From the author of the red-hot Vincent Boys, Sea Breezeand Too Farnovels, comes another steamy romance... Can you handle bad-boy Woods? My future was about to be completely thrown off track because Della Sloane was under

my skin, and I had to have her. I couldn't ignore it anymore. . . . I'd gotten close enough to her to see deeper. Della Sloane is not your average girl. Yearning to break free of her dark and sheltered past, Della plans a solo road trip to experience real life on her own terms. But the trip is nearly cut short in the little beach town of Rosemary when she realizes she can't even pump her own gas—until Woods Kerrington shows up, more than willing to help out a pretty girl in need. Woods's family wants him to settle down with a wealthy woman in pearls, but he can't resist this carefree girl in cutoffs passing through town. A one-night stand should have been enough, but months later, Woods can't get the irresistible Della out of his head. When a twist of fate brings Della back to Woods, all signs point to trouble if they don't keep their distance. Neither is truly free, and a relationship could destroy both of them. With their hearts on the line, Della thinks the safest bet is to walk away. Villain. Slut. As the Prada-clad bad girl of Rosemary Beach, Nan Dillon has been called every vile name under the hot summer sun. Some of her reputation is deserved—she's never had to worry about anything but maintaining her perfect figure and splitting Daddy's private jet with her brother, Rush. But Nan is far from happy. Rush has another kid on the way and doesn't have time to catch up with his sister. Grant, the last guy she truly cared about, chose to be with her half-sister, Harlow, instead of her. And Harlow, who has never gotten over the way Nan treated her when she first moved to town, remains distant. So when Major asks her out, she jumps at the chance to date the gorgeous charmer. Though she doesn't know much about the sweet-talking Texan, and though it's clear he doesn't want to be exclusive, dating him beats hanging out with vapid socialites or watching Netflix alone at home. For a while, Nan deals with Major's playboy ways, but after he burns her one too many times, she takes off for an impromptu wild weekend in Vegas. There, she meets Gannon, a darkly seductive and oh-so-dangerous businessman who knows exactly how to handle her. With Major asking for a second chance and Gannon haunting her dreams, Nan has to decide who to give her heart to. But what she doesn't realize is that these players are involved in a much bigger game—and they're already two moves ahead of her. In this handy little guide, best-selling author Fr. Donald Calloway, MIC, teaches you how to pray the Rosary well and why it matters, addressing issues such as: Why pray the Rosary? How long should a well-prayed Rosary take? What are the graces attached to praying the Rosary? How can I become a champion of the Rosary? Our Lady needs Rosary champions to help bring peace in the world. Will you answer her call to prayer? Everyone in the small country town, Sammy Jo Knox had been born and raised, never left. They made their life there. Got married, had kids, lived in the same houses that were always there along the streets that never changed. The whole white picket fence and tree swing might look good on greeting cards but in real life it was boring, at least to Sammy Jo. The day Hale Christopher Jude III walked into the bakery she worked at, she knew he was it. That part of life she was missing. He smelled of foreign places and exciting things. He represented all the bright lights she dreamed of and simply put she hoped he was her way out of this place. What Sammy Jo didn't realize was things that appear perfect... aren't. And chasing her dreams could lead to something AND someone very different. The unforgettable story of Grant and Harlow from *Take a Chance* continues in this brand-new novel in the Rosemary Beach series from #1 New York Times bestselling

author Abbi Glines. She was it. His one. His only. Then he made the mistake of letting her go. After fighting his way into Harlow Manning's heart—and revealing a side of himself no one had ever seen before—Grant Carter destroyed his own heart by giving in to his greatest fears and doubts. Months later, he's stuck in a miserable routine. Work relentlessly. Beg his best friend Rush for news about Harlow. Avoid all other friends. Leave nightly voicemails for Harlow, pleading with her to come back to Rosemary Beach. Fall asleep alone. Repeat. Miles away, on her brother's Texas ranch, Harlow can't bring herself to listen to Grant's voicemails. Though she wants to be with him, and knows he regrets letting her go, she doesn't know if she can trust him. When he discovered the truth behind her sheltered upbringing, it shattered their relationship, but the secret she carries now has far greater consequences. Can she risk giving Grant one more chance, or will the gamble ultimately destroy her? From #1 New York Times bestselling author Abbi Glines comes the next sizzling novel in the Rosemary Beach series, featuring well-known playboy and Blaire's half brother, Captain. The look on Rose's face had screamed that she was hiding something. Hell, she'd practically run away from me. There was something to that. I knew there was... After ten years in the employ of a mysterious crime boss, River "Captain" Kipling is ready to leave his sordid past—and his cover occupation as an upscale restaurateur—behind him. The only thing standing in the way of his "retirement" is his commitment to launch a new restaurant in the resort town of Rosemary Beach. With his sister, Blaire, nearby, Captain can delay his dream of running a humble bar on the waterfront, but the unwanted attentions of his head server, Elle, have him itching to get out. Until he notices Rose Henderson, the new server at the restaurant. All he knows about the pretty redhead with the cute glasses is that she's a hardworking single mom from Oklahoma. But there's something overly familiar about her laugh...something strange about the way she looks at Captain... Greer Hennessy is a struggling movie location scout. Her last location shoot ended in disaster when a film crew destroyed property on an avocado grove. And Greer ended up with the blame. Now Greer has been given one more chance—a shot at finding the perfect undiscovered beach town for a big budget movie. She zeroes in on a sleepy Florida panhandle town. There's one motel, a marina, a long stretch of pristine beach and an old fishing pier with a community casino—which will be perfect for the film's climax—when the bad guys blow it up in an all-out assault on the townspeople. Greer slips into town and is ecstatic to find the last unspoiled patch of the Florida gulf coast. She takes a room at the only motel in town, and starts working her charm. However, she finds a formidable obstacle in the town mayor, Eben Thinadeaux. Eben is a born-again environmentalist who's seen huge damage done to the town by a huge paper company. The bay has only recently been re-born, a fishing industry has sprung up, and Eben has no intention of letting anybody screw with his town again. The only problem is that he finds Greer way too attractive for his own good, and knows that her motivation is in direct conflict with his. Will true love find a foothold in this small beach town before it's too late and disaster strikes? Told with Mary Kay Andrews inimitable wit and charm, the New York Times bestseller Beach Town is this year's summer beach read! Prim, proper, classic good girl, and her least favorite label - icy. He's ready to swear off women until he can get the rest of his life together. Two weeks into his no-women-rule he meets Lila. She's so damn sweet and polite. Like she walked right out of an etiquette book. But he'd already been drunk before she walked in so there was a good chance she might not be as stunning and perfect as he thinks. He's just too drunk to worry about that. The next morning, he swears he can still smell her on his skin. He just can't remember why or what happened after that third dance. Their worlds are about to collide, and so are the secrets and lies. This book investigates the transnational dimensions of European cultural memory and how it contributes to the construction of new non-, supra, and post-national, but also national, memory narratives. The volume considers how these narratives circulate not only within Europe, but also through global interactions with other locations. *The Changing Place of Europe in Global Memory Cultures* responds to recent academic calls to break with methodological nationalism in memory studies. Taking European memory as a case study, the book offers new empirical and theoretical insights into the transnational dimensions of cultural memory, without losing sight of the continued relevance of the nation. The articles critically examine the ways in which various individuals, organizations, institutions, and works of art are mobilizing future-oriented memories of Europe to construct new memory narratives. Taking into account the heterogeneity and transnational locations of commemorative groups, the multidirectionality of acts of remembrance, and a variety of commemorative media such as museums, film, photography, and literature, the volume not only investigates how memory discourses circulate within Europe, but also how they are being transferred, translated, or transformed through global interactions beyond the European continent. This is a startling memoir of a successful journalist's journey from the deserted and dusty mining towns of the American Southwest, to an antique filled apartment on Park Avenue. Jeanette Walls narrates her nomadic and adventurous childhood with her dreaming, 'brilliant' but alcoholic parents. At the age of seventeen she escapes on a Greyhound bus to New York with her older sister; her younger siblings follow later. After pursuing the education and civilisation her parents sought to escape, Jeanette eventually succeeds in her quest for the 'mundane, middle class existence' she had always craved. In her apartment, overlooked by 'a portrait of someone else's ancestor' she recounts poignant remembered images of star watching with her father, juxtaposed with recollections of irregular meals, accidents and police-car chases and reveals her complex feelings of shame, guilt, pity and pride toward her parents. One memory. One special summer. The one thing Bliss had lost herself in when the fear and sickness were too much, moments never to be damaged by the harsh reality that followed... until now. Bliss York didn't live a normal teenage life. She didn't go to Friday night football games, walk the halls with her friends every day, go to her prom or even walk to receive her diploma. It had all been taken from her the fall that she was fifteen years old and she was given the diagnosis no one ever wants to hear. She had leukemia. Seven years after spending a summer with a girl who he knew would always be his first love and the one who got away, Nate Finlay returns to Sea Breeze to help his fiancé open her new boutique clothing store. When the new employee walks in Nate is taken back seven years to the girl he thought he'd love

forever. The one who never answered his calls or returned his text. The one who shut him out completely with not even a goodbye and broke his heart. They've each become someone different. No longer the young teens with stars in their eyes. But does that matter when your heart still says that's the one. "They say blood is thicker than water, but I was never proud of mine. A female born into the Kamlock bloodline was destined to possess three things they couldn't-- crazy as hell mother, an unfair amount of beauty, and a Charmed soul that was as black as night."-- back cover

Tallulah Liddell had been defined by her appearance for as long as she could remember. Overweight and insecure, she preferred to fly under the radar, draw as little attention to herself so no one can hurt her. The only boy who did seem to ever notice her was her longtime crush, Nash Lee. But when he laughs at a joke aimed at Tallulah the summer before their senior year, Tallulah's love dissipates, and she becomes determined to lose weight, to no longer be an object of her classmates'—and especially Nash's—ridicule. Nash Lee has it all—he's the star running back of Lawton's football team, being scouted by division one colleges, and on track to have a carefree senior year. But when an accident leaves him with a permanent limp, all of Nash's present and future plans are destroyed, leaving him bitter, angry, and unrecognizable from the person he used to be. Facing a new school year with her new body, Tallulah is out to seek revenge on Nash's cruelty. Especially this girl. He let her go that night, but he never forgot her. And when they met again, he vowed not to give up again so easily. From the messy blonde curls he'd let grow out, to the tattoos now covering his arms, part of his chest and even the side of his neck, it all represented a part of his journey. Eli Hardy was back, but he didn't plan on staying for long.
