Dom's Guide to BDSM is your secret handbook for methods of dom/sub activity, containing various strategies and must-know guidelines on how to get the most out of your BDSM experience. This eBook serves as a friendly guide for the dom/master, including all of the imperative steps on how they can indulge in a dom/sub relationship, including some important terms and strategies about the basics of BDSM. This also includes a step-by-step blueprint and exciting know-how on how to train your sub and how to play with them. BDSM, also known as Bondage and Discipline, Domination and Submission/Sadomasochism has been a common practice of people who seek intense sexual pleasure for centuries. BDSM comes naturally to most individuals, since many generally crave to be dominant while others love the pain-pleasure experience of being

submissive. For many, BDSM is highly erotic compared to normal sex as it brings about different excitement and fun for both dom/sub. It is designed to provide intense pleasure with some element of pain typically involved in the act or acts. It is more of a 'power game' rather than passionate sex. In the game of BDSM, dom/sub relationship it takes time and dedication to learn how to play your role. It should be properly crafted and carefully planned to create a lasting union as you enjoy the sexual activities together. So in order for you and your sub to get the most out of your BDSM experience, this book was specifically written to give you the ideas and the proper strategies on how you can train your new sub from practicing BDSM, on up to the closing ceremony. You may think that every Master has a huge house filled with either gothic décor or fluffy white couches, and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys, and bondage gear. Fortunately, you

don't have to pay a hundred dollars for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun. Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime, or just an incredible bondage experience can be found right in your own home. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity. "Dom's Guide to Submissive Training Vol. 3" gives you 31 common objects you already own or can purchase for minimal cost and keep right out in the open that will enhance your BDSM relationship and provide you and your sub hours of pleasure. Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun - discretion. Not every person can be seen walking down the street or through an airport with a leather whip in his hand

or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles, or vanilla spouses. Common objects make it easier to engage in important rituals without detection. Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The

master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss:

- How to think and act like a Dom
- What the slave expects from you
- What not to do and what instincts you do NOT want to follow
- Your motivation and your goals
- How to find out a sub's taboo
- How to negotiate, find agreement and ensure that game play is always safe
- How to make a slave yearn for you and desire to be controlled by you
- And much more...

Domination and submission:

Collection of writing from a submissive heart. love from deep in her soul. Matteo Angelico, former Marine and experienced, longtime dominant, knows what he likes--sexy, submissive women who do what they're told and are willing and able to give him the control he craves. But he also knows what he doesn't like--the demands of a full-time dynamic and a committed relationship. He's happy to leave the flowery romance to his twin brother

Dominic, and Dom's fiancée, Heidi. So why can't he get the one girl who wants it all out of his head? Hillary Morrow has learned all too well that D/s relationships don't always have fairy tale endings--the last dominant she met online betrayed her trust in every possible way. When Matteo offers to give her the accountability and discipline she needs, she eagerly accepts, even when she finds herself taken across his knee. As Hillary and Matteo's siblings plan their wedding, the two of them find themselves in frustratingly romantic scenarios, but still manage to maintain a semblance of distance. However, when Hillary finds herself the target of a stalker, she and Matteo are thrown together and sparks fly. Dom. When he sees something he likes, or more accurately, something his d**k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only

has she bumped into just about every person in the club, but one of the men—a very handsome and extremely rude stranger—not only follows her, but suggests that they "do it" in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others? Raine Kendall has everything a woman could want...almost. Sexy, tender Dom Liam O'Neill is her knight in shining armor, but Raine keeps pinching herself. Is he too good to be true or is this growing connection one that could last a lifetime? She's constantly torn by her abiding feelings for her commanding boss, Macen "Hammer" Hammerman, especially in the wake of the mind-blowing night he cast aside the barriers between them and ravaged every inch of her body. Hammer, Liam's former best friend, can't stop coveting Raine. But Liam is determined to hold and guide the woman he loves and see if she can be the submissive of his dreams. However, he's finding that her trust is hard won and he needs a bloody crowbar to pry open

her scarred soul. So he risks everything to win her once and for all. But once he's put his daring plan in motion, will it cost Liam his heart if he loses Raine to Hammer for good? Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a "good idea" when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can

be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace. Vanessa Harris seems to be having a bad night. She's been abandoned by friends, has had to avoid a "dominant" freak of nature, and worst yet, she seems to find herself the object of attention to a man that can barely seem to speak English. Vanessa isn't interested in an interracial relationship, yet it

seems Mr. Handsome blonde isn't getting the message. It could also be because her rebuttal has been given pretty half hearted at best. Freyr seems to be having a terrible life. He's divorced, transplanted into a whole new world, and is almost incapable of understanding the current culture. He's not really looking for a love interest, but when he finds his way to Vanessa, he knows that he would be a fool to let the chance pass him by. He's insistent that they need to be together, regardless of color, and regardless of what his crazy ex-wife thinks. Freyr knows that he's a man determined to get what he wants...even if he has to use the tricks of a dominant to get his way. Vanessa may not believe that she's submissive, but Freyr knows that he has her interest. And everything else, is simply details to be worked out much later. Love. Empowerment. Family. Includes: Protect Katie's the key witness to a murder. Webber's the cop investigating the crime. From the moment

the two meet, sparks fly, but could she be his downfall? Betrayal Betrayed by her boyfriend and sold to sex traffickers, Phebe has a long road to recovery. Donovan admires her strength, but keeps his Dominant side from her. Can she heal from tragedy and embrace the submissive hidden inside her? Absolution Growing up in foster care together, Gina loved Leo. When he left, he not only broke her heart, but unknowingly left her in danger. Now he's back, but the damage is done and she may not be able to forgive him. "Three women. One night. Four Doms to rope them up, ride them hard, and brand their hearts. It's Western Night at Dark Haven." A GOOD sub WOULD by Sierra Cartwright Shelby, a wanna-be sub, hasn't found a Dom strong enough to push past her need to be in control. Her experiences as a sub have been yawn-inducing. She's fantasized plenty, though, about Trevor Lawton, one of Dark Haven's legendary, mouthwateringly firm Doms. As the stakes get higher at the

charity poker match, Dom Trevor Lawton is fascinated by the woman kneeling across the table from him. Problem is, she's not a good sub. Oh, she tries, and she's lovely. But she's not very good at following orders. The woman needs a firm, unyielding hand...his.

HUNTING HOLLY by Belinda McBride When Holly left the Truckee pack, she left her family, her safety, and the two men she loved. Now she's in San Francisco training as a Domme at Dark Haven. She thinks she's found herself, but tonight, Tex and Hunter have found her. And they are not happy with their little wolf. She's been keeping secrets from them. Tonight, someone's gonna beg. WELCOME TO THE DARK SIDE by Cherise Sinclair Real Doms terrify her, so Summer plays with lightweights only.

And only in the safety of her club, Dark Haven. But on Western Night, the tough cop who wins her in a sub-roping game is as powerful as they come. Virgil's first taste of BDSM was disturbingly enticing. Hoping to burn out his interest, he visits an infamous San Francisco club, where he wins himself the prettiest little sub he's ever seen. He's in a quandary. A man shouldn't render a woman helpless, let alone spank her ass. But the nervous little submissive clearly loves being in his ropes. Her need to be controlled is as powerful as his need to control. So he indulges himself, and her. That one night could be the beginning, but instead it's the end. She won't play outside the club and he lives too far to come play. He'll just have to find a way to forget her...or get her in his ropes to stay. Volume 1 in this series (Dom's Guide To BDSM Vol. 1: 49 Must-Know Tips On How To Be The Perfect Dom/Master Your submissive Will Truly Respect & Admire), it is highly recommended that you do so before taking on this book. There are two foundational pillars of a BDSM relationship between a Dom and a sub: consent and trust. Everything else in the relationship - the fun, the love, the discipline, the eroticism, the tears and the journey - are all built on those standards. Both consent and trust require honest communication in order to thrive. The vast majority of that communication begins long before the training begins. In "Dom's Guide to Submissive Training Vol. 2," I listed 25 things you must know about your new sub if you want to create a satisfying relationship with a devoted submissive. It's not enough to just ask "What do you like?" or "Would you like to be my sub?" You need to know things about your sub that are deeper, more practical and helpful. Without the

knowledge of these 25 things, you may be able to create momentarily excitement but it will surly turn into a frustrating short-term relationship headed for drama, disaster and end. Following this guide allows your sub to communicate freely and provides a mechanism for her to reveal her true self - even if she doesn't have the words to do so. There are a million things subs want their Doms to know. These questions will help your sub tell you. A collection of three horny stories about submissive women and their Doms: Submission - After sub wife, Suzi had assisted her husband and Master in the seduction of her little step sister, Debbie, she now helps him train her properly as a submissive. Blacking My Wife - Suzi the submissive wife had proven herself willing to do anything at her husband's bidding for their mutual pleasure. She did, however, still have one hang up. Her sheltered countryside upbringing had made her nervous around black people. That gave Damion the great

idea of how to push her sexual boundaries next. His gorgeous wife was going to be blacked. Training my Mate's Wife - Damion saved his marriage by training his wife to be completely submissive and Suzi accepted the training because she didn't want to lose him. His best mate is going through a different but equally time with his unfaithful wife. He turns to Damion for help and the Dom agrees to train her too. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of

what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss:- How to think and act like a Dom- What the slave expects from you- What not to do and what instincts you do NOT want to follow- Your motivation and your goals- How to find out a sub's taboo- How to negotiate, find agreement and ensure that game play is always safe- How to make a slave yearn for you and desire to be controlled by you- And much more... After rescuing the budding runaway from an alley behind his exclusive BDSM Dungeon, he has come to covet the pretty submissive. But tragedy has taught him that he can never be what she needs. So he watches over her while struggling to keep his distance. Liam's crafty plan blindsides Hammer, especially when he sees how determined his friend is to possess Raine for his own. Hammer isn't ready to give the lovely submissive over to any other Dom, but can he heal from his past and fight for her? Or will he lose Raine if she truly gives herself-heart, body, and soul-to Liam? BDSM - do these four letters bring shivers of pleasure - or pain down your back?
