPPIA dei nemici -

Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance.

Award-winning author Lynne Hugo returns with a life-affirming, poignant novel in the spirit of *A Man Called Ove*—a story brimming with both wit and warmth about how a family gets on . . . and goes on. CarolSue and her sister, Louisa, are best friends, but haven't had much in common since CarolSue married Charlie, moved to Atlanta, and swapped shoes covered with Indiana farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. But canning vegetables and feeding chickens are alien to CarolSue, and she resolves to return to Atlanta—until Louisa's son, Reverend Gary, arrives with an abandoned infant and a dubious story. He begs the women to look after the baby while he locates the mother—a young immigrant who fears deportation. Keeping his own secrets, Gary enlists the aid of the sheriff, Gus, in the search. But CarolSue's bond with the baby is undeniable, and she forms an unconventional secret plan of her own. How many mistakes can be redeemed? But the hauntingly beautiful fugitive seeking his aid affects him so deeply, he wonders if he can trust the flawless judgment he has always relied on. Attuned to a world of natural signs—the stars, the winds, the curl of ocean swells—Polynesian explorers navigated for thousands of miles without charts or instruments. They sailed against prevailing winds and currents aboard powerful double canoes to settle the vast Pacific Ocean. And they did this when Greek mariners still hugged the coast of an inland sea, and Europe was populated by stone-age farmers. Yet by the turn of the twentieth century, this story had been lost and Polynesians had become an oppressed minority in their own land. Then, in 1975, a replica of an ancient Hawaiian canoe—Hōkūle'a—was launched to sail the ancient star paths, and help Hawaiians reclaim pride in the accomplishments of their ancestors. *Hawaiki Rising* tells this story in the words of the men and women who created and sailed aboard Hōkūle'a. They speak of growing up at a time when their Hawaiian culture was in danger of extinction; of their vision of sailing ancestral sea-routes; and of the heartbreaking loss of Eddie Aikau in a courageous effort to save his crewmates when Hōkūle'a capsized in a raging storm. We join a young Hawaiian, Nainoa Thompson, as he rediscovers the ancient star signs that guided his ancestors, navigates Hōkūle'a to Tahiti, and becomes the first Hawaiian to find distant landfall without charts or instruments in a thousand years. *Hawaiki Rising* is the saga of an astonishing revival of indigenous culture by voyagers who took hold of the old story and sailed deep into their ancestral past. Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do. BOOK 1 (CAVALIER) Creed 'Too Hot for Words' Christopher If God created the perfect man he would closely resemble Creed, on the outside that is. He's as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it's the most magical thing I've ever experienced. And I'm sucked in time and time again. Like a moth to the flame, I am ready to be set alight. Elicea 'F*cks With My Head' Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it's my work. Not one of them has managed to get their claws into me the way she does. It's as if she's seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But that can't work, it won't work. Not in my world.

BOOK 2 (ANGUISHED) It wasn't meant to be this way—she shouldn't have fallen for my brother and left me for him. But she did. And now I'm left to pick up the pieces of my shattered, broken heart. And to top it off, they want me to come to their wedding. Do they think I'm a pushover? Do they think of me as a joke? The old saying stands true, 'Why have enemies when you can have family.' I understand it now, better than I ever have in my life. There's one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She's exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them. Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well? I've been through hell to get to this place. To wear the perfect white dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and failed. Or maybe I'm still trapped in hell because the devil is here too. He lurks at my side, plotting terrible ways to make me his. It's win at all costs in this family, and I know now just how far the

Hales will go to get what they want. But you can't survive in a house full of lies without learning the art of deception, and once I become a Hale, I'll show them exactly what I've mastered. THE DECEPTION is the third and final book in the twisted Filthy Rich Americans trilogy. It should be read after THE INITIATION and THE OBSESSION. A stunning and timely novel about a Mexican-American family in Brownsville, Texas, that reluctantly becomes involved in smuggling immigrants into the United States. From a distance, the towns along the U.S.-Mexican border have dangerous reputations--on one side, drug cartels; on the other, zealous border patrol agents--and Brownsville is no different. But to twelve-year-old Orly, it's simply where his godmother Nina lives--and where he is being forced to stay the summer after his mother's sudden death. For Nina, Brownsville is where she grew up, where she lost her first and only love, and where she stayed as her relatives moved away and her neighborhood deteriorated. It's the place where she has buried all her secrets--and now she has another: she's providing refuge for a young immigrant boy named Daniel, for whom traveling to America has meant trading one set of dangers for another. Separated from the violent human traffickers who brought him across the border and pursued by the authorities, Daniel must stay completely hidden. But Orly's arrival threatens to put them all at risk of exposure. Tackling the crisis of U.S. immigration policy from a deeply human angle, *Where We Come From* explores through an intimate lens the ways that family history shapes us, how secrets can burden us, and how finding compassion and understanding for others can ultimately set us free. She has a new baby with the love of her life and Christmas is almost here. It should be the best time of her life.... right? Sergei is completely smitten with his wife, his son, and the new baby, but he knows something is bothering Dani. Between being on the road with the Blizzard and trying to spend time with the kids, he's not there for her the way he wants to be. As the holiday barrels down on them, nothing is going according to plan. Sergei is determined to salvage what he can of a complicated holiday season.
