Issue 1 of Relentless Royal is a story that unfolds the reality of a dreamer named Royal Tanis. Many give up, but those who are relentless do not. This motivational comic book unveils what’s possible when we refuse to take no for an answer. Life has a way of throwing things at you, but it's the choices you make and your unrelenting desire to overcome the roadblocks that threaten to prevent you from becoming successful that ultimately define who you become. Throughout my life and ministry, I have come across many women who seem stuck in life due to challenges. Often, they are either unsure or unaware of their purpose, identity or the seed of greatness that has been deposited in them. They allow fear, worries and anxiety to weaken their faith and discourage them from discovering and pursuing God's agenda in their lives. Sometimes, it is like life has programmed them to fail. Many such women have given up because they felt stuck and could no longer cope with the pressures of life. Unfortunately, they have allowed the places they get stuck, to shape their lives more than they could ever think. The Relentless Woman speaks directly to women, encouraging them to be determined to overcome life challenges despite opposition. In this book, the author uses biblical principles and real life experiences to create a pathway for women to discover who they are in Christ and what they can achieve if they don't give up. The author profiles women like Bessie Coleman who relentlessly broke barriers and became the world's first black woman to earn a pilot's license to stage public flight. This book will stir you up to move from the fence and take your place in His plan An Incredible Journey of Determination and Recovery In 2005, Ted W. Baxter was at the top of his game. He was a successful, globe-trotting businessman with a resume that would impress the best of the best. In peak physical condition, Ted worked out nearly every day of the week. And then, on April 21, 2005, all that came to an end. He had a massive ischemic stroke. Doctors feared he wouldn't make it, or if he did make it, he would be in a vegetative state in a hospital bed for the rest of his life. But miraculously, that's not what happened. . . . In Relentless, Ted W. Baxter describes his remarkable recovery. Not only did he live, but he's walking and talking again. He moves through life almost as easily as he did before the stroke; only now, his life is better. He's learned that having a successful career is maybe not the most important thing. He's learned to appreciate life more. He's learned that he wants to help people—and that's what he does. He gives back, volunteering his time and effort to help other stroke victims. ?Relentless is a wonderful resource for stroke survivors, caregivers, and their loved ones, but it is also an inspiring and motivating read for anyone who is facing struggles in their own life. "There are some moments in life when you just want to give up, but don't! Like Jacob, keep wrestling. Like the persistent widow, keep persisting. Just when you feel like giving up, God may relent and let you win. Relentless is a scriptural reflection for those about to give up. Through the biblical stories of some of Scripture's most persistent and gritty people, Relentless inspires courage in the discouraged; develops grit in the fainthearted; and helps you see when God is pressing you. Learn how to recognize when God is pressing you and how He eventually appears to "lose." He loses so you can be a winner. For more than forty years, the author has worked in cities with people who are homeless or in difficult situations. He has seen firsthand what qualities help someone survive. Relentless is about one of the most important of those qualities and how you can acquire it"-- When Rich Dixon climbed the ladder to hang Christmas lights, he had no idea how fastand how farhe would fall. In gritty, soul-baring detail, Relentless Grace traces a chilling, unforgettable journey through the depths of despair, depression, and fear. Unflinchingly honest, sometimes humorous, and often painful, this true story vividly details a struggle with tragic injury and hopelessness. With no easy answer to suffering, no read a verse, say a prayer formula for a happy life, Relentless Grace reminds readers that only God can heal and change people. He alone transforms tragedy into triumph and overwhelms evil with eternal, irresistible good. This book is ultimately about hope. It's about God, forgiveness, and about promises made and kept even in the midst of grief and loss. It's about knowing with absolute certainty that Jesus walks with us, that He knows our pain and fear, and will help us not simply to survive but to thrive in the most difficult and overwhelming situations. How do you keep fighting when you keep failing? In the fight against our sin, we all are tempted toward discouragement and exhaustion. Defeat leaves us vulnerable to giving up the fight against sin. How do we endure? Andy Cimbala shares battle-tested insights and strategies that will help you fight your sin with power and wisdom. The Relentless Fight focuses on remembering the gospel, and how that good news motivates us to persevere in our fight for holiness. Expect to be encouraged, empowered, and equipped by this book for the great fight of faith! Drawing on her own experiences of trauma and difficulties, renowned Bible teacher and bestselling author Joyce Meyer shares her expertise on how to grow and live a happy and joyous life. Joyce Meyer is probably better equipped than anyone when it comes to never giving up. She overcame an abused childhood, a bad marriage and extremely limited opportunities to become one of the most popular author/speakers in the world. JoyceMeyerMinistries was the first ministry in America to be headed by a woman, and it's one of the largest in the world. If anyone knows how to hold on to a dream and realize it, it's her. Packed with examples of people who pursued their goals relentlessly, the book profiles nearly fifty individuals who prevailed against all odds. From the builder of the Brooklyn Bridge to the chemists who invented Post-It notes we meet people like Bessie Coleman, an African-American who had to go to flight school in Paris in order to learn how to fly. But she did, becoming the first woman in America to earn her pilot's license in 1920. Download the free Joyce Meyer author app. In the space of a breath, what he thought was his life...shattered. Grant Borrows has been Shifted- in the silence between heartbeats, his whole life fundamentally altered. There's another man in the world wearing his face and living his life. What's more, the man staring back from his mirror is a stranger. But the changes don't stop at skin-level. Inexplicably, he's able to affect objects around him by simply thinking about them. And as he soon learns, he's become the central figure in a vast web of intrigue that stretches from an underground global conspiracy to a prophecy dating back over seven thousand years. Enemies and allies find him at every turn, but one thing they learn all too soon is that you don't want to push Grant Borrows too far... Can destiny be undone? The players are ready. The game is in motion. And the pace is: Relentless. (The Dominion Trilogy Book 1) Named one of Steve Forbes' favorite books of 2015... Are you ready to supercharge your career ... grow your business beyond your wildest dreams ... turn your life up to eleven? Learn the secrets of success from "Mr. Relentless" himself. Capitalist evangelist Wayne Allyn Root—bestselling author, reality TV producer, serial entrepreneur, former vice presidential nominee, and business speaker on the international circuit—reveals the seven principles of relentless that will take you to a level you never imagined. Legendary trainer Tim Grover’s internationally acclaimed training program used by the pros, including Michael Jordan and Kobe Bryant—now completely revised, updated, and expanded, with 100 new photos. Since 1989 when Tim Grover began training Michael Jordan, hundreds of elite competitors have turned to Grover to become stronger, faster, and more powerful, both physically and mentally. From Jordan to Kobe Bryant to Dwyane Wade and countless other superstars, Grover’s revolutionary methods have made the best even better, year after year. In Jump Attack, Grover shares the revolutionary program he uses to train the pros. A fitness bible for athletes around the world, this three-phase, twelve-week program has been completely updated with new exercises and workouts as well as cutting-edge information on training, nutrition, longevity, injury prevention, and more. Devised for explosive power, quickness, endurance, and agility, this intensely challenging workout pushes athletes out of their comfort zones, tests their capacity to go harder, and turns “I can’t” into “Just try and stop me.” You don’t have to be an elite athlete to benefit from Grover’s program—but you can attain the mindset of a champion through the physical program outlined in this complete plan. Says Grover: “This is how my pros do it. If you want to become more explosive, stronger, and faster, if you want to jump higher and improve your overall athletic performance in any sport, this is exactly how we do it today: This program is the difference between jumping and taking flight.” 'Dean's journey from the Special Boat Service to intrepid adventurer is truly inspirational.' - Sir Ranulph Fiennes 'An extraordinary tale of courage and adventure. Dean's story is inspirational.' - Levison Wood 'Dean's relentless determination to help those who face many mental health battles is incredible and admirable - he's a hero to many.' - Bear Grylls For readers of Ant Middleton, Jason Fox, Brian Wood, Bear Grylls and Billy Billingham comes the extraordinary, inspirational story of Special Boat Service soldier and adventurer Dean Stott. Everybody has heard the SAS motto that who dares wins, but special forces warrior Dean Stott also lives his life by another powerful mantra - that of the relentless pursuit of excellence. In 16 years of service, Dean rose to the top of Britain's fighting force, taking part of some of the most daring and dangerous operations in the war on terror, and then in the private security force, where missions included him singlehandedly evacuating the Canadian Embassy in Libya. But then, following a horrific parachuting accident, Dean's dream career was cut short, and his ethos was put to its toughest test. Just like the day when Dean's dad said that he could never make it as a soldier, Dean's doctors told him that he would never again perform at the elite level. To put it mildly, Dean disagreed, but even those that knew him were staggered by the mission that he set himself - the man who didn't own a bike would cycle the Pan American Highway, a 14,000 mile route that stretches from Argentina to Alaska, passing through some of the most dangerous countries in the world. A passionate mental health campaigner, Dean decided to up the stakes further by setting himself the task of raising a million pounds for charity. With two world records also in his sights, the stage was set for Dean to rediscover the tenacity, bravery, and downright doggedness that saw him rise to the top of the Special Forces. The final curveball arrived in the shape of a wedding invitation from his old friend Prince Harry - would he make it back in time for the royal wedding, or at all? Dean Stott is Relentless, and this is his story. Christian Kent has many labels – warrior, protector, friend, lover – but the one label he never wanted was mate. In his lifetime, the only girl he has ever loved, was the one he couldn’t have. He left her to protect her heart, but his own will always belong to her. As a girl, the one person she believed would never hurt her broke her heart. Now a warrior, she’s loving life and living for the next adventure. She’s put the past behind her, including the man who walked out of her life. Fate brought them together once, and it’s not done with them yet. When they are suddenly thrown together to battle a lethal new foe, sparks fly and old feelings resurface. Chris will have to work hard to heal the rift between them. But will she be able to let go of the old heartbreak and open her heart to him again? Can they come together before the threat they are facing tears them apart forever? Former NHL star Bryan Berard shares the inspiring story of his life on and off the ice—from finding early success in the league and suffering a life-changing eye injury to discovering the inner strength to overcome whatever life threw at him and continue to play the game he loved. “My career is over,” I said. “I’m never going to play in the NHL again.” My mom turned to me, a stern look on her face. “‘Never’ does not exist in our family’s vocabulary.” On March 11, 2000, Bryan Berard’s life changed forever. One moment, he was a young hockey star, a former first overall pick and Olympian who had a long, bright career ahead of him. The next, he was writhing on the ice, his eye slashed by a wayward stick. The doctors feared Bryan might lose his eye. It seemed certain that he would never play hockey again. But ever since his childhood, Bryan had refused to believe that anything was impossible. With the support of his family behind him and his own inner determination driving him forward, Bryan not only recovered, but made a triumphant return to the NHL just two years after his injury. It seemed that the worst was behind him. But there were storm clouds on the horizon. Injuries continued to plague him throughout the rest of his career, which saw him move from North America to Russia to continue to play the game he loved. Reports of steroid use cast a shadow over his accomplishments. And then, just as he was about to retire, Berard learned that his long-time financial adviser had defrauded him, several other hockey stars, and others out of millions of dollars in life savings. Despite every setback, though, Berard refused to give up. He nearly lost an eye, but he never lost sight of what

China, and the United States are pushed to the brink of war, while terrorists threaten to release the rage bioweapon in a way of pure destructive slaughter. Joe Ledger leads his newly formed band of international troubleshooters in their first mission to stop the terror cell, fighting alongside agents from North and South Korea. With the lives of billions at stake, Ledger is willing to bring his own brand of terror to this frightening new war. Award-winning journalist Jennifer Senior tries to tackle the issue of the effects of children on their parents, isolating and analyzing the many ways in which children reshape their parents' lives, whether it's their marriages, their jobs, their habits, their hobbies, their friendships, or their internal senses of self. She argues that changes in the last half-century have radically altered the roles of today's mothers and fathers, making their mandates at once more complex and far less clear. Recruiting from a wide variety of sources - in history, sociology, economics, psychology, philosophy, and anthropology - she dissects both the timeless strains of parenting and the ones that are brand new, and then brings her research to life in the homes of ordinary parents around the country. The result is an unforgettable series of family portraits, starting with parents of young children and progressing to parents of teens. Through lively and accessible storytelling, Senior follows these mothers and fathers as they wrestle with some of parenthood's deepest vexations - and luxuriate in some of its finest rewards. All Joy and No Fun makes us reconsider some of our culture's most basic beliefs about parenthood, all while illuminating the profound ways children deepen and add purpose to our lives. All Joy and No Fun is original and essential reading for mothers and fathers of today - and tomorrow. Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more about Crazy Love at www.crazylovebook.com. At a glance, most species seem adapted to the environment in which they live. Yet species relentlessly evolve, and populations within species evolve in different ways. Evolution, as it turns out, is much more dynamic than biologists realized just a few decades ago. In *Relentless Evolution*, John N. Thompson explores why adaptive evolution never ceases and why natural selection acts on species in so many different ways. Thompson presents a view of life in which ongoing evolution is essential and inevitable. Each chapter focuses on one of the major problems in adaptive evolution: How fast is evolution? How strong is natural selection? How do species co-opt the genomes of other species as they adapt? Why does adaptive evolution sometimes lead to more, rather than less, genetic variation within populations? How does the process of adaptation drive the evolution of new species? How does coevolution among species continually reshape the web of life? And, more generally, how are our views of adaptive evolution changing? *Relentless Evolution* draws on studies of all the major forms of life—from microbes that evolve in microcosms within a few weeks to plants and animals that sometimes evolve in detectable ways within a few decades. It shows evolution not as a slow and stately process, but rather as a continual and sometimes frenetic process that favors yet more evolutionary change.
