Little Chicken's Big Day Nov 21 2022 Little Chicken is tired of  
being told what to do by Big Chicken, but when they become  
separated he misses all of the clucking.

**Research Anthology on Balancing Family-Teacher  
Partnerships for Student Success** Feb 18 2020 The

partnership between families and teachers in education has been

overlooked in the past to the detriment of students of all ages. This relationship can have a huge impact on the success of learners and must be examined further to ensure students receive the best education possible. The Research Anthology on *Balancing Family-Teacher Partnerships for Student Success* examines the best practices and challenges of establishing and maintaining a successful relationship between teachers and families. It discusses the history of this relationship as well as future directions that must be considered. Covering key topics such as early childhood education, work habits, assessments, and mentorship, this major reference work is ideal for administrators, principals, industry professionals, researchers, scholars, academicians, practitioners, instructors, and students.

*Kindergarten, Here I Come!* Nov 28 2020 Get ready for school with these fun poems! This adorable picture book celebrates all the familiar milestones and moments shared by every single kindergartener. Whether it's the first-day-of-school jitters or the hundredth-day-of-school party, every aspect of the kindergarten experience is introduced with a light and funny poem--not to mention charming illustrations.

**Will I Have a Friend?** Nov 09 2021 During his first day in kindergarten, Jim models a clay man, listens to stories, and makes new friends

**Dinosaur Mountain** Oct 08 2021 Discusses the latest information available on dinosaurs, much of it learned from fossils found at Dinosaur National Monument.

*Planet Kindergarten: 100 Days in Orbit* Dec 30 2020 A young child imagines going off to Kindergarten as a journey to another planet.

Being Frank Aug 06 2021 Frank follows the motto, "Honesty is the best policy." He tells the truth, the whole truth, and nothing but the truth. Frank never lies to his schoolmates, he always tells the truth to adults, and he's always honest with police officers. The balancing act of finding tact, that fine line between telling the

truth and telling too much truth, is the main theme of this story, and it's very funny—although not necessarily to his friend Dotti whose freckles remind Frank of the Big Dipper, or to the teacher who hears that her breath smells like onions, or to the principal who is told that his toupee looks like a weasel. No one is quite as impressed with Frank's honesty as he thinks they should be. He is sweet and straightforward, and, well, very frank, but with everyone annoyed at him, Frank is now honestly unhappy. He decides to visit his confidante and pal, Grandpa Ernest, who has a history of frankness himself. With a few lessons from Grandpa, Frank begins to understand that the truth is important, but so is not being hurtful. With amusing characters and expressive artwork, this story tells the powerful message of finding the good in everything—a lesson that sends compassion and understanding to take the place of rudeness in the complex concept of truth.

[The Skull in the Rock](#) Apr 02 2021 Chronicles the story behind one of the most significant archaeological discoveries of all time, explaining its significance for understanding human evolution and how it is shaping the thinking of the scientific community.

*A to Zoo: Subject Access to Children's Picture Books, 10th Edition*

Jun 23 2020 Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection

development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. • Offers easy subject access to children's picture books • Features a user-friendly organization • Provides in-depth indexing and full bibliographic detail

**Adventure Annie Goes to Kindergarten** Dec 18 2019 From the author of the 2013 Caldecott Honor Book, ONE COOL FRIEND!

Annie Grace wears her "Adventure Annie" cape to her first day of kindergarten, and proceeds to barrel through the day, searching for adventure in every moment. Her interpretation of the class's Gold Star Rules isn't exactly what her teacher, Mr. Todd, had in mind. But somehow Annie does manage to save the day when two

of her classmates get lost on their way to retrieve the afternoon snack. Spirited and funny, this is an introduction to kindergarten that will please kids and teachers alike.

On the First Day of Kindergarten Dec 10 2021 Perfect for nervous/excited kids about to go to kindergarten (and their parents!). This engaging adaptation of “The Twelve Days of Christmas” convinces parents and children alike that there is no place cooler than a kindergarten classroom. On the first day of kindergarten, there’s so much to do! From making new friends to jumping rope in gym to riding the bus to school, there are lots of exciting firsts to look forward to. Even though saying good-bye to Mom and Dad is hard, when the school bus pulls up, it’s time to begin kindergarten fun. Share at home along with such books as *Clover Kitty Goes to Kittygarten and Kindergarten, Here I Come!* Tish Rabe is a seasoned children’s book author with over 160 titles, including ones for Sesame Street and Curious George, under her belt. Like Natasha Wing with *The Night Before Christmas*, Rabe puts a novel spin on a first-day-of-school classic with *On the First Day of Kindergarten*. And don't miss the follow-up: *On the First Day of First Grade!*

The Night Before Kindergarten May 03 2021 It's the first day of school! Join the kids as they prepare for kindergarten, packing school supplies, posing for pictures, and the hardest part of all—saying good-bye to Mom and Dad. But maybe it won't be so hard once they discover just how much fun kindergarten really is! Colorful illustrations illuminate this uplifting takeoff on the classic Clement C. Moore Christmas poem.

*Countdown to Kindergarten* Jul 17 2022 Publisher Description

**81 Questions for Parents** Apr 21 2020 This book provides answers to parents everyday questions regarding school.

Welcome to Kindergarten Aug 18 2022 Join Tim as he visits his future kindergarten classroom and learns what he will be doing during his first year of school. Explore the reading, math, and art centers. Sit at the desk where he will practice writing, counting,

and telling time. The classroom may look a little too big at first, but after finding out about all the fun ahead, it doesn't seem too big at all. In fact, it's just the right size.

*How to Write a Children's Book* Jun 04 2021 Tips on how to write and publish a book for kids or advice on writing children's books from the Institute for Writers and the associated Institute of Children's Literature, the experts who've taught over 404,000 students how to write a book for kids and get published.

*Americana* Oct 16 2019 As a boy in post-War England, legendary Kinks singer/songwriter Ray Davies fell in love with America - its movies and music, its culture of freedom fed his imagination. In *Americana*, Davies tries to make sense of his long love-hate relationship with the country that both inspires and frustrates him, and where he nearly lost his life in a street shooting. Some of the most fascinating characters in pop culture and the British Invasion make appearances, from the famous to the behind-the-scenes players. The book is interspersed with lyrics and also includes photographs from Davies's own collection and the Kinks' archive. From his quintessentially English perspective, Davies - with candour, humour, and wit - takes us on a very personal road trip through his life and storied career as a rock star, and reveals what music, fame and America really mean to him.

**Kisses from Katie** Sep 19 2022 Davis left for a short mission trip to Uganda and her life was turned completely inside out. She found herself so moved by the children of Uganda, and she knew her calling was to return and care for them. She gave up a comfortable life--at a young age--to care for the less fortunate.

*Mabel the Tooth Fairy* Jan 19 2020 Mabel, the tooth fairy, hated brushing, and she hated flossing, and, well, you can imagine what happened to her choppers. It was disgusting. But then she came up with a plan to get her smile back . . . .

**Kindergarten Countdown** Sep 07 2021 "MY SCHOOL STARTS in one week so—I have SEVEN DAYS to go. Mom says be patient, do not worry. But I can't wait! I'm in a hurry!"In this delightful

book a little girl counts off the days by naming what she'll do in kindergarten. "I'll be ready, I'll be smart. I will get a running start. I'll say thank you, I'll say please. I will say my ABCs!" And deciding what to wear and what to take are all part of her preparation for that exciting first day. With bouncy read-aloud rhyme, bright, fun illustrations, and hidden objects to find on each page, *Kindergarten Countdown* gets children off on the right foot.

**Who Hops?** Oct 20 2022 Lists creatures that hop, fly, slither, swim, and crawl, as well as some others that don't.

*The Girl with the Silver Eyes* Jun 16 2022 "There's something strange about that kid." At least that's what everyone says, but they don't know the truth. Perfect for fans of *Stranger Things*, this classic novel continues to enthrall. Katie Welker is used to being alone. She would rather read a book than deal with other people. Other people don't have silver eyes. Other people can't make things happen just by thinking about them! But these special powers make Katie unusual, and it's hard to make friends when you're unusual. Katie knows that she's different but she's never done anything to hurt anyone so why is everyone afraid of her? Maybe there are other kids out there who have the same silver eyes...and the same talents...and maybe they'll be willing to help her.

*Kindergarten Rocks!* Jan 23 2023 Dexter knows everything there is to know about kindergarten and is not at all scared about his first day there, but his stuffed dog, Rufus, is very nervous.

*Buried in a Good Book* Jan 31 2021 "A mystery writer finds solace and murder in rural Oregon...Whimsy meets woodsy"— Kirkus Reviews Don't miss the first book in a brand-new gripping and hilarious bookish cozy mystery series by author Tamara Berry! Bestselling thriller writer Tess Harrow is almost at the end of her rope when she arrives with her teenage daughter at her grandfather's rustic cabin in the woods. She hopes this will be a time for them to heal and bond after Tess's recent divorce, but

they've barely made it through the door when an explosion shakes the cabin. Suddenly it's raining fish guts and...is that a human arm? Tess was hardly convincing Gertie that a summer without Wi-Fi and running water would be an adventure. Now she's thrust into a murder investigation, neighbors are saying they've spotted Bigfoot in the woods near her cabin, and the local sheriff is the spitting image of her character Detective Gabriel

Gonzales—something he's less than thrilled about. With so much more than her daughter's summer plans at stake, it's up to Tess to solve this case before anyone else gets hurt. Put your sleuthing hat on—Buried in a Good Book features: A thriller writer who knows way more than anyone should about death and dismemberment Her young daughter who's more intrigued by dead bodies than she probably should be An isolated cabin in the woods that's probably—definitely—hiding something The tiny mountain town that seems less than troubled by a sudden abundance of murders

*Engaging Children with Print* Jul 05 2021 Preschool teachers and early childhood professionals know that storybook reading is important, but they may not know how to maximize its benefits for later reading achievement. This indispensable guide presents research-based techniques for using reading aloud to intentionally and systematically build children's knowledge of print. Simple yet powerful strategies are provided for teaching preschoolers about book and print organization, print meaning, letters, and words, all while sharing engaging, commercially available books. Appendices include a detailed book list and 60 reproducibles that feature activities and prompts keyed to each text.

*Kindergarten Rocks!* Feb 24 2023 Publisher Description

**I Know a Lot!** Nov 16 2019 Celebrates a toddler's increasing knowledge of the world, such as that rocks are heavy and flowers are light.

*Who Hoots?* Apr 14 2022 Names animals which don't hoot, buzz,

squeak, roar, or quack and also names creatures which do make these sounds.

*Kindergarten Rocks!* Dec 22 2022 Dexter already knows everything there is to know about kindergarten. His big sister, Jessie, told him all about it. So Dexter is not scared. Not even a little bit. But his stuffed dog, Rufus, is scared. Actually, he's terrified. But Dexter--er, Rufus--has nothing to fear: As he'll soon find out, kindergarten rocks

*A Place Called Kindergarten* May 15 2022 The animals in the barn are in a tizzy. Tommy didn't show up at his usual time! The dog tells them Tommy is gone-a big yellow bus took him to a place called kindergarten. "Where is kindergarten?" they exclaim. "What will happen to Tommy there? Will he ever come back?!" Eventually Tommy bursts into the barn with tales of all he learned in kindergarten including- A is for apple, B is for biscuit, C is for corn, and D is for dandelions (the treats he brings for each animal), and everyone is happy Tommy is going to school. A charming, tender story that's sure to reassure any child heading to kindergarten and everyone waiting at home to hear all about it.

Good Work Jul 25 2020 What does it mean to carry out "good work"? What strategies allow people to maintain moral and ethical standards at a time when market forces have unprecedented power and work life is being radically altered by technological innovation? These questions lie at the heart of this eagerly awaited new book. Focusing on genetics and journalism-two fields that generate and manipulate information and thus affect our lives in myriad ways-the authors show how in their quest to build meaningful careers successful professionals exhibit "humane creativity," high-level performance coupled with social responsibility. Over the last five years the authors have interviewed over 100 people in each field who are engaged in cutting-edge work, probing their goals and visions, their obstacles and fears, and how they pass on their most cherished practices and values. They found sharp contrasts between the two fields.

Until now, geneticists' values have not been seriously challenged by the demands of their work world, while journalists are deeply disillusioned by the conflict between commerce and ethics. The dilemmas these professionals face and the strategies they choose in their search for a moral compass offer valuable guidance on how all persons can transform their professions and their lives. Enlivened with stories of real people facing hard decisions, *Good Work* offers powerful insight into one of the most important issues of our time and, indeed, into the future course of science, technology, and communication.

*My Kindergarten* Feb 12 2022 Through a month-by-month review of a year in kindergarten, Emily shares her stories of the many happy experiences she has at her school with her new classmates.

**Border Wars** Mar 01 2021 Two New York Times Washington correspondents provide a detailed, “fact-based account of what precipitated some of this administration’s more brazen assaults on immigration” (The Washington Post) filled with never-before-told stories of this key issue of Donald Trump’s presidency. No issue matters more to Donald Trump and his administration than restricting immigration. Julie Hirschfeld Davis and Michael D. Shear have covered the Trump administration from its earliest days. In *Border Wars*, they take us inside the White House to document how Stephen Miller and other anti-immigration officials blocked asylum-seekers and refugees, separated families, threatened deportation, and sought to erode the longstanding bipartisan consensus that immigration and immigrants make positive contributions to America. Their revelation of Trump’s desire for a border moat filled with alligators made national news. As the authors reveal, Trump has used immigration to stoke fears (“the caravan”), attack Democrats and the courts, and distract from negative news and political difficulties. As he seeks reelection in 2020, Trump has elevated immigration in the imaginations of many Americans into a national crisis. *Border Wars* identifies the players behind Trump’s anti-immigration

policies, showing how they planned, stumbled and fought their way toward changes that have further polarized the nation.

"[Davis and Shear's] exquisitely reported *Border Wars* reveals the shattering horror of the moment, [and] the mercurial unreliability and instability of the president" (The New York Times Book Review).

*Tiptoe Into Kindergarten* Mar 13 2022

**Summer of Firsts** Jan 11 2022 This summer we have 5 new books that will fit perfectly into your summer plans! Take a look inside for excerpts from 5 books! *The Great Hamster Massacre* by Katie Davies *Seven Sorcerers* by Caro King *Cupcake Diaries: Katie and the Cupcake Cure* by Coco Simon *You're Invited to a Creepover: Truth or Dare* by P.J. Night *Cheer! : Confessions of a Wannabe Cheerleader* by Zoe Evans

**Supporting Children's Well-Being During Early Childhood**

**Transition to School** Mar 21 2020 Life transitions differ concerning the intensity of the change and the intensity of the child's reaction to that change. For most children, the first and most significant transition is from the family home to an institution of early care and education, which includes preschool. These transitions can also include children's passage from kindergarten to elementary school. However, the intensity of the child's reaction is related to the size of the change that is happening and also to who or what is involved in that change and the importance a child attributes to that someone or something. *Supporting Children's Well-Being During Early Childhood Transition to School* is an essential scholarly publication that examines evidence-based practices and approaches that fully support a child's well-being during transition periods in early childhood. It serves as a resource to rethink contemporary transition theoretical models, research studies, and applied practices. Featuring a wide range of topics such as emotional competency, language learners, and professional development, this book is ideal for academicians, psychologists, early childhood

educators, daycare centers, curriculum designers, policymakers, researchers, education professionals, and students.

Textured Soft Shapes: Rough Road May 23 2020 Printed on non-toxic foam. Cut outs of construction vehicles on tire tread like pages. Cut outs are removable.

Falcons of North America Oct 28 2020 "Kate Davis opens a door into the lives of these extraordinary, enigmatic birds of prey, including results of new research never before published in one volume"--

**All the Places to Love** Sep 26 2020 Within the sanctuary of a loving family, baby Eli is born and, as he grows, "learns to cherish the people and places around him, eventually passing on what he has discovered to his new baby sister, Sylvie: 'All the places to love are here . . . no matter where you may live.' This loving book will be something to treasure." "BL." "The quiet narrative is so intensely felt it commands attention. . . . a lyrical celebration." "K. *Mud, Rocks, Blazes* Aug 26 2020 Despite her success setting a self-supported Fastest Known Time record on the Pacific Crest Trail in 2013, Heather "Anish" Anderson still had such deep-seated insecurities that she became convinced her feat had been a fluke. So two years later she set out again, this time hiking through mud, rocks, and mountain blazes to crush her constant self-doubt and seek the true source of her strength and purpose. The 2,180 miles of the Appalachian Trail, from Maine to Georgia, did not make it easy. Anderson struggled with its infamous rain, humidity, insects, and steep grades for 54 days. But because she had to fight for every step, she knew when she reached the summit of Springer Mountain, the AT's southern terminus, that she had fully earned the trail. Of greater value, she learned to love herself and her body, and to feel the depth of her power. Examining emotional scars as well as her relationship with her mother, Anderson's deeply internal yet highly physical journey in *Mud, Rocks, Blazes* is an essential story.
