*Renaissance, here is the handiwork of a 16th-century diplomat who was called upon to resolve the differences in a war of etiquette among the Italian nobility.*

*Book of Beasts* May 03 2021 A celebration of the visual contributions of the bestiary--one of the most popular types of illuminated books during the Middle Ages--and an exploration of its lasting legacy. Brimming with lively animals both real and fantastic, the bestiary was one of the great illuminated manuscript traditions of the Middle Ages.

Encompassing imaginary creatures such as the unicorn, siren, and griffin; exotic beasts including the tiger, elephant, and ape; as well as animals native to Europe like the beaver, dog, and hedgehog, the bestiary is a vibrant testimony to the medieval understanding of animals and their role in the world. So iconic were the stories and images of the bestiary that its beasts essentially escaped from the pages, appearing in a wide variety of manuscripts and other objects, including tapestries, ivories, metalwork, and sculpture. With over 270 color

illustrations and contributions by twenty-five leading scholars, this gorgeous volume explores the bestiary and its widespread influence on medieval art and culture as well as on modern and contemporary artists like Pablo Picasso and Damien Hirst. Published to accompany an exhibition on view at the J. Paul Getty Museum at the Getty Center May 14 to August 18, 2019.

American Pageant Oct 28 2020 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT

accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). the capital of industrial corporations in  
Imperial Russia in 1880 to 47 percent in  
1914, coinciding with the rapid  
development of Russian industrialization  
before World War I. John McKay's study,

based largely on intensive research in numerous archives and utilizing many previously unexplored private business records, is the first detailed analysis of the impact of foreign enterprise on Russian industry during this period. His conclusions are significant for historians, economists, and those interested in the development of modern industrial society.

*Early Medieval Art Mar 01 2021 The first millennium saw a rich and distinctive artistic tradition form in Europe. While books had long been central to the Christian religious tradition, education, and culture, they now became an important artistic medium, sometimes decorated with brilliant colours and precious metals. Lawrence Nees explores issues of artist patronage, craftsmanship, holy men and women, monasteries, secular courts, and the expressive and educational roles of artistic creation. He discusses early Christian art within the late Roman tradition, and the arts of the newly established kingdoms of northern Europe not as opposites, but as different aspects of*

*a larger historical situation. This approach reveals the onset of an exciting new visual relationship between the church and the populace throughout medieval Europe, restoring a previously marginalized subject to a central status in our artistic and cultural heritage.*
