A Dark Night's Dreaming Apr 24 2020 *A Dark Night's Dreaming* opens by defining the shape of horror fiction today, illuminating the genre's narrative themes, psychological and social contexts, and historical development. The core of the volume focuses on the lives and major works of the six who have dramatically shaped the genre: William Peter Blatty, Thomas Harris, Stephen King, Anne Rice, Peter Straub, and Whitley Strieber. A final chapter analyzes the complex relationship between horror fiction and its adaptation to film. Looking beyond the tormented maidens, madmen, monsters, and other archetypes of the genre, these critics differentiate contemporary Gothic fiction from that of earlier generations while demonstrating that horror remains one of the most important and consistent strains connecting the diverse elements of the American literary tradition. They comment on the genre's enormous popularity and undeniable influence in American society and scrutinize its changing representations of women, monsters, and gore. The volume concludes with an extensive bibliography of primary and secondary works.

Compound Fractures Oct 23 2022 For more than twenty years, in nearly a score of bestselling crime novels, Stephen White's stories of Boulder psychologist Alan Gregory have captivated millions of readers. Now *Compound Fractures* provides a riveting last chapter to the series. Nothing is as it seems to Alan, as unexpected threats and intimate betrayals force him to revisit a cruel ethical dilemma that turned his life upside down as a young psychologist. He has to judge whether the people reentering his life after long absences are friends or foes. He has to make sense of echoes of distant tragedies while he decides if there is anyone he can really trust. And as the clock ticks down, he must solve a deadly mystery in Eldorado Springs that has been brewing for more than a decade....

The War of the Rebellion Sep 29 2020 Official records produced by the armies of the United States and the Confederacy, and the executive branches of their respective governments, concerning the military operations of the Civil War, and prisoners of war or prisoners of state. Also annual reports of military departments, calls for troops, correspondence between national and state governments, correspondence between Union and Confederate officials. The final volume includes a synopsis, general index, special index for various military divisions, and background information on how these documents were collected and published. Accompanied by an atlas.

The Woodwitch (Valancourt 20th Century Classics) Oct 31 2020 Andrew Pinkney is a young English lawyer with boyish good looks and a gentle manner, but a dark side emerges when his girlfriend Jennifer laughs at his impotence. He lashes out in a violent rage, knocking her unconscious. At the suggestion of his employer, Andrew heads to an isolated cottage in the dark Welsh countryside to take a break and get a grip on himself. In the woods, he discovers the grotesque stinkhorn mushroom, whose phallic shape seems to rise in obscene mockery of his own shortcomings. But the stinkhorn gives him an idea, a way to win Jennifer back. As the seeds of obsession take root in Andrew's mind, he embarks on a nightmarish quest, with unexpected and horrifying results.

Abide and Go Sep 10 2021 The Gospel of John would seem to be both the "spiritual Gospel" and a Gospel that promotes Christian mission. Some interpreters, however, have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy. In this book for both the academy and the church, Michael Gorman argues that John has a profound spirituality that is robustly missional, and that it can be summarized in the paradoxical phrase "Abide and go," from John 15. Disciples participate in the divine love and life, and therefore in the life-giving mission of God manifested in the ministry, death, and resurrection of Jesus. As God's children, disciples become more and more like this missional God as they become like his Son by the work of the Spirit. This spirituality, argues Gorman, can be called missional theosis.

Critical Conditions Aug 09 2021 From New York Times bestselling author Stephen White comes the sixth suspense thriller featuring psychologist Dr. Alan Gregory. Summoned to the hospital to learn the motives behind a teenage girl's suicide attempt, Alan discovers that the girl's young stepsister lies near death in another hospital with a heart disease. Denied an experimental new treatment that could save her life by her parent's managed-care provider, the stepsister has become a symbol of a health care system more concerned with costs than with the lives of its patients. And when a wealthy executive of the family's HMO is found dead, Alan and Denver detective Sam Purdy uncover the truth that links the teenage girl to his death, and the truth behind a family willing to kill in the name of love...and revenge.

John Gregory's Writings on Medical Ethics and Philosophy of Medicine May 18 2022 This volume introduces a new subseries of Philosophy and Medicine, Classics of Medical Ethics. The purpose of this new subseries is to bring out scholars' editions of major works in the history of medical ethics and philosophy of medicine. This new subseries will target for publication texts that are long out of print and difficult to access. Each volume will contain an introduction to the writings on medical ethics and philosophy of medicine produced by the original author. Each volume will also contain a guide to the primary and major secondary literature, to facilitate teaching and scholarship in bioethics, philosophy of medicine, and history of medicine. Texts will be presented in their original style and will provide pagination of the original, so that citations can be made either to the original text or to the page numbers in these volumes. Finally, each volume will be well indexed, again to facilitate teaching and research. Bioethics and philosophy of medicine - the former more so than the latter - have an insufficiently developed understanding of themselves as having a history. As a consequence, these fields lack the maturity that critical dialogue of the past with the present provides for other fields and disciplines of the humanities. To the extent that this problem is due to the fact that major primary historical sources are not readily available, this subseries will contribute to the further development and maturation of bioethics and philosophy of medicine as fields of the humanities.

Dead Time Oct 19 2019 A woman from Alan Gregory's past draws him into a deadly mystery in this exhilarating thriller from New York Times bestselling author Stephen White. Colorado psychologist Alan Gregory is struggling to repair his insecure marriage when he makes an unexpected connection with the past. His ex-wife Merideth needs his help. She claims that the surrogate mother of her unborn child has vanished without a trace—a mystery with unnerving connections to the disappearance of another young woman several years earlier at the base of the Grand Canyon. As new demons, old betrayals, and unknown enemies surface, Alan unearths a series of secrets someone will kill to keep buried, and deceptions that will forever change his life.

The Cormorant Aug 29 2020 He seems to have it all: a lovely wife, a happy child, and a delightful little cottage he has inherited, nestled deep in the Welsh hills. But with the good comes the evil. For he must care for his brutally slain uncle's fiendish cormorant and must fight an evil spawned from hell itself. Martin's.

Gregory of Nyssa (CWS) Feb 27 2023 Here is an award-winning, new translation that brings to light Gregory's complex identity as an early mystic. Gregory (c. 332-395) was one of the Greek Cappadocian Fathers, along with St. Basil the Great and St. Gregory Nazianzen. +

Pope Gregory and the Brides of Christ Jun 19 2022 The Letters of Gregory the Great, pope from 590 to 604, have long been viewed as an indispensable resource for scholars of the early medieval period. John Martyn's knowledge of these letters is well nigh unsurpassed, In this book he turns his attention to a hitherto neglected subject; those letters of Pope Gregory which pertain to nuns and convents. Despite the fact that scholarship on the Middle Ages has in the last thirty years been transformed by feminist contributions, and there has developed, as a result, a heightened awareness of the presence of women in medieval life, both secular and religious, only two of the thirty-six letters identified by Martyn have previously been discussed by scholars. This edition of the letters in both Latin and English is therefore of inestimable value to scholars and will act as a spur for further research. This sizeable collection of letters are analysed in company with other, better-known, writings about nuns from Gregory's dialogi. In the introduction Martyn argues that his upbringing, dominated by his mother and four devout aunts, might reasonably have inculcated in him a deep and abiding concern for women, the religious in particular. This is evidenced by his friendships with Theoctista and Gordia, the sisters of the Byzantine Emperor Maurice, and with his wife, the pious Constantina. and with a number of abbesses, including Respecta (from Marseilles) and Talasia (from Autun). Gregory's deep interest in the religious life of women, and his concern for their safety and wellbeing, are apparent throughout the letters. Martyn's translations are clarified and enhanced by a commentary.

Pope Gregory's Letter-Bearers Aug 21 2022 "With the Lombards invading Italy, and Slavs invading Illyria, and very active slave-dealers at work, the number of men and women who reached Rome and carried a papal letter, to sort out a legal or personal problem at home, is quite surprsing, considering the slowness and the very real dangers of often long journeys in boats or on horseback. ... [T]hey came from all over the civilized world, many briefly appearing on the stage, their mission quite often not reported later on."--Page 4 of cover.
