A deliciously gothic story of wishes and curses - a new dark fairy tale set against a Victorian backdrop full of lace and smoke. 'Deliciously dark' Woman Magazine 'Sharp' - The Guardian 'Excellent' - Glamour 'Darkly funny' - Harper's BAZAAR 'Chaotic' - The Skinny Amelia is no stranger to sex and death. Her job as a cosmetic mortician at her family's funeral parlour might be unusual but she's good at it. When it comes to meeting people who are still breathing she uses dating apps. Combining with someone else's body at night Amelia can become something else, at least for a while. But when a sudden loss severs her ties with someone she loves, Amelia sets off on a seventy-two-hour mission to outrun her grief - skipping out on the funeral, running away to stay with her father in Tasmania and experimenting on the local BDSM scene. There, she learns even more about sex, death, grief and the different ways pain works its way through the body. It'll take a pair of fathers, a bruising encounter with a stranger and recognition of her own body's limits to bring Amelia back to herself. Wise and heartbreakingly funny, Ella Baxter's *New Animal* is a stunning debut. 'Self-destructive anti-heroines are in vogue, but what Amelia's story makes clear is how under-represented female sexuality still is.' - The Telegraph, The Four best Debut Novels to Read 'There's a compelling quality to Amelia's honesty that recalls Raven Leilani's *Luster* or the sex-addicted eponymous narrator of Leïla Slimani's *Adele*.' - The Irish Times This beloved Newbery Honor-winning story about a feisty heroine is sure to enchant readers new and old. At her birth, Ella of Frell receives a foolish fairy's gift—the “gift” of obedience. Ella must obey any order, whether it's to hop on one foot for a day and a half, or to chop off her own head! But strong-willed Ella does not accept her fate... Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse forever. A tween favorite for 25 years—now shared with today's young readers by moms, teachers, and other adults who remember the pleasure of discovering this fun fairy-tale retelling themselves! From bestselling author Ella Carey comes an utterly gripping and sweeping historical novel about terrible choices and heartbreaking family mysteries. The past holds more secrets than we can ever imagine... 1946. Young, beautiful artist Rebecca survived the devastating war that claimed the lives of so many of the men and women she grew up with. Her friends have returned as empty shells or not at all. But although peace has been declared, Rebecca is still fighting at home. Her controlling mother will stop at nothing to prevent Rebecca from following her dream to become a painter. When Rebecca meets dashing young Edward, a pilot during the war, she discovers both love and an escape. Edward makes her feel truly loved, alive and excited about her future and art. But when Edward takes Rebecca to visit his childhood home on the sweeping coast, their trip ends in tragedy. Edward's father commits suicide and, consumed by grief, Edward is faced with a terrible choice: love or family? Utterly distraught, Rebecca goes out to the shore by moonlight to paint. Under the stars, she stares into the waves, thinking about her life. The next morning she has disappeared without a trace, leaving behind only a pencil on the sand. Finding the truth will change everything for those who were left behind... Fans of *My Name is Eva*, Rhys Bowen and Lucinda Riley will fall head over heels in love with *Secret Shores*. Readers are totally captivated by *Secret Shores* "My favorite read in my 50 years on this earth. This book speaks to me. It grabs you and holds you until the end... Definitely a must-read. Thank you Ms Carey for such a wonderful gift." Goodreads Reviewer [REDACTED] "Carey has done it again, written a story that is moving, compelling and not-put-down-able. I savored every word... I highly recommend this story, it is multifaceted, enthralling and just so darn good I didn't want to put it down. Thank you Ms Carey for another book that is going to stay with me for a long time." Goodreads Reviewer [REDACTED] Fans of Gail McHugh and Laurelin Paige will love this story about a doctor who barrels through a restaurant's life and changes it forever. Champion backcountry snowboarder Gage Watson has left the limelight behind after the death of one of his fans. After being sued for negligence and stripped of his sponsorships, he's remade his life as a ski patrol in Montana's rugged mountains, as well as serving on the PEAK Rescue team. But he can't seem to find his footing--or forget the woman he loved, who betrayed him. Senator and former attorney Ella Blair spends much of her time in the limelight as the second-youngest senator in the country. But she has a secret--one that cost Gage his career. More than anything, she wants to atone for her betrayal of him in the courtroom and find a way to help him put his career back on track. When Ella's brother goes missing on one of Glacier National Park's most dangerous peaks, Gage and his team are called in for the rescue. But Gage isn't so sure he wants to help the woman who destroyed his life. More, when she insists on joining the search, he'll have to keep her safe while finding her reckless brother, a recipe for disaster when a snowstorm hits the mountain. But old sparks relight as they search for the missing snowboarder--and suddenly, they are faced with emotions neither can deny. But when Ella's secret is revealed, can they learn to trust each other--even when disaster happens again? Examines the career and influences of Ella Fitzgerald, as well as those of top accompanists, bandleaders, and musical directors with whom she collaborated. Although the years from 1873-1893 lacked the well known, dramatic events of the periods before and after, this period presented a major transformation in Wisconsin's economy. The third volume in the *History of Wisconsin* series presents a balanced, comprehensive, and witty account of these two decades of dynamic growth and change in Wisconsin society, business, and industry. Concentrating on three major areas: the economy, communities, and politics and government, this volume in the *History of Wisconsin* series adds substantially to our knowledge and understanding of this crucial, but generally little-understood, period. Fans of Gail McHugh and Laurelin Paige will love this story about a doctor who barrels through a restaurant's life and changes it forever. Fantasies-we all have them. For some, it's their dream job; others want the wedding, the 2.5 kids, the white picket fence. My fantasies are a bit more...depraved. Dark and sinful, they have destroyed relationships and my livelihood, yet I still submit to them like a slave. Sex. For most, it's a natural expression of love, caring, or lust. But there are those of us who can't stop once we've had a taste. Those of us who don't want to. And the shame of that never-ending cycle will eat us alive... My name is Evan James, and I am a sex addict. Reproduction of the original: *The Mysteries of Heron Dyke, Volume III (of 3)* by T. W. Speight Zoe isn't exactly the intellectual type, which is why she doesn't recognize world-famous author Thomas Rocher when she stumbles into his apartment...and into his life. It's also why she doesn't know that Rocher is supposed to be dead. Turns out, Rocher faked his death years ago to escape his critics, and has been making a killing releasing his new work as "lost manuscripts," in cahoots with his editor/ex-wife Agathe. Neither of them would have invited a crass party girl like Zoe into their literary conspiracy of two, but now that she's there anyway. . . . Zoe doesn't know Balzac from Batman, but she's going to have to wise up fast... because she's sitting on the literary scandal of the century! Everyone's favourite little dancer, Ella Bella Ballerina, steps into an enchanted toyshop in this magical ballet adventure. Discover a world of fairytale toymakers and dancing dolls in in this beautiful introduction to classic ballet, *La Boutique Fantastique*. Look out for the other books in the series: *Ella Bella* and *A Midsummer Night's Dream* Ella Bella Ballerina and *Swan Lake* Ella Bella Ballerina and *Cinderella* Ella Bella Ballerina and *The Sleeping Beauty* Ella Bella Ballerina and *The Nutcracker* This expansive French tale of injustice and social unrest is widely considered to be writer Victor Hugo's masterpiece. While the 1862 novel features a large array of characters, it focuses primarily on the noble Jean Valjean, a man unfairly imprisoned for a minor crime of compassion. After serving a long sentence, Valjean struggles to find his place in a seemingly unforgiving society. As his fortunes change, France itself undergoes a major transformation. Hugo's sweepingly emotive story has been adapted many times, to considerable fanfare. Boston was nothing like South

Carolina. Up there, colored folks could go anywhere they wanted. Folks didn't wait for church to dress in their fancy clothes. Fancy was just life. Mama was a city girl . . . and now I was going to be one too. It's 1944, and in a small Southern town, eleven-year-old Ella spends her summers running wild with her cousins and friends. But life isn't always so sunny. The deep racial tension that simmers beneath their town's peaceful facade never quite goes away, and Ella misses her mama - a beautiful jazz singer, who lives in Boston. So when an invitation arrives to come to Boston for a visit Ella is ecstatic - and the trip proves life-changing in more ways than one. For the first time, Ella sees what life outside of segregation is like, and begins to dream of a very different future. But her happiness is shattered when she returns home to the news that her classmate has been arrested for the murder of two white girls - and nothing will ever be the same again. A beautifully written and deeply moving story about finding and fighting for your place in the world. If you look very carefully at the night sky, you might spot a teeny-tiny sparkle out of the corner of your eye, a whisper of a tinkling trail... That's Ella. Ella has always dreamed of seeing the sunrise. But with her delicate gossamer wings, she can only come out at night. So, when the moon is high, she collects as many shimmering beams of light she can find - a twinkle from a star, the glow from a lamp post. With her light, she guides lost and lonely animals and finds friendship in Fox and Owl. And, together, Ella's animal friends know just how to return her kindness... A gentle, tender storybook about friendship and the power of kindness. Ella is nearing thirty, and not yet living the life she imagined. Her artistic ambitions as a student have given way to an unintended career as a care worker. One spring, Bryn - a retired carpenter - hires her to help him care for Jill, his wife of many years. A car accident caused a brain injury that has left Jill verbally diminished; she moves about the house like a ghost of her former self. As Ella is drawn ever deeper into the couple's household, she is profoundly moved by the tenderness Bryn shows toward the wife he still fiercely loves. Ella is startled by the yearning this awakens in her, one that complicates her feelings for her girlfriend, Alix, and causes her to look at relationships of all kinds - between partners, between employer and employee, and above all between men and women - in new ways. Tightly woven, humane and insightful, tracing the most intimate reaches of a young woman's heart and mind, Say Say Say is a riveting story about what it means to love, in a world where time is always running out. When Blue Bird and her grandmother leave their family's camp to gather beans for the long, threatening winter, they inadvertently avoid the horrible fate that befalls the rest of the family. Luckily, the two women are adopted by a nearby Dakota community and are eventually integrated into their kinship circles. Ella Cara Deloria's tale follows Blue Bird and her daughter, Waterlily, through the intricate kinship practices that created unity among her people. Waterlily, published after Deloria's death and generally viewed as the masterpiece of her career, offers a captivating glimpse into the daily life of the nineteenth-century Sioux. This new Bison Books edition features an introduction by Susan Gardner and an index. Heartbroken and alone, Boston art curator Sarah West is grieving the recent deaths of her parents and the end of her marriage. Ultrasensible by nature, she's determined to stay the course to get her life back on track. But fate has something else in mind. While cleaning out her father's closet, she finds a letter from the famous Parisian courtesan Marthe de Florian, dated 1895. The subject? Sarah's great-great-aunt Louisa's death. Legend has it Louisa committed suicide...but this letter implies there's more to that story. Determined to learn the truth, Sarah, against her nature, impulsively flies to Paris. There she's drawn into the world of her flatmate, the brilliant artist Laurent Chartier. As she delves deep into the glittering Belle Époque to unravel the mystery, Sarah finds that her aunt's story may offer her exactly what she needs to open up to love again. Following Sarah in the present day and Louisa in the 1890s, this moving novel spans more than a century to tell the stories of two remarkable women. Three complete YA fantasy stories from award-winning author Sara Ella—now available in one low-price e-collection! “A breathtaking fantasy set in an extraordinary fairy-tale world, with deceptive twists and an addictively adorable cast who are illusory to the end.” —Mary Weber, award-winning author of the Storm Siren Trilogy and To Best the Boys Unblemished Eliyana can't bear to look at her own reflection. With a birthmark covering half her face, she just hopes to graduate high school unscathed. But what if this is only one Reflection—one world? What if another world exists where her blemish could become her strength? When Eliyana's mother doesn't come home one night, things start to get weird. Why is her swoony next-door neighbor now her legal guardian? Add a hooded stalker and a Central Park battle—yes, battle—to the mix and you've gone from weird to otherworldly. Eliyana soon finds herself in a world much larger and more complicated than she's ever known. A world enslaved by a powerful and vile man. And she holds the key to defeating him. Unraveling What happens when happily ever after starts to unravel? Eliyana Ember doesn't believe in true love. Not anymore. After defeating her grandfather and saving the Second Reflection, El only trusts what's right in front of her. The tangible. The real. Not some unexplained Kiss of Infinity she once shared with the ghost of a boy she's trying to forget. Unbreakable With the fate of the Reflections at stake, Eliyana must destroy the Void . . . but at what cost? Eliyana Ember is a reluctant queen. As vessel of the Verity, only she can lead the fight against the wicked magnetism of the Void. If she fails, the paths between Reflections will cease to exist, and those she loves will remain plagued by darkness. Praise for The Unblemished Trilogy: “Unblemished may have set the stage, but Unraveling will forever bind you to this story like a Kiss of Accord. Sara Ella's exquisite writing left me gasping at new revelations and re-reading whole chapters just because. Unraveling is a sequel that outshines its already brilliant predecessor.” —Nadine Brandes, award-winning author of Fawkes “Lyrically written and achingly romantic—Unblemished will tug your heartstrings!” —Melissa Landers, author of Alienated, Invaded, and Starflight “Self-worth and destiny collide in this twisty-turny fantasy full of surprise and heart. With charm and wit, Sara Ella delivers Unblemished, a magical story with a compelling message and a unique take on the perils of Central Park.” —Shannon Dittmore, author of the Angel Eyes trilogy “Unblemished is an enchanting, beautifully written adventure with a pitch-perfect blend of fantasy, realism, and romance.” —Lorie Langdon, author of the bestselling Doon series “Unblemished had me from the first chapter—mystery, romance, and mind-blowing twists and turns that I SO did not see coming! The worlds Sara Ella builds are complex and seamless; the characters she creates are beautifully flawed.” —Krista McGee, author of the Anomaly trilogy Callum Welsh perfected the art of hating me when we were two kids who believed we'd be forced into marriage. He thought I wanted it, but my only wish had been for him to leave me alone. Then one afternoon, he stole my first kiss. Despite all he'd done, everything changed after that. As the years passed, our hearts thawed, and he no longer hated me. In fact, he loved me enough to make me his wife. Until I ruined everything with one stupid mistake. That hatred returned in the form of cruel words and even crueler deeds. But we weren't kids anymore. I could handle his brand of venom. He would be mine again, even if it cost me the remains of my heart. Warning: contains cheating and an anti-hero who might make you throw your kindle. "Time poured off into a glass. The juice poured and I wrote it down, to be wild but seen as ordered." How does one stay alive? This book asks the impossible question of how one maintains a separation between past and present, memory from self, and inheritance from present body. As objects and gestures from various chronologies collapse and conflate, as in dreams, one might then ask, what do our dreams tell us about our lives? Blurring the boundaries of fiction and nonfiction in a way that mirrors the attempt to capture what it is like to survive and to persist, How to Keep You Alive absorbs and sees the world through a lens of violence and trauma while struggling to maintain a present life in a body that continues to resist, to touch, to create rituals, to see, and to render the unseeable visually brilliant so the unsayable becomes a prayer. This book is that prayer. There's a sexy actor living next door... wouldn't you take a peek? Adam Connor is an award-winning actor and undeniable heartthrob. He's also recently divorced, a single dad and he happens to live right next door to Lucy. And it might be rude to stare but Lucy just can't help it. The ladder might have been a little much though... One night when she's indulging her stalker side, Lucy sees something terrible and has no choice but to intervene. She had the best of intentions but Adam can't see past it and has her arrested. After that night, they're sworn enemies. Even though Adam knows he actually owes Lucy a lot and she can't pretend she doesn't still find the hot dad act quite appealing... Obsession, defined as the domination of one's thoughts or feelings by a persistent idea, image or desire....Chantel Rosenberg's passion for music and life had never shone brighter than the time she spent in Bordeaux France. It's a time when feelings arose and desires ran deep, a time that fundamentally changed her life. A man living in seclusion, Phillipe Tibideau is haunted and plagued by memories he cannot disregard. Choosing to live a quiet life in his Chateau surrounded by the vineyards of France, he's left his passion for art behind. However, the time has arrived to tell his side of a tale. A tale that has depicted him as a 'beautiful monster' and he's finally allowing someone close. Close enough to ask questions. Questions he's not sure he wants to answer. Questions about her. For up and coming journalist Gemma Harris, the pursuit of truth is what drives her and when a job of a lifetime presents itself there is nothing in the world that will stop her from taking it. Even if it does mean leaving her home for several months to stay at Chateau Tibideau, with him. This is a story of what happens when three passionate lovers collide and the desire for truth, art and music merge. Chateau Tibideau is a place

full of unanswered questions, dark sinful desire and a beauty so hauntingly sad it will have you wondering how you will ever leave the same..... New York Times bestseller! The Atlas Obscura Explorer's Guide for the World's Most Adventurous Kid is a thrilling expedition to 100 of the most surprising, mysterious, and weird-but-true places on earth. For curious kids, this is the chance to embark on the journey of a lifetime—and see how faraway countries have more in common than you might expect! Hopscotch from country to country in a chain of connecting attractions: Explore Mexico's glittering cave of crystals, then visit the world's largest cave in Vietnam. Peer over a 355-foot waterfall in Zambia, then learn how Antarctica's Blood Falls got their mysterious color. Or see mysterious mummies in Japan and France, then majestic ice caves in both Argentina and Austria. As you climb mountains, zip-line over forests, and dive into oceans, this book is your passport to a world of hidden wonders, illuminated by gorgeous art. ***SOON TO BE A MAJOR HOLLYWOOD FILM DIRECTED BY CHRISTOPHER NOLAN*** WINNER OF THE PULITZER PRIZE FOR NONFICTION 'Reads like a thriller, gripping and terrifying' Sunday Times Physicist and polymath, as familiar with Hindu scriptures as he was with quantum mechanics, J. Robert Oppenheimer - director of the Manhattan Project that developed the atomic bomb - was the most famous scientist of his generation. In their meticulous and riveting biography, Kai Bird and Martin J. Sherwin reveal a brilliant, ambitious, complex and flawed man, profoundly involved with some of the momentous events of the twentieth century. Fans of Gail McHugh and Laurelin Paige will love this story about a doctor who barrels through a restaurant's live and changes it forever. "An exquisite conclusion to the thrilling Unblemished trilogy." —RT Book Reviews Sara Ella masterfully takes readers to new worlds in the jaw-dropping finale to the Unblemished trilogy. With the fate of the Reflections at stake, Eliyana must destroy the Void . . . but at what cost? Eliyana Ember is a reluctant queen. As vessel of the Verity—the purest of souls—only she can lead the fight against the wicked magnetism of the Void. If she fails, the paths between Reflections will cease to exist, and those she loves will remain plagued by darkness. After falling through a draining Threshold and suffering near-death, Eliyana awakens to a Shadowalker-ridden Venice, Italy. From there, she must learn to navigate mysteries of time and space. Traveling across the seven Reflections, Eliyana seeks one thing: the demise of the Void. But something else is at stake—the fate of her heart. Kyaphus Rhyen and Joshua David, brothers in arms, duel to win her hand. Ky remains ensnared and tortured by the Void. Joshua, though well-meaning, harbors dark secrets. Meanwhile, Eliyana finds herself torn, her mind and memories leading her in one direction, but her heart pulling her toward a man she knows she shouldn't trust. How can she discern whom to believe when she cannot even depend on her own fragmented memories? Traversing the realms of fantasy and reality through a labyrinth of plot twists, Unbreakable delivers a thrilling conclusion to Sara Ella's Unblemished Trilogy. My name isn't Logan Mitchell, but Marcus St. James doesn't know that...When I showed up at my roommate's work party, the last thing I expected was to find a man straight out of my dreams. But when the crowd parted and the fates aligned, there he was, waiting for me. Marcus St. James, president of ENN WorldWide News. Sexy and powerful, with a stare that could freeze you in place, Marcus was the perfect reward for securing a job at Mitchell & Madison, the best law firm in Chicago. To play with the big fish, however, one must become a big fish, and that's where my little white lie began.It was one night. I was never going to see him again, and from the second we spoke, I knew he was interested. It was there in his eyes, the same fire in my veins. It was there in his voice, whenever he said my name. The only problem? It wasn't my name, and now I wanted more-much more. But how can anything good come out of something that started with such bad intentions?Bad Intentions is the first book in the Intentions Duet.
