If You Tell Apr 22 2020 A #1 Wall Street Journal, Amazon Charts, USA Today, and Washington Post bestseller. #1 New York Times bestselling author Gregg Olsen's shocking and empowering true-crime story of three sisters determined to survive their mother's house of horrors. After more than a decade, when sisters Nikki, Sami, and Tori Knotek hear the word mom, it claws like an eagle's talons, triggering memories that have been their secret since childhood. Until now. For years, behind the closed doors of their farmhouse in Raymond, Washington, their sadistic mother, Shelly, subjected her girls to unimaginable abuse, degradation, torture, and psychic terrors. Through it all, Nikki, Sami, and Tori developed a defiant bond that made them far less vulnerable than Shelly imagined. Even as others were drawn into their mother's dark and perverse web, the sisters found the strength and courage to escape an escalating nightmare that culminated in multiple murders. Harrowing and heartrending, If You Tell is a survivor's story of absolute evil--and the freedom and justice that Nikki, Sami, and Tori risked their lives to fight for. Sisters forever, victims

no more, they found a light in the darkness that made them the resilient women they are today--loving, loved, and moving on.

The Tiger Oct 21 2022 It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. To the horrified astonishment of a team of hunters, it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between two main characters: Yuri Trush, the lead tracker, and the tiger itself. Culminating in a showdown deep in the Siberian forest, *The Tiger* is a haunting, spellbinding tale of a hunt to the death; of man and nature in collision; of the ancient relationship between predators and prey; and an intimate portrait of a remarkable animal and its increasingly threatened world.

Based on a True Story Aug 07 2021 'A wonderful literary trompe l'oeil: a book about friendship, writing and the boundary between reality and fantasy ... Dark, smart, strange, compelling' Harriet Lane, bestselling author of *Her Overwhelmed* by the huge success of her latest novel, exhausted and suffering from a crippling inability to write, Delphine meets L. L. embodies everything Delphine admires; sophisticated and unusually intuitive, she slowly but deliberately carves herself a niche in the writer's life. However, as she makes herself indispensable to Delphine, the intensity of this unexpected friendship

manifests itself in increasingly sinister ways. And as their lives become further entwined, L. begins to threaten Delphine's identity and her safety.

True Story Dec 11 2021 Named a Best Nonfiction Book of 2022 by Esquire A sociological study of reality TV that explores its rise as a culture-dominating medium—and what the genre reveals about our attitudes toward race, gender, class, and sexuality What do we see when we watch reality television? In *True Story: What Reality TV Says About Us*, the sociologist and TV-lover Danielle J. Lindemann takes a long, hard look in the “funhouse mirror” of this genre. From the first episodes of *The Real World* to countless rose ceremonies to the White House, reality TV has not just remade our entertainment and cultural landscape (which it undeniably has). Reality TV, Lindemann argues, uniquely reflects our everyday experiences and social topography back to us. Applying scholarly research—including studies of inequality, culture, and deviance—to specific shows, Lindemann layers sharp insights with social theory, humor, pop cultural references, and anecdotes from her own life to show us who we really are. By taking reality TV seriously, *True Story* argues, we can better understand key institutions (like families, schools, and prisons) and broad social constructs (such as gender, race, class, and sexuality). From *The Bachelor* to *Real Housewives* to *COPS* and more (so much more!), reality programming unveils the major circuits of power that organize our

lives—and the extent to which our own realities are, in fact, socially constructed. Whether we're watching conniving Survivor contestants or three-year-old beauty queens, these “guilty pleasures” underscore how conservative our society remains, and how steadfastly we cling to our notions about who or what counts as legitimate or “real.” At once an entertaining chronicle of reality TV obsession and a pioneering work of sociology, True Story holds up a mirror to our society: the reflection may not always be pretty—but we can't look away.

The Last Duel Jun 05 2021 NEW YORK TIMES
BESTSELLER • NOW A MAJOR MOTION PICTURE •

“A taut page-turner with all the hallmarks of a good historical thriller.”—Orlando Sentinel The gripping true story of the duel to end all duels in medieval France as a resolute knight defends his wife's honor against the man she accuses of a heinous crime In the midst of the devastating Hundred Years' War between France and England, Jean de Carrouges, a Norman knight fresh from combat in Scotland, returns home to yet another deadly threat. His wife, Marguerite, has accused squire Jacques Le Gris of rape. A deadlocked court decrees a trial by combat between the two men that will also leave Marguerite's fate in the balance. For if her husband loses the duel, she will be put to death as a false accuser. While enemy troops pillage the land, and rebellion and plague threaten the lives of all, Carrouges and Le Gris meet in full armor on a walled field in Paris. What follows is the

final duel ever authorized by the Parlement of Paris, a fierce fight with lance, sword, and dagger before a massive crowd that includes the teenage King Charles VI, during which both combatants are wounded—but only one fatally. Based on extensive research in Normandy and Paris, *The Last Duel* brings to life a colorful, turbulent age and three unforgettable characters caught in a fatal triangle of crime, scandal, and revenge. *The Last Duel* is at once a moving human drama, a captivating true crime story, and an engrossing work of historical intrigue with themes that echo powerfully centuries later.

Anne Frank Sep 20 2022 The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit.

Werewolf Mar 22 2020 The true tale of a man possessed by an evil spirit reveals how William Ramsey, a quiet family man, was taken over by the spirit of a werewolf that had to be driven out in a dangerous rite of exorcism. Reprint.

Last Man Off Apr 03 2021 “A sinister version of *The Perfect Storm*. Thrilling.”—*Sunday Times* (UK) For readers of *The Perfect Storm*, *Between a Rock and a Hard Place*, and *Into the Wild* There’s nothing that armchair adventure lovers relish more than a gripping true story of disaster and heroism, and *Last Man Off* delivers all that against a breathtaking backdrop of icebergs and killer

whales. On June 6, 1998, twenty-three-year-old Matt Lewis had just started his dream job as a scientific observer aboard a deep-sea fishing boat in the waters off Antarctica. As the crew haul in the line for the day, a storm begins to brew. When the captain vanishes and they are forced to abandon ship, Lewis leads the escape onto three life rafts, where the battle for survival begins.

Money Aug 19 2022 Humans invented money from nothing, so why can't we live without it? And why does no one understand what it really is? In this lively tour through the centuries, Jacob Goldstein charts the story of this paradoxical commodity, exploring where money came from, why it matters and whether bitcoin will still exist in twenty years. Full of interesting stories and quirky facts - from the islanders who used huge stones as a means of exchange to the merits of universal basic income - this is an indispensable handbook for anyone curious about how money came to make the world go round.

The True Story of Hansel and Gretel Jun 17 2022 A retelling of the classic fairy tale, set in Nazi-occupied Poland, follows two Jewish children, left by their father and stepmother to seek refuge in a dense forest, as they wander the woods until being taken in by Magda, an eccentric old woman called a witch by local villagers, who is determined to save them despite the arrival of a German officer. Original.

The Girl Who Buried Her Dreams in a Can Nov 10 2021 An inspirational picture book autobiography from Oprah

Winfrey's "All-Time Favorite Guest" This is the story of a little girl with big dreams. All the girl ever wanted was an education. But in Rhodesia, education for girls was nearly impossible. So she taught herself to read and write with her brother's schoolbooks and to count while watching cattle graze. When the girl became a young wife and mother, she wrote her goals on a scrap of paper and buried them in a can—an ancient ritual that reminded her that she couldn't give up on her dreams. She dreamed of going to America and earning one degree; then a second, even higher; and a third, the highest. And she hoped to bring education to all the girls and boys of her village. Would her dreams ever come true? Illustrated with Jan Spivey Gilchrist's graceful watercolors, Dr. Tererai Trent's true story of perseverance is sure to inspire readers of all ages.

True Story Dec 23 2022 "A "mind-blowing, page-turning, unputdownable" novel (Elif Batuman) about the fifteen-year fallout from a poisonous high school rumor, exploring how stories from the past can come to define who we are. A gifted and reclusive ghostwriter, Alice Lovett makes a living helping other people tell their stories. But she is haunted by the one story she cannot tell: the story of, as she puts it, "the things that happened while I was asleep." Back in 1999, Nick Brothers and his high school lacrosse team return for their senior year in a well-to-do Baltimore suburb as the reigning state champs. The afterglow of their big win is bound to last until

graduation; not even the pressure of college applications can get in the way of their fun. But when a private school girl attempts suicide in the wake of one of the team's "legendary" parties, and a rumor begins to circulate that two of Nick's teammates sexually assaulted her, it seems like it might ruin everything--until the team circles the wagons, casts doubt on the story, and the town moves on. But not everyone does. Fifteen years later, four people--Alice, Nick, a documentary filmmaker, and a wealthy entrepreneur--remain haunted by the roles they played, the things they still don't understand, and how the story has shaped their lives. In sections told from different points of view, each more propulsive than the last, the layers of mystery are gradually peeled back as we barrel toward the truth of what really happened that night . . . and what came after. At once a compulsive page-turner and a thought-provoking exploration of issues both timely and timeless, True Story marks the debut of a phenomenal new voice in fiction."--

The True Story of the Whole World May 16 2022 "This revised edition of a popular overview of the grand narrative of the Bible shows how God's action in the world gives meaning to our lives and provides us with the foundation for our actions"--

Midnight Feb 01 2021 A foal is born at midnight, on the homestead side of the river. Coal black. Star ablaze. Moonlight in her eyes. On October 31, 1917, the 4th and 12th Regiments of the Australian Light Horse took part in

one of the last great cavalry charges in history. Among the first to leap the enemy trenches was Lieutenant Guy Haydon riding his beloved mare, Midnight. This is their story.

The True Story of Ah Q Jun 24 2020

The Bridgebusters Nov 17 2019 "He had decided to live forever, or die in the attempt." — Catch-22 The men of the 57th Bomb Wing flew out of Corsica during World War II and bombed vital bridges throughout Italy to sabotage German supply routes. Their missions were dangerous and never-ending. One bombardier in the wing was a young New Yorker named Joseph Heller, who would later turn his experience into the classic 1961 war novel Catch-22. Now aviation historian Thomas McKelvey Cleaver takes a closer look at the real-life men of the 57th, whose camaraderie in the face of death inspired the raucous cast of heroes and antiheroes in Catch-22.

The True Story of the Novel (Text Only) Mar 02 2021

A revolutionary, entertaining and readable rewriting of the history of the novel. This edition does not include illustrations.

The True Story of a Mouse Who Never Asked for It Jul 18 2022 The True Story of a Mouse Who Never Asked for It is a visually striking, deeply feminist, contemporary retelling of a Spanish folk tale, rediscovered and brought to new life by author Ana Cristina Herreros and illustrator Violeta Lopiz. In Herreros and Lopiz's version--which

sharply diverges from the most mainstream and popularized telling of the story--a mouse is approached by many suitors, rejecting all but one: a cat, whose gentle meow assures her that he won't bring her harm. But one must remember that a kitten always grows up to be a cat...and thusly, will devour the mouse.

The Bounty Feb 13 2022 The bestselling author of *The Endurance* reveals the startling truth behind the legend of the Mutiny on the Bounty -- the most famous sea story of all time. More than two centuries have passed since Fletcher Christian mutinied against Lt. Bligh on a small armed transport vessel called *Bounty*. Why the details of this obscure adventure at the end of the world remain vivid and enthralling is as intriguing as the truth behind the legend. Caroline Alexander focusses on the court martial of the ten mutineers captured in Tahiti and brought to justice in Portsmouth. Each figure emerges as a richly drawn character caught up in a drama that may well end on the gallows. With enormous scholarship and exquisitely drawn characters, *The Bounty* is a tour de force.

Publish This Book Feb 19 2020 From the author of *Ohio* (Best Books of Summer 2018 Selection in *Time*, *Vulture*, and the *New York Post*) comes a brilliant, hilarious, and deeply touching memoir that blows the roof off the genre. Fed up with the complicated quest of trying to get a book published, Stephen Markley decided to cut to the chase and simply write a memoir about trying to publish a

book—this book, to be precise. It's the most "meta" experiment he's ever undertaken, and like a Mobius strip in book form, the concept is circular, self-indulgent, and—maybe, possibly, hopefully—brilliant. For fans of Dave Eggers and David Sedaris, *Publish This Book* is the modern day saga of an idealistic, ambitious, audacious, unyielding young writer who is tired of waiting his turn. Like any work that claims gleefully to be about nothing, it's really about pretty much everything—sex, drugs, politics, pop-culture, ex-girlfriends and sexy vampires. From the hope of early adulthood to the rage of life's many (unavoidable) disappointments, it is a story of overcoming the obstacles and discovering a happy ending at last. Most importantly, it's a story that will inspire readers to find their true voice in their work and in their life. Praise for Stephen Markley: "Markley seems clever and funny, but it may be his "fire" that ultimately makes him worthwhile." — Literary Chicago "Compelling, emotionally resonant passages . . ." — Publishers Weekly "Markley is a knockout storyteller" — Kirkus Reviews

The True Story of Lu Xun Nov 22 2022 This is the first independent, full-life biography of Lu Xun, the most celebrated Chinese writer of the twentieth century, in any European language. It sets aside all the propaganda that has accrued over the sixty-six years since his death, and presents him as a credible human being, neither aggrandized nor belittled. As Lu Xun's life spanned the transition from Manchu empire to citizens' Republic, it

can be seen as one man's history of China's progress to modernity--a progress in which he personally played a significant part. The facts of Lu Xun's life are presented objectively, but they do not always speak for themselves. The author has therefore drawn on his lifelong study of modern Chinese literature to offer intelligent interpretations where necessary. Since the subject of this biography was a writer, the author has appended to the chronicle some brief 'sketches' of his work for the benefit of those unacquainted with it.

438 Days May 24 2020 The miraculous account of the man who survived alone and adrift at sea longer than anyone in recorded history. For fourteen months, Alvarenga survived constant shark attacks. He learned to catch fish with his bare hands. He built a fish net from a pair of empty plastic bottles. Taking apart the outboard motor, he fashioned a huge fishhook. Using fish vertebrae as needles, he stitched together his own clothes. Based on dozens of hours of interviews with Alvarenga and interviews with his colleagues, search and rescue officials, the medical team that saved his life and the remote islanders who nursed him back to health, this is an epic tale of survival. Print run 75,000.

The True Story of George Mar 14 2022 George is hardly bigger than a child's middle finger. His knees and his elbows don't bend and his legs are fused together. When Katie and Mackenzie find him at the edge of the ocean, they are unimpressed, but George keeps turning up in

their lives. And what may seem ordinary to a girl and a boy can be an awesome adventure if you are six centimeters tall.

The True Story of Christmas Jan 12 2022 Everyone knows the story of Christmas. Decking the halls with boughs of holly. Hanging stockings by the chimney with care. Chestnuts roasting on an open fire. Then there's the true story of Christmas. And Ralph Mountfield is smack in the middle of it. Great Granny's crustier than ever. Grandpa's singing to the dog. Great Aunt Ida is completely crackers. Uncle Tristram's giving out bricks. The cousins are whining and throwing tantrums. Mum's looking for Dad. Dad's looking for aspirin. And Ralph is looking to stay out of trouble. But when a Christmas Quiz brings out some hidden truths, trouble is exactly what Ralph finds. It's anything but a silent, holy night for the Mountfield family! From the Hardcover edition.

Stubby the War Dog Dec 31 2020 Documents the heroic wartime achievements of a World War I mascot who was adopted by a soldier as an orphaned pup and who gained military honors and a display in the Smithsonian Institution for his brave service behind enemy lines. By the award-winning author of Muckrakers.

Queen of Thieves Jul 06 2021 Queen of Thieves is the gritty, fast-paced story of Fredericka "Marm" Mandelbaum, a poor Jewish woman who rose to the top of her profession in organized crime during the Gilded Age in New York City. During her more than twenty-

five-year reign as the country's top receiver of stolen goods, she accumulated great wealth and power inconceivable for women engaged in business, legitimate or otherwise. The New York Times called Mandelbaum "the nucleus and center of the whole organization of crime in New York City." Having emigrated from Germany in 1850, she began her climb to the top of the crime world as a peddler on the rough-and-tumble, crowded streets of the city. By 1880, she had amassed a fortune estimated at more than \$1 million. Mandelbaum was known for running an orderly criminal enterprise. She enlisted the services of an extensive network of criminals of every ilk and bribed police officials, politicians, and judges. If someone wanted to move stolen goods, needed protection from the law, or sought money to finance a caper, Marm was the person to see. In 1884, Mandelbaum escaped from the clutches of Pinkerton detectives, who were casing her house, and fled to Canada. Mandelbaum lived out the rest of her life in luxury on a small farm with her family and ill-got fortune. Hundreds of people turned out for her funeral. Dozens of people later reported to police that they had their pockets picked at the service.

The Gate Oct 29 2020 The Gate is an absorbing panoramic account of the building of one of the world's most beautiful and famous landmarks. In a narrative richly laden with detail and the flavor of the period, John van der Zee reveals for the first time the complete history of the longest single-span suspension bridge of its time-

including the identity of the man who actually designed it, which has been obscured since its completion in 1937. With novelistic flair, van der Zee recounts an exciting drama of human greed, ambition, frailty, courage, and intellectual achievement. "It is among the top books on California I have ever read."-Kevin Starr, State Librarian of California and author of *Americans and the California Dream* "A case study of personal and technological adventure bordering on hubris...The engineers in this book come alive as people, with all the faults and foibles associated with the human species. A fascinating work that shows that the best of cutting-edge engineering is much, much more than science and technology."-Henri Petroski, *Nature*

Go Home! Oct 17 2019 A homeless cat spends several seasons trying to survive the elements until at last a suburban family adopts him.

The Finest Hours May 04 2021 Survivors recount the heroic undertakings of Coast Guard teams aboard small crafts who attempted to save the crews of two oil tankers caught in a violent nor'easter off the coast of Cape Cod.

The Mostly True Story of Jack Apr 15 2022 Newbery Medal-winner Kelly Barnhill's debut novel is an eerie tale of magic, friendship, and sacrifice. Enter a world where magic bubbles just below the surface. . . . When Jack is sent to Hazelwood, Iowa, to live with his strange aunt and uncle, he expects a summer of boredom. Little does he know that the people of Hazelwood have been waiting for

him for quite a long time. When he arrives, he begins to make actual friends for the first time in his life-but the town bully beats him up and the richest man in town begins to plot Jack's imminent, and hopefully painful, demise. It's up to Jack to figure out why suddenly everyone cares so much about him. Back home he was practically... invisible. The Mostly True Story of Jack is a stunning debut novel about things broken, things put back together, and finding a place to belong. "There's a dry wit and playfulness to Barnhill's writing that recalls Lemony Snicket and Blue Balliett...a delightfully unusual gem." -- Los Angeles Times

True Story: Murder, Memoir, Mea Culpa Jan 24 2023 The improbable but true story of a man accused of murdering his entire family and the journalist he impersonated while on the run In 2001, Mike Finkel was on top of the world: young, talented, and recently promoted to a plum job at the New York Times Magazine. Then he made an irremediable slip: Under extraordinary pressure to keep producing blockbuster stories, he fabricated parts of an article. Caught and excommunicated from the Times, he retreated to his home in Montana, swearing off any contact with the media. When the phone rang, though, he couldn't resist. At the other end was a reporter from the San Francisco Chronicle, whom Finkel congratulated on being the first in what was sure to be a long and bloodthirsty line of media watchdogs. The reporter was puzzled. In Waldport, Oregon, Christian Longo had killed

his young wife and three children and dumped their bodies into the bay. With a stolen credit card, he fled south, making his way to Cancun, where he lived for several weeks under an assumed identity: Michael Finkel, journalist for the New York Times. True Story is the tale of a bizarre and convoluted collision between fact and fiction, and a meditation on the slippery nature of truth. When Finkel contacts Longo in jail, the two men begin a close and complex relationship. Over the course of a year, they exchange long letters and weekly phone calls, playing out a cat-and-mouse game in which it's never quite clear if the pursuer is Finkel or Longo—or both. Finkel's dogged pursuit of the true story pays off only at the end, in the gripping trial scenes in which Longo, after a lifetime of deception, finally tells the whole truth. Or so he says.

Mangal Pandey, the True Story of an Indian

Revolutionary Jan 20 2020 On March 29, 1857 a Brahmin sepoy shot at a British officer in Barrackpore, Bengal. The incident was not the first of its kind _ or the last. Two months later the British East India Company faced a major civil rebellion and political insurrection/restoration, accompanied by military mutinies in North India. The event ended British cultural hegemony, revived Indianness and kept alive an alternative Asiatic perspective -western authors still call it ' The Mutiny' but for Indians it was the ' First War of Independence'.This is first book, which deals with Mangal Pandey, the

Barrackpore Brahmin sepoy's true story. It reveals unseen aspects of colonial India: the colours of the landscape, the drama of the cantonments, conflicts of love, loyalty and valour, heroism, the modernity of the peasant, law of rebellion and political intrigue, amidst the looming spectre of an Asiatic upheaval. Written from an Indian perspective, marshalling indigenous archival material, the book ruptures all previous, exotic-oriental-Anglicist notions of Asiatic-Indian men and events.

True Story Oct 09 2021 The co-founder of a brand studio describes how businesses can change their marketing strategies to describe and promote their brand's story in an effort to appeal to modern consumers who have become increasingly interested in what a business embodies and represents. 20,000 first printing.

Life and Limb Aug 27 2020 Jamie Andrew was trapped on Les Droites in the French Alps for five days, and lost both hands and both feet to frostbite. Yet he recovered to run the London marathon, and he climbed Mont Blanc again. This is his remarkable story.

Terrified Nov 29 2020 The emotionally devastating but ultimately uplifting story of Vicky, a little girl who arrives on Angela's doorstep unwanted and unloved after suffering years of emotional abuse at the hands of her mother. Raising the Dead Dec 19 2019 "Bushman's Hole, South Africa, 8 January 2005. Dave Shaw prepares for one of the most daring and ambitious dives ever attempted. His mission: to recover the remains of a diver who disappeared a decade earlier. Some 900 feet below the surface, he locates the body. Then disaster strikes ..." -- Back cover.

Duplicity Sep 27 2020 HOW WOULD YOU FEEL if you woke up one morning to learn that your wife, the woman you were in love with and had hoped to spend the rest of your life with, had completely duped you from the beginning, and was not only in love with another man, but this man was her PIMP, and she was his MADAM and his PROSTITUTE? HOW WOULD YOU FEEL when it became clear that your wife married you for the sole purpose of stealing your assets, that to her you were just another of her tricks, one who, instead of paying "up front," was expected to pay "at the end," through a divorce settlement? HOW WOULD YOU FEEL when you learned that your beloved wife was running her segment of a multi-state, multi-million-dollar prostitution ring literally from your bedroom on your wedding night, after you had drifted off to sleep? I'm Paul T. Goldman, and this happened to me.

Redbone: The True Story of a Native American Rock

Band Sep 08 2021 Experience the riveting, powerful story of the Native American civil rights movement and the resulting struggle for identity told through the high-flying career of West Coast rock 'n' roll pioneers Redbone. You've heard the hit song "Come and Get Your Love" in the movie Guardians of the Galaxy, but the story of the band behind it is one of cultural, political, and social importance. Brothers Pat and Lolly Vegas were talented Native American rock musicians that took the 1960s Sunset Strip by storm. They influenced The Doors and jammed with Jimmy Hendrix before he was "Jimi," and the idea of a band made up of all Native Americans soon followed. Determined to control their creative vision and maintain their cultural identity, they eventually signed a deal with Epic Records in 1969. But as the American Indian Movement gained momentum the band took a stand, choosing pride in their ancestry over continued commercial reward. Created in cooperation of the Vegas family, authors Christian Staebler and Sonia Paoloni with artist Thibault Balahy take painstaking steps to ensure the historical accuracy of this important and often overlooked story of America's past. Part biography and part research journalism, Redbone tells a vivid story about this neglected chapter of American history.

Jet Jul 26 2020 First, he learned to eat. Then he learned to come when called. Then to wear a cape and ride a bike. Next he mastered hide-and-seek. Then he learned to talk. Not bad for a crow. Jet went on to master the wicked art

of summoning the neighbor dog (Kroker! Come, Kroker, come!), only to rebuke him in his master's voice (Bad dog! Go home, Kroker!). Then one day he came to church. This is the true story of one fabulous bird with a 30-word vocabulary whose raucous antics delighted all who knew him--well, except for the neighbor who raised pigeons. Now you can enjoy this natural wonder through the eyes of Rhoda and her sister, Marion, Jet's owner. But watch out, or he might caw and croak his way right into your heart.
