***In 1861 French silkworm merchant Hervé Joncour travels to Japan, where he encounters the mysterious Hara Kei. He develops a painful longing for Kei's beautiful concubine - but they cannot touch; they don't even speak. And he cannot read the note she sends him until he has returned to his own country. But the moment he does, Joncour is enslaved. Subtle, tender and surprising, Silk is an evocative tale of erotic possession. Victoria has a secret... Reclusive designer Victoria Andrews hasn't gone outside in five years, though she yearns to escape the prison of her house. She designs sensual lingerie for the most exclusive dressmaker in London, although she has never known a man's touch. A Duke in disguise... Wounded and stranded in Scotland, Jonathan Nottoway, the Duke of Worthingstone, is avoiding the murderous scandal that darkened his family name. As his wounds heal, he spends several sensual nights with the beautiful seamstress who knows nothing of his true identity. A passionate awakening... Can a woman trapped by her emotional scars be able to love a duke, when it means abandoning her safe world to embrace the life of a duchess? Four young Englishwomen retrace the ancient Silk Road--4,500 miles in eight months by horse and camel. The Secret Sayings of Ye Su: A Silk Road Gospel provides a translation of, introduction to, and commentary upon an extraordinary, previously unknown manuscript. This Christian gospel, though written in koine Greek,***

**was obviously influenced by both Buddhist and Daoist ideas and probably derives from Tang dynasty China (8th or 9th century). The account of how the manuscript emerged in 1994 and how it came to be translated by Dr. Jay G. Williams is, in itself, quite fascinating. The author also describes the nature of the text and why he thinks it should be placed in the Tang dynasty period. He provides a concise introduction not only to the history of Buddhism and the indigenous religions of China during this period but also to the "Religion of Light," a form of Christianity that entered China in 638 A. D. The work ends with a line-by-line commentary on each of the seventy-two verses of this gospel. Although undoubtedly ancient, the work seems amazingly contemporary in its ideas, offering a unique and quite radical vision of Ye Su (Jesus) and his teachings. Neither orthodox nor gnostic, *The Secret Sayings* comments about such topics as the place of women and gays within the community, the nature of the kingdom, and the source of Christian hope in the "Source." Although faith is emphasized, doctrines and dogmas are not. A place is found for both the Heavenly Father and the Earthly Mother but alone neither is regarded as "ultimate." The fellowship of believers is emphasized, but value of the Church as an institution is seriously questioned. A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that**

**explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, *New York Times* bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow* \* Winner of Romantic Times Reviewer's Choice Award\* \* Nominated for RWA's Golden Choice Award *The Desert Flower* At seventeen, fiery Juliet Cameron fell passionately in love and married the perfect companion for the adventurous life she wanted to lead. Lord Ross Carlisle is handsome, dashing, and as eager to explore the world as she is. But social constraints and fear of an all consuming love that threatens to engulf her independent spirit send Juliet fleeing to the distant land where she was raised as a diplomat's child. Now, a dozen years later, a gentleman's promise sends Lord Ross on a dangerous rescue mission to Central Asia—and to a shocking reunion with his long estranged wife. Warily they join forces to cross the merciless desert to Bokhara, where Juliet's army officer brother has been imprisoned. The fierce attraction that drew them together so many years before has never died. But if they succumb to passion, can either of them survive if they cannot heal their broken marriage?" "[*Silk and Secrets*] fulfills every dream of your heart, every yearning of your soul, as a pair of memorable lovers find their way back to each other's arms . . . This remarkable novel of high adventure and unquenchable love is a stunning reading experience, one you will remember and cherish forever."--Romantic Times Nothing could have prepared Stephany for the sudden death of her mother that night at dance class. At the tender age of fourteen Stephany's life was thrown into turmoil. In the months and years that followed, her rebellious ways led her to make all the wrong decisions allowing her high school crush to damage her almost beyond repair. The passion for horses Stephany shared with her mother is the link to the mystery about to unfold in**

***this new chapter of her life. Ember, the horse she inherited from her mother is the only thing that's keeping her grounded. However her determination to dance again drives her closer to the city. A decade later, now lodging with her lifelong friend Lizzy, Stephany is determined to put her tragic past behind her and pursue her childhood dream. After a chance encounter, Stephany is strangely drawn to the owner of Sinclair's casino. Jake Sinclair, notorious for his playboy ways and debauched reputation, awakens the desire in Stephany to live again. But can she handle his reputation and accept that he too has a past that's been buried deep? How long will Stephany be able to keep her sordid past from Jake? Will he fight to keep her when he learns of those secrets? Stephany must decide if she is brave enough to take that risk in allowing him to claim her delicate heart. Can she bring down the protective walls she has spent the past five years building? More importantly, will Jake's desire prevail when he discovers the truth about her ugly past? \*\*\*\*\* Each with a hidden past, the key to their connection unknown to them at the beginning is in their love of horses, even if for Jake that love died many years ago. Stephany and Jake's lives clash in an accidental encounter after a fight at his casino. Neither of them were looking for a relationship let alone love and as their stories unfold they are equally shocked by the similarities in the devastating pasts that they have each left behind. However, Stephany's secrets are exposed to Jake while she is left very much in the dark about the mystery around the man she has found herself drawn to. Affairs, deceit, scheming, murder, and sex—it's all here in this spicy, suspenseful read that will have fans of bestselling author Allison Hobbs both fascinated and disturbed by one hot murderess. Fiery vixen Silk Moreaux will do anything to get what she wants. Lying, stealing, and even killing don't weigh on her conscience. But when a prophetess, Big Mama, warns her that she'll come to a tragic end if she doesn't change her wicked ways, Silk moves to a small town in Pennsylvania to reinvent herself. With a sweet, loving, childlike temperament, Silk endears herself to the community—especially the men, who slyly compete for her affection, bearing gifts and offering money for just a little bit of her time. She becomes especially close with grieving widower Raymond Dixon, who expects a hefty insurance payout. When Raymond receives his windfall, Silk rushes him to the altar. But when the money begins to dwindle, she devises a scheme—involving a handsome hustler, Tate Simmons—to ensure that she maintains the comfortable lifestyle she's become accustomed to. Together, Silk***

**and Tate plot a callous murder that could be their biggest payday ever. Can Silk's greed ever be satisfied or will the karmic scale finally tip, resulting in her prophesied destruction? 'Exquisitely written, this vivid story may just bewitch you' Woman 'Utterly spellbinding' Natasha Lester 'Exquisitely written, this vivid story may just bewitch you' Woman's Weekly An enchanting mystery kept hidden for hundreds of years... 1700s Rowan Caswell leaves her village to work at the home of an English silk merchant. Very soon, she finds herself thrust into a dangerous world, where her talent for herbs and healing starts to attract unwanted attention. Mary-Louise Stephenson dreams of becoming a silk designer, a path that has remained largely forbidden to women. A length of fabric she weaves with a pattern of deadly flowers will have shocking consequences for all who dwell at the Silk House. Present Day Thea Rust arrives at an exclusive boarding school in the British countryside to look after the first intake of girls in its history. She is to stay with them in the Silk House, a converted silk factory from the 18th century, where the shadows hide secrets waiting to be discovered... How is silk produced? The Chinese kept it secret for years but now the secret is out. Learn about the life cycle of a silk worm. American heiress Alyssa Lockhart is banished to England in disgrace and ordered to find a husband who can tame her wild ways. Arriving at the imposing gates of Penridge House, Alyssa finds herself under the gaze of the darkly handsome Colonel Harris Trevell. Mesmerized by his smoldering eyes, Alyssa cannot ignore whispers that say he is a murderer. Now she must discover the truth about this enigmatic man. Original. Book one of the (in silk) series. 2013 Jaiden Corvone is incognito at a Cyprian Ball as "Madame Corvone," a sophisticated woman vying to become mistress to some wealthy merchant or lord. As the mistress of John (Raven) Myric, Marquis of Weldon. Raven is a passionate and exciting man whose every touch makes Jaiden struggle to keep that line between business and her emotions firmly drawn. Affairs, deceit, scheming, murder, and sex—it's all here in this spicy, suspenseful read that will have fans of bestselling author Allison Hobbs both fascinated and disturbed by one hot murderess. Fiery vixen Silk Moreaux will do anything to get what she wants. Lying, stealing, and even killing don't weigh on her conscience. With a sweet, loving, childlike temperament, Silk endears herself to the community—especially the men, who slyly compete for her**

***affection, bearing gifts and offering money for just a little bit of her time. She becomes especially close with grieving widower Raymond Dixon, who expects a hefty insurance payout. When Raymond receives his windfall, Silk rushes him to the altar. But when the money begins to dwindle, she devises a scheme—involving a handsome hustler, Tate Simmons—to ensure that she maintains the comfortable lifestyle she’s become accustomed to. Together, Silk and Tate plot a callous murder that could be their biggest payday ever. Can Silk’s greed ever be satisfied or will the karmic scale finally tip, resulting in her prophesied destruction? Deep in a bamboo forest of Japan lies a remote mountain village shrouded in fog, hiding ancient supernatural secrets.***

***A young doctor arrives from the city with modern medical skills, only to be taught ancestral magic and healing arts by wondrous paranormal and mythical beings. Against the backdrop of the creature’s battle against nefarious forces and amidst spectacular adventures, her sensuous passions awaken. An enchanting tale of hidden beauty and fierce courage, retold in the style of T’ang Dynasty poetry and illustrated with charm and grace***  
***A young Chinese princess is sent from her father’s kingdom to marry the king of a far-off land. She must leave behind her home of splendors: sour plums and pink peach petals and -- most precious and secret of all -- the small silkworm. She begs her father to let her stay, but he insists that she go and fulfill her destiny as the queen of Khotan. Beautifully told and arrestingly illustrated, here is a coming-of-age tale of a brave young princess whose clever plan will go on to live in legend -- and will ensure that her cherished home is with her always.***  
***In 1942, with a black-market chicken tucked under his arm by his mother, Leo Marks left his father's famous bookshop, 84 Charing Cross Road, and went off to fight the war. He was twenty-two. Soon recognized as a cryptographer of genius, he became head of communications at the Special Operations Executive (SOE), where he revolutionized the codemaking techniques of the Allies and trained some of the most famous agents dropped into occupied Europe. As a top codemaker, Marks had a unique perspective on one of the most fascinating and, until now, little-known aspects of the Second World War. This stunning memoir, often funny, always gripping and acutely sensitive to the human cost of each operation, provides a unique inside picture of the extraordinary SOE organization at work and reveals for the first time many unknown truths about the conduct of the war. SOE was created in July 1940***

***with a mandate from Winston Churchill to "set Europe ablaze." Its main function was to infiltrate agents into enemy-occupied territory to perform acts of sabotage and form secret armies in preparation for D-Day. Marks's ingenious codemaking innovation was to devise and implement a system of random numeric codes printed on silk. Camouflaged as handkerchiefs, underwear, or coat linings, these codes could be destroyed message by message, and therefore could not possibly be remembered by the agents, even under torture. Between Silk and Cyanide chronicles Marks's obsessive quest to improve the security of agents' codes and how this crusade led to his involvement in some of the war's most dramatic and secret operations. Among the astonishing revelations is his account of the code war between SOE and the Germans in Holland. He also reveals for the first time how SOE fooled the Germans into thinking that a secret army was operating in the Fatherland itself, and how and why he broke the code that General de Gaulle insisted be available only to the Free French. By the end of this incredible tale, truly one of the last great World War II memoirs, it is clear why General Eisenhower credited the SOE, particularly its communications department, with shortening the war by three months. From the difficulties of safeguarding the messages that led to the destruction of the atomic weapons plant at Rjukan in Norway to the surveillance of Hitler's long-range missile base at Peenemünde to the true extent of Nazi infiltration of Allied agents, Between Silk and Cyanide sheds light on one of the least-known but most dramatic aspects of the war. Writing with the narrative flair and vivid characterization of his famous screenplays, Marks gives free rein to his keen sense of the absurd and wry wit without ever losing touch with the very human side of the story. His close relationship with "the White Rabbit" and Violette Szabo -- two of the greatest British agents of the war -- and his accounts of the many others he dealt with result in a thrilling and poignant memoir that celebrates individual courage and endeavor, without losing sight of the human cost and horror of war. Along this captivating journey, Larry Andrews encounters a strange amulet, Hindu holy men, Buddhist monks, ancient sacred books and a hidden monastery at the edge of the Gobi Desert. A series of bizarre clues ultimately leads the author to the desert where he undergoes an intense period of spiritual reconditioning, returning home a changed man-a happy man-and a man with the sacred books and diaries of his incredible adventure in Central Asia. Book jacket. Best friends Millie and Jess look just like twins! Millie is a princess and Jess is a maid so they***

**have lots of fun swapping dresses and going on adventures around Peveril Palace. When Millie's snooty cousins come to stay, a silk dress goes missing. Can Millie and Jess work out who took it, before the wrong person gets the blame? When a Chinese monk broke into a hidden cave in 1900, he uncovered one of the world's great literary secrets: a time capsule from the ancient Silk Road. Inside, scrolls were piled from floor to ceiling, undisturbed for a thousand years. The gem within was the Diamond Sutra of AD 868. This key Buddhist teaching, made 500 years before Gutenberg inked his press, is the world's oldest printed book. The Silk Road once linked China with the Mediterranean. It conveyed merchants, pilgrims and ideas. But its cultures and oases were swallowed by shifting sands. Central to the Silk Road's rediscovery was a man named Aurel Stein, a Hungarian-born scholar and archaeologist employed by the British service. Undaunted by the vast Gobi Desert, Stein crossed thousands of desolate miles with his fox terrier Dash. Stein met the Chinese monk and secured the Diamond Sutra and much more. The scroll's journey—by camel through arid desert, by boat to London's curious scholars, by train to evade the bombs of World War II—merges an explorer's adventures, political intrigue, and continued controversy. The Diamond Sutra has inspired Jack Kerouac and the Dalai Lama. Its journey has coincided with the growing appeal of Buddhism in the West. As the Gutenberg Age cedes to the Google Age, the survival of the Silk Road's greatest treasure is testament to the endurance of the written word. The "remarkable" (Romantic Times) novel in the dramatic Silk trilogy. "Wonderful." -Nora Roberts "Terrific." -Jayne Ann Krentz A seventeen-year-old boy and girl learn long-held secrets about their pasts as they overcome their initial antipathy toward one another on a Michigan nature preserve dedicated to her dead father. I love the title of this story because its so apt. It was so much fun to write but also talks a lot about my underlying philosophy lol. I think there are some hidden meanings and things in here with a deeper message amidst all the over the top unrealistic fun. I wonder though if it's maybe too serious now? Nah. Enjoy. A small town fashion model, goes to New York City to become a supermodel. She has many men who want her attention. She finally finds a man of her dreams but horrible secrets might ruin her chance for love. (Note: This book can be personalized. Visit [evergrace.com](http://evergrace.com) for more information.) The history of silk, kept for 5,000 years in China, in words and images for children learning to read, write and speak English. The text introduces and explains some subject-specific**

**vocabulary in simple terms, while the images help to further explain the history of silk and the silk-making process. The Desert Flower... At seventeen, fiery Juliet Cameron fell passionately in love and married the perfect companion for the adventurous life she wanted to lead. Lord Ross Carlisle is handsome, dashing, and as eager to explore the world as she is. But social constraints and fear of an all-consuming love that threatens to engulf her independent spirit send Juliet fleeing to the distant land where she was raised as a diplomat's child. Now, a dozen years later, a gentleman's promise sends Lord Ross on a dangerous rescue mission to Central Asia-and to a shocking reunion with his long estranged wife. Warily they join forces to cross the merciless desert to Bokhara, where Juliet's army officer brother has been imprisoned. The fierce attraction that drew them together so many years before has never died. But if they succumb to passion, can either of them survive if they cannot heal their broken marriage? \* Winner of Romantic Times Reviewer's Choice award for best historical sequel \* Nominated for RWA's Golden Choice Award for best romance of the year The Silk TrilogyBook #1: Silk and ShadowsBook #2: Silk and SecretsBook #3: Veils of Silk David Hartford, Earl of Castledon, is unwilling to break out of his prison of sorrow after the death of his wife, though everyone expects him to remarry and beget an heir. Impulsive Amelia Andrews befriends Lord Castledon and decides that he would make the perfect match for her prim older sister. Amelia cannot help but see the lonely man behind David's grim exterior--and caught beneath his piercing stare, she wonders how to melt his icy heart. When Amelia is caught in a web of ruin, David cannot stand aside and let her suffer. Can an unexpected marriage bring about a love even greater than the one he lost?**
