From the Arab Spring to the Occupy and Tea Party movements, the "What now?" solution to economic disparity and power politics has been largely unarticulated. This work details how the Golden Rule ethic and a technology-driven global consciousness are causing epic shifts in our economic and governing systems. The evolution from nation-state capitalism to a collaborative economy with judicial governance is proving that prosperity is compatible with peace. With ten case studies of successful "Golden Rule" organizations and an innovative study of the reciprocal ethic, this book provides accessible, thought-provoking analysis of rapid worldwide change and forecasts a future of freedom, purpose and hope. David Weber's bestselling **Safehold Series Boxed Set 1** includes: **Off Armageddon Reef**, **By Schism Rent Asunder**, and **By Heresies Distressed Humans have fled from Earth**, which their enemies, the Gbaba, have left in smoldering ruins. The few human survivors rebuild on the Earth-like planet of

Safehold. But the Gbaba can detect the emissions of an industrial civilization, so the human rulers take extraordinary measures to keep **Safehold** society medieval forever. **Off Armageddon Reef**—In a hidden chamber on **Safehold**, an android from the far human past awakens. Via automated recordings, "Nimue"—or, rather, the android with the memories of Lieutenant Commander Nimue Alban—is told her fate: she will emerge into **Safeholdian** society, suitably disguised, and begin the process of provoking the technological progress which the Church of God Awaiting has worked for centuries to prevent. **By Schism Rent Asunder**—Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than human. **By Heresies Distressed — The youthful Queen Sharleyan of Chisholm** has wed King Cayleb of Charis, forging a single dynasty, a single empire, dedicated to the defense of human freedom. And so Empress Sharleyan faces the greatest challenge of her life, unaware of all that task truly entails. **Safehold Series #1 Off Armageddon Reef #2 By Schism Rent Asunder #3 By Heresies Distressed #4 A Mighty Fortress #5 How Firm a Foundation #6 Midst Toil and Tribulation #7 Like a Mighty Army #8 Hell's Foundations**

"This book analyses the character of Jonathan in 1 Sam 13-2 Sam 1 and in contemporary fiction. The first part of each chapter is devoted to the literary portrayal of Jonathan in the final form of the biblical text. It seeks to establish an interpretation that allows Jonathan to be read as a psychologically cohesive character. This part raises a series of questions. What kind of man is Jonathan who shows initiative, daring, and clear leadership ability (1 Sam 13-14), yet also is willing to lay down his crown before the usurper David's feet in humble submission (1 Sam 18-23)? What kind of son is Jonathan

who rebels against Saul and takes David's part in the conflict between the two men, yet remains loyal to his father until the bitter end on Mount Gilboa? The second part of each chapter investigates the depictions of Jonathan in contemporary fiction, with focus on novels, short stories, and poetry. It explores how a wide range of modern retellings of the David saga highlight, transform, and subvert the biblical portrayal of Jonathan. This part responds to the series of questions raised in the first part. Together, the two parts demonstrate how fictional retellings both deepen and challenge the ways that scholars interpret the biblical text"-- Includes categorical listings of collectible comic books, arranged by type of comic, with issue titles, current prices, dates, and cross-references Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ. Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines both in this easy-to-read, verse-based devotional commentary set. Pastor Jon's years of immersion in God's Word, as he regularly preached from the Bible, produced faithful, valuable teaching that is both a scholarly work and an encouragement for living the Christian life. His Application Commentary Series combines the following elements in a unique blend of pertinent information and needed

inspiration: Deep love for God's word Colorful cultural insights Insightful historical information Applicable topical studies Vivid illustrations and stories Humorous, practical, and inspiring life lessons The three volumes of this devotional commentary offer thorough and comprehensive teaching on every paragraph in the Bible along with practical, in-depth topical studies. Courson has amassed a wealth of understanding in a very readable and comfortable expositional style. Volumes include: Volume 1, Old Testament, (Genesis-Job) Volume 2, Old Testament (Psalms - Malachi) Volume 3, New Testament (Matthew - Revelation) "Story by Dayton Ward, James Swallo, and David Mack. Based on Star Trek and Star Trek: the next generation created by Gene Roddenberry. Star Trek: Deep space nine created by Rick Berman & Michael Piller. Star Trek: Voyager created by Rick Berman & Michael Piller & Jeri Taylor." There is hope for recovery from the devastation of extramarital affairs. In "Torn Asunder," Carder provides an overall recovery process from sexual and non-sexual affairs. While recent decades have seen a plethora of studies exploring the complex processes that shaped biblical books traditionally designated as Prophets, much remains to be done in order to uncover the rich history of their interpretation throughout the ages. This collection of essays aims at filling this gap by exploring different aspects of the exegesis of the Former and

Latter Prophets in contexts both ancient and modern, Jewish and Christian. From the inner-biblical interpretation of the Prophets to the Dead Sea Scrolls, Apocrypha and Pseudepigrapha, the New Testament, Patristic writings, and contemporary rhetoric, this volume sheds light on how key figures in those books were read and understood by both ancient and not so-ancient readers. This journey into the names and titles of God will inspire you in your pursuit of a deeper walk with God, one that overflows with hope, joy, and greater passion for our Savior (our glorious Lord Jesus) and awe of our wonderful heavenly Father. Both thought-provoking and heart-stirring, this devotional study and reference book to the more than five hundred different names and titles of God will encourage your heart and enlarge it to love and adore Him all the more. The joy of knowing and loving Him will flood your soul! "The insights stir both the mind and spirit. His commitment to the material is exhaustive. While you will probably not want to read this book all at once, over time it can change your life forever. It will help you pray. It will help you in your relationship with God. I trust this man and I am grateful for his gift to the Church, the body of our Lord Jesus Christ." - Robert Tuttle, Jr., retired professor of world Christianity, Asbury Seminary "This book will surely empower God's people to love Him more." - Mike Bickle, director of International House of Prayer The sequel to the New

York Times best seller Off Armageddon Reef The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin - a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Foundations Quiver 9. At the Sign of Triumph At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. From the New York Times bestselling coauthor of My Plain Jane comes the thrilling and romantic second novel in the Incarnate trilogy, a fantasy series about a girl who is the first new soul born into a society where everyone else has been reborn hundreds of times. As a Newsoul, Ana has always felt alone. Some residents of Heart are afraid of Ana's presence, a constant reminder of unstoppable change and the unknown. When the people turn violent, Ana must learn to stand up not only for herself, but also for those who cannot stand up for themselves. Romantic and action-filled, the rich world of Asunder is perfect for fans of epic fantasy, like Graceling by Kristin Cashore and The Girl of Fire and Thorns by Rae Carson, while Ana's courage to expose the cracks in society and fight for what is right is ideal for fans of dystopian novels. In Torn Asunder Part 1 the President must deal with a dual attack by ISIS on the heartland of the United States as flood waters from the Snake and Missouri/Mississippi Rivers race toward the Pacific Ocean and the Gulf of Mexico, in effect dividing the country into three regions. The Ebola virus spreads within the country. Hard times come to our characters who have reached Valentine, Nebraska. The governors of Texas and Louisiana begin the process of

seceding from the United States. Nancy O'Brien leads her group of students and scientists south toward New Mexico while her husband Robert is tasked with an impossible assignment--figure out how to get the U.S. back together again. In Montana Penny Armstrong begins a journey to find the birth records of her 'adopted' Crow Indian children, Jason and Amanda.
