Set fifteen years after the seismic events of Brilliance of the Moon, The Harsh Cry of the Heron is an elegiac and bittersweet successor to the bestselling series by Lian Hearn, Tales of the Otori. Their realm is held in balance by their union . . . Break that union and the Three Countries will fall apart. Otori Takeo and Kaede have ruled the Three Countries peacefully for over sixteen years, following the events laid out in the epic Tales of the Otori. They have three daughters: Shigeko, fifteen years old and heir to the Otori, and Maya and Miki, thirteen-year-old twins who have inherited the supernatural skills of their father. Kaede knows nothing of the prophecy that Takeo will die at the hands of his son and longs to give him a male child. Nor does she know of the boy he fathered sixteen years ago - a boy whose heart is filled with hatred and whose skills as a Ghostmaster give him the

power to incite the dead. Takeo is determined that clan conflicts will never again ravage the Three Countries, but warriors are born to fight: the warlord Arai Zenko has deadly ambitions, the Emperor himself has challenged Takeo's rule and, despite a delicate truce between the deadly Tribe and the Otori, revenge still eats at the heart of renegade leader Kikuta Akio . . . Against these gathering threats Takeo draws strength from his love for Kaede, but even this is not beyond the reach of their enemies . . . '5 stars for sure!! This book gripped me, and I just couldn't stop reading it... beautiful... extraordinary!' Goodreads reviewer [redacted] 1946, Norfolk, England: Fran gazes out across the beach, its beauty marred by the sharp barbed wire, hiding deadly mines beneath the sand. Everyone is nervously awaiting the arrival of the German prisoners, who will change everything.... When a prison camp is created on the outskirts of Fran's village, the sudden presence of the captured German soldiers in their small

community feels almost too painful to bear. People are grieving the loss of fathers, husbands and sons killed overseas, and Fran struggles to see these young men as anything other than the villains who murdered her beloved brother. But when Fran meets Thomas, a German prisoner with a gentle nature and piercing blue eyes, she is forced to question everything she thought she knew. Their connection is immediate, and Fran soon finds herself falling for someone she had thought was the enemy. Knowing that a relationship with Thomas would be seen as a terrible betrayal by those closest to her, she must keep the secret or face losing everything she holds dear. Until a devastating event threatens to tear Fran and Thomas apart, and Fran must decide how much she is willing to risk for love... 1989, Berlin, Germany: After losing her grandfather, a heartbroken Tiffany arrives in Germany just in time to witness the Berlin Wall fall. As joy erupts throughout the streets, she joins the swell of people crossing the border

from West to East. In her pocket is a crumpled letter addressed to her grandmother Fran, proof of a wartime secret that has been buried for decades. What Tiffany finds will change everything she thought she knew about herself and her family. But can she find the final piece of the puzzle and give herself and Fran a second chance at happiness, or is it too late to heal the scars of the past? An absolutely unputdownable story inspired by an incredible true love story, this is a beautiful, sweeping tale of hope, courage and heartbreaking choices. Fans of Fiona Valpy, The Forgotten Village, and The Guernsey Literary and Potato Peel Pie Society will be absolutely gripped until the final, heart-stopping conclusion. Readers love The English Girl: 'The English Girl will capture your heart. I found myself glued to the book as I wanted to know what would happen... Historical fiction at its best.' Goodreads reviewer 'A wonderful story. Anyone who has an old love they still think about will appreciate the depth in Ms. Mitchell's

book... I highly recommend it.' Goodreads reviewer [REDACTED] 'A heart-breaking story of forbidden love... I loved the book... I learned a lot... A great book and highly recommended!!!' @fictiongoddess 'A fresh perspective on WW2 historical fiction!... I loved everything about this book and can't wait to share it with others!' Goodreads reviewer [REDACTED] 'Makes for a great weekend read for a fan of historical fiction... Kept me on the edge of my seat wondering what happened next... An excellent weekend or rainy day read!' To Read Is To Breathe 'This quick paced story will ensnare you and not let go until the end.' Goodreads reviewer [REDACTED] 'I love a good wartime forbidden love story! Great storytelling and weaving of real events with the fiction.' Our Happily Ever After 'An exciting and even inspirational read... I can highly recommend to anyone who enjoys historical romance novels, especially those about WWII.' Christian Novel Review The highly anticipated second book in Sarah Micklem's literary fantasy

trilogy that began with the critically acclaimed debut, *Firethorn*. Sarah Micklem brings her lush prose and rich imagination to the second installment of this epic trilogy, set in an imaginary world as real as history and as marvelous as legend. Sire Galan has forbidden his servant and lover *Firethorn* to follow him to war, but she disobeys, and sets sail with the army of *Corymb* to the land of *Incus*. During the crossing, *Firethorn* is struck by lightning. She regains consciousness to find her speech garbled and her memory in tatters. Despite her injuries, others see her as blessed, for she has survived the touch of a god, *Wildfire*. Priests and soldiers search her nonsensical utterances for hidden prophecies. In the aftermath of battle, *Firethorn* is captured by the defeated king of *Incus*. He takes refuge in the kingdom where *Firethorn* was born, a place she remembered only in dreams. There, a world away from *Galan*, she discovers not only the land and language she was born to, but a life of unexpected luxury and

power. But this privilege has a high cost, one which *Firethorn* may not be able to bear. In the beginning was the darkness, and in the darkness was a girl, and in the girl was a secret... In the domed city of *Yuan*, the blind Princess *Isra*, a *Smooth Skin*, is raised to be a human sacrifice whose death will ensure her city's vitality. In the desert outside *Yuan*, *Gem*, a mutant beast, fights to save his people, the *Monstrous*, from starvation. Neither dreams that together, they could return balance to both their worlds. *Isra* wants to help the city's Banished people, second-class citizens despised for possessing *Monstrous* traits. But after she enlists the aid of her prisoner, *Gem*, who has been captured while trying to steal *Yuan's* enchanted roses, she begins to care for him, and to question everything she has been brought up to believe. As secrets are revealed and *Isra's* sight, which vanished during her childhood, returned, *Isra* will have to choose between duty to her people and the beast she has come to love. Satisfy your

young readers' hunger for fantasy with this indispensable guide to more than 7,400 novels and story collections for grades 3 through 12. #1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his

architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece. Indexed in the Times, Sunday Times and Magazine, Times Literary Supplement, Times Educational Supplement, Times Educational Supplement Scotland, and the Times Higher Education Supplement. *Firethorn*, the first volume in an epic trilogy, is a stunning debut. Sarah Micklem has introduced an unforgettable heroine into the fantasy pantheon. Loving, reckless, and indomitable, *Firethorn* travels through an imaginary world as real as history and as marvelous as legend. *Firethorn* flees a life of drudgery to live alone in the forest, relying on her knowledge of herb lore to survive. She returns transformed, indebted to the god

who saved her life, and blessed -- or cursed -- with uncanny abilities and a nagging sense of destiny. After a few nights of dalliance with Sire Galan, a high-caste warrior on his way to join the king's army, Firethorn seizes the chance to go with him, only to find she has exchanged one form of servitude for another. The army readies for war in the vast encampment of the Marchfield, where men prey on each other and women dare go nowhere alone. Among the lowborn harlots and the highborn dames of the camp, Firethorn learns to use her gifts as a healer, venturing into realms of dream and shadow. Desire drew Firethorn and Sire Galan together, but love binds them -- a love that has no place in the arrangement between a warrior and his sheath. When Galan makes a wager with disastrous consequences, Firethorn uses her gifts to intervene in his fate and learns just how hard it can be to tell honor from dishonor, justice from vengeance. Sarah Micklem has written an extraordinary tale -- at once magical

and earthbound, beautiful and violent. She immerses readers in a remarkably imagined world where gods are meddlesome, the highborn uphold their privileges with casual brutality, and a woman's only recourse may be the strength she finds within. Botanical names can be baffling to even the most experienced gardener. But a plant's botanical name is more than just a handy label—it can tell a plant's country of origin, the shape of its leaves, the color of its petals, and much more. The A to Z of Plant Names clears the confusion and allows every gardener to name plants with confidence. This comprehensive yet handy guide features the botanic names of the plants that gardeners really grow. Additional information includes suggested pronunciation, the common name, the derivation of the scientific name, the number of species currently accepted, the type of plant and the distribution. The A to Z of Plant Names helps demystify names, provides readers with the intriguing background information to naming conventions,

and empowers gardeners everywhere to feel confident about naming plants. This guide, valuable to anyone gardening in the unique climates of the upper Northeast, provides expert advice on choosing annuals, biennials, and perennials; tending bulbs, roses, and shrubs; and selecting trees, native plants, ferns, grasses, and groundcovers. Illustrations throughout. Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But

her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms. NATIONAL BESTSELLER • NOW A MAJOR MOTION PICTURE starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen. Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place

to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, Redeeming Love is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-

What if Cleopatra didn't die in 30 BC alongside her beloved Mark Antony? What if she couldn't die? What if she became immortal? Queen of Kings is the first instalment in an epic, epoch-spanning story of one woman's clash with the Roman Empire and the gods of Egypt in a quest to save everything she holds dear. As Octavian Caesar (later Augustus) and his legions march into Alexandria, Cleopatra, Queen of Egypt, summons Sekhmet, the goddess of Death and Destruction, in a desperate attempt to resurrect her husband, who has died by his own hand, and save her

kingdom. But this deity demands something in return: Cleopatra's soul. Against her will, Egypt's queen becomes a blood-craving, shape-shifting immortal: a not-quite-human manifestation of a goddess who seeks to destroy the world. Battling to preserve something of her humanity, Cleopatra pursues Octavian back to Rome - she desires revenge, she yearns for her children - and she craves blood... It is a dangerous journey she must make. She will confront witches, mythic monsters, the gods of ancient Greece and Rome, and her own, warring nature. She will kill but she will also find mercy. She will raise an extraordinary army to fight her enemies, and she will see her beloved Antony again. But to save him from the endless torment of Hades, she must make a devastating sacrifice. Brutally authentic historical fiction meets the darkest of fantasy in Maria Dahvana Headley's extraordinary debut novel about the most famous woman in history: Cleopatra, Queen of Kings. More than 100 reading lists for every

mood and taste will delight fantasy fans and those who work with them.
